and have fun even if she tries to "shoot you down." I was recently talking with a drop-dead gorgeous woman, and this simple mental trick I used can help you overcome the tendency most guys have of attaching too much importance to that one woman. In addition, I will show you how to turn on your own "animal magnetism" prior to talking to her, so you can more easily get her turned on to you. This is not about canned pickup lines, walkup lines, or trying to impress her with some lame garbage. The lessons and tips in this ebook allow you to be genuine and true to yourself, while also transforming yourself in to the type of guy women are more naturally attracted to. If you're looking for ways to force women to like you or to force women to "put out" for you, this is not for you... This is about how to get her attracted to you at the energy level and at deep subconscious levels of her mind so that you can begin to create deeper, more meaningful attraction toward you inside herself. Whether you want to be someone who picks up and dates lots of women, or if you just want to know how to get a girlfriend or how to get a woman to like you, you'll find useful advice inside here these pages. Also includes a section at the end for additional resources for additional study - including where you can learn how to "invade her dreams at night" so she thinks her attraction to you is all her own idea, and what she's been searching and waiting for her entire life! A must read if you're not yet getting the enjoyment you want and deserve when you go to talk with women.

app like Tinder or Bumble, he will often experience one or more

of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation

(e.g., she gives short answers and seems uninterested) The

conversation becomes boring or fizzles out She rejects his offer to
