How to Tell If Someone Truly Loves You -

Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by

100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

The Spanish Love Deception - Elena Armas
2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which

left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

No More Mr Nice Guy - Robert A. Glover
2022-02-18

Originally published as an e-book that became a controversial media phenomenon, *No More Mr. Nice Guy!* landed its author, a certified marriage and family therapist, on *The O'Reilly Factor* and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are

met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential. *In Shun Mie's Room* - Shun Mie Shee 2005-10 Author Shun Mie Shee uses her own poignant experiences growing up in rural, primitive Taiwan and combines them with tales she has gathered over the years from her skin care clients to offer practical, contemporary advice on the American relationship. As you enter Shun Mie's room, you'll hear stories of her own childhood in a society where women had no value, marriages were arranged, and the suicide rate for young men and women skyrocketed as they sought to avoid a marriage to someone they didn't love. Shun Mie then relates stories from her American clients that are sometimes sad, infuriating, and unbelievable, but nevertheless true. Drawing on her experiences, she shares her advice on love and marriage and on how to succeed in relationships with men and children. When I Was a Child - Lillie McGee 2020-08-25 When I was a child, I did not live with what I went through. All I can say is it was completely gone. If something happened the night before or during a weekend, I simply did not know. I felt a sense of sadness inside or maybe a knowledge I was different. But I had no explanation for this foreboding feeling. As I grew closer to eight years old, I became aware of the fact that I had no parent, mother or father. I did not mourn it though. It didn't even seem important to me. I lived in a strange place. I did not know anything. I believe to keep the memories down until I could handle them. After my mother died, it was time. She was gone. My world changed. Something about her being dead opened a tremendous fear. A fear I had to deal with, or it would end me.
