[Pink Hair and Other Terrible Ideas](#) Andrea Pyros 2019-02 When seventh-grader Josephine's mother is diagnosed with breast cancer, she wants to keep it secret, even from her best friend Makayla, but her twin brother, Chance, has other ideas.

Maybe He Just Likes You Barbara Dee 2020-09-15 2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

Misfit Madhu Divya Anand 2022-08-08 Madhu is a shy middle-grade developer who spends her holidays creating her dream app, 'School Santhe'. Soon, the app goes viral...and so does she! And why not? After all, an app where everyone at school can trade stuff is the app they've all been waiting for! Madhu now sets her sights on winning the GoTek young developers contest. But when School Santhe is used to sell leaked test papers, she's faced with the hardest decision of her life: a) Shut down the app that made her popular? b) Or stay silent and become part of something...criminal? As her dreams begin to crumble - with the entire school now blaming her for the mess her app has caused - Madhu realizes that sometimes, it's far easier to debug an app than it is to debug your life!

Tell Me Again How A Crush Should Feel Sara Farizan 2014-10-07 With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of

the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Attached Amir Levine 2012-01-05 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Looking for Math in All the Wrong Places Shai Simonson 2022-08-30 The soul of mathematics is the practice of skeptical inquiry: asking how and why things work, experimenting, exploring, and discovering. Estimation, analysis, computation, conjecture, and proof are the mathematical path to uncovering truth and we can use them in nearly every human pursuit. In this thoroughly charming and beguiling book, Shai Simonson applies mathematical tools in a variety of contexts that arise in everyday life to prove his claim that math is, literally, everywhere. Simonson applies his mathematical cast of mind to hiking, birthday parties, carnival games, lock picking, and kite flying. We see unexpected depths and connections when we look in the "wrong" places in the right way. No advanced mathematical knowledge is required to travel with Simonson and share in his investigations. All a reader needs is an open and curious mind, an eagerness to ask questions, and a willingness to think deeply and carefully about seemingly mundane things. There is wonder and joy in quotidian life with Simonson as your guide.

The Girl Who Changed My Life Pawan Aditya The girl who changed my life is a story of Adi, with series of events that shattered him and taught lessons in love life. Love is unfathomable. Just Send the Text Candice Jalili 2021-02-02 Say goodbye to the crippling stress and anxiety that come with dating in the 2020s with the dating advice all single people need. Have you ever convinced yourself that your crush is definitely not into you because they didn't watch your Instagram story? Have you ever pretended that you didn't want anything serious because you assumed your potential partner didn't want anything serious with you? Have you ever spent hours figuring out the "perfect" response to your date's text? Well Candice Jalili, senior sex and dating writer at *Elite Daily*, has done all of those things and she's here to tell you to stop. Stop giving in to your anxieties and insecurities. Stop replaying and rehashing every interaction. Stop thinking that you're not good enough exactly the way you are. Instead, take a deep breath and just send the text. In today's society, dating can be stressful. And Candice gets it: between social media, dating apps, the hookup culture, and just, you know, the patriarchy—there's no denying it; dating is hard. But there's no reason for dating to transform you into a ball of stress. Laid out in seven easy-to-follow steps, *Just Send the Text* will help you to let go of any dating-related stress and anxiety by accepting that, for the right person, just being yourself is more than enough. The book is filled with helpful tips including: -Don't be afraid to block someone on social media -Embrace dating apps as one of the many ways to meet a potential partner -Stop wasting your time trying to convince someone you're worthy of theirs -Being vulnerable might hurt in the short-term, but it will benefit you in the long-run Featuring first-person interviews with real women, visual aids, and compelling statistics, *Just Send the Text* will give you the courage to put yourself back out there, embrace dating once again, and

Good-Vs-Evil Anastacia Burrell 2018-12-29 God is there to save you from harm. The devil can't take no more than you can't ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done. so you cherish the memory of that day of your life every stone you can ever take and every breath in your body, give it to god and glory and take a deep breath and praise God. Trials must be mistaken because whatever you do or whatever you did, it must be something or what you did needs to be fixed and prepared of a dislike compare to or a distance. A distance is a challenge, of course, or a state of mind. What people do for a living is the unit of life. It's the bad things that you do that makes trials go wrong and bad rather than right. One way it is or another, and one way it doesn't. What you do or what you don't do, you pick up the pieces of the puzzles and get it right on time, on the dot and line, and you take a piece of the pie—what you like and dislike and show and prove the way you want it. You talk about the good old times, and sometimes, it's about the wrong times of your life and the things you did in the past, whether it be good or bad in your wildest dream life. You take that and swipe your shoulders off. The greater it is, the badder it maybe. It can be fixable that same day or a couple of days a head. Trouble don't last always and not for long. That's how it works and what should be done, and you take it and fix everything that has been broken. You stand forward to that and be strong and have strength, and whatever that needs to be done and whatever that it is you can't do, you don't have to do it or put up with it. Be yourself and do all that you can do as possible, and that's all you can do. You cannot please everyone because it's gonna have a passing moment when you can do something or not and you will be tired of it. It also includes fatal attraction, breaking relationships, tragedies, boo thangs, lover and friends, blessings, curses, magic spells, cast of spells, Buddhism, voodoo, and many more.

Lonesome Spirits Foxglove Lee 1901 My life wasn't in great shape when I showed up at my parents' farmhouse. I'd just been dumped, my best friend wasn't speaking to me, and I'd sublet my apartment to a stranger. You'd think a dose of parental affection would make me feel better. Problem was, my mother and father were heading out the door just as I arrived, leaving on a world tour I knew nothing about. So here I am, alone and friendless in a town that doesn't know my name. I've got nobody to talk to except the ghosts who haunt this place, and I'm starting to think their intentions toward me aren't exactly friendly...

Unclutter Winnie D Pagora 2023-06-11 "Now, I declare war on my abusers—their time is up." Eighteen-year-old Tina Lauren is an outcast with wounds that run deep—she's always needed to make the outside hurt more than the inside does. She hates being touched, her clothes don't fit, and neither does she. But when Strollfield's teen heartthrob, Nicholas Parker, crosses a line and Tina retaliates in public, she is thrust into a harsh spotlight that reveals her long-buried scars. Branded a liar and a freak at every turn, Tina faces revenge and betrayal, slander, and bullying—till the voices in her head threaten to drown her. To move forward, Tina must confront her past once and for all. Will Tina discover her true inner voice? Will she be able to speak up for herself and others like her? Or will a culture of shame and silence let their abusers win? Navigating social media trials and sleuthing, family secrets and inner demons, friendships broken and built, first love and self-love, *Unclutter: A Survivor's Story* is a powerful debut novel packed with shocking turns, as well as illuminating truths about trauma and survival. Content guidance: This novel tackles sensitive subjects, such as sexual abuse and self-harm.

Crushed What happens when the one who knows you best, is someone you've never met? He's a hunted hacker in hiding. To the world, she's a bookshop owner. Their paths should have never collided. But they did, fifteen years earlier, in a virtual game. When the chimes jingle on the door to The Bookery, all he wants is to sate his curiosity. But what he gets is so much more. **Breathe** Coming Back to Where You Started Is Not the Same as Coming Home. He never should have let her go. His first love, his first everything. The one the young doctor can't forget. Ten years later, David James knows she's not the same girl he loved. But he sees Kairi now with her haunted eyes - and he remembers. She lost one great love to the people who betrayed her. The one thing she won't do is risk another person she loves. The one thing she can never give him, or her enemy, is a second chance. **Savor** Who Knew Starting Over Could Be So Dangerous? He's a former SEAL and her half-night stand. All she sees is a younger guy who can't possibly know what he wants. A guy who can never take priority over her 15-year-old son. He doesn't see a problem. All he sees is a challenge. And one worth fighting for. He plans to take his time. Show her he's worth taking a chance on. Until a deadly cyber-terrorist mistakes her as a way of getting to him. Then it's game on. He'll have to fight to keep her safe and make her his. Divorced Girl Smiling Jackie Pilossoph 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith

that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

A New Banana Alessandra Veronesi 2023-08-25 Magical things happen just by changing how we see ourselves and approach surrounding contexts. Big or small, the impact of the moment is directly linked to the state we are in when it happens. If we are not pleased with a certain area in our lives, learning to shift the interpretation, and ourselves, is the key to unlocking inner peace and great relief. Takeaways include: · A new, easier and freeing perspective on life · Transform debilitating stress into moments of deep gratitude and insight · Learn self-love and mental stillness · Gain clarity on who you are and what you want · Break and heal unhealthy patterns · Understand how to express needs clearly · Experience inner peace and joy · Feel good in your authentic power · Learn the basics of energy · Navigate dating from a place of awareness · Be fully conscious and in purpose while in a loving romantic partnership First we learn who we are in our truth. As we grow stronger in our knowing, we attract better and better things. We navigate the ups and downs and make them work for us. Then naturally we bring people into our peace. Following our heart to discern what is the path most in favor for us. In every phase of awakening, with miles to go before we 'know' whatever it was we needed to know, the wisdom of the Self comes through. The guidance and support of something greater. Patient, knowing and brave. It only asks that we learn to decode it. A New Banana contains practical and Universal advice one can turn to at multiple times in their lives. Relationships covered are with the self, others (friendships, strangers, and work relationships), the Universe, money and romantic.

Free-to-Play Christopher A. Paul 2020-10-13 An examination of free-to-play and mobile games that traces what is valued and what is marginalized in discussions of games. Free-to-play and mobile video games are an important and growing part of the video game industry, and yet they are often disparaged by journalists, designers, and players and pronounced inferior to games with more traditional payment models. In this book, Christopher Paul shows that underlying the criticism is a bias against these games that stems more from who is making and playing them than how they are monetized. Free-to-play and mobile games appeal to a different kind of player, many of whom are women and many of whom prefer different genres of games than multi-level action-oriented killing fests. It's not a coincidence that some of the few free-to-play games that have been praised by games journalists are League of Legends and World of Tanks.

The New Rules of Sales and Service David Meerman Scott 2016-06-14 The essential roadmap for the new realities of selling when buyers are in charge Sales and service are being radically redefined by the biggest communications revolution in human history. Today buyers are in charge! There is no more 'selling'—there is only buying. When potential customers have near perfect information on the web, it means salespeople must transform from authority to consultant, product narratives must tell a story, and businesses must be agile enough to respond before opportunity is lost. The New Rules of Sales and Service demystifies the new digital commercial landscape and shows you how to stay ahead of the pack. Companies large and small are revolutionizing the way business gets done, and this book takes you inside the new methods and strategies that are critical to success in the modern market. Real-world examples illustrate the new marketplace in action, and demonstrate the brilliant utility of taking a new look at your customer and your business. This new edition has been updated to reflect the current reality of this rapidly-evolving sphere, with fresh strategies, new tools, and new stories. Whether you're an independent contractor, a multi-national corporation, a start-up, or a nonprofit, this book is your essential guide to navigating the new digital marketplace. David Meerman Scott provides up-to-the-minute analysis of the current state of the digital commercial landscape, plus expert guidance toward the concepts, strategies, and tools that every business needs now. Among the topics covered in detail: Why the old rules of sales and service no longer work in an always-on world The new sales cycle and how informative Web content drives the buying process Providing agile, real-time sales and service 24/7 without letting it rule your life The importance of defining and understanding the buyer personas How agile customer service retains existing clients and expands new business Why content-rich websites motivate interest, establish authority, and drive sales How social media is transforming the role of salesperson into valued consultant Because

buyers are better informed, and come armed with more choices and opportunities than ever before, everything about sales has changed. Salespeople must adapt because the digital economy has turned the old model on its head, and those who don't keep up will be left behind. The New Rules of Sales and Service is required reading for anyone wanting to stay ahead of the game and grow business now.

doorstep. The Circle is caught in a power play and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish

A Path to Change Yesterday Nikhil Guru 2018-01-10 Everyone believes that the future is Utopia. Nothing goes wrong, peace is maintained and World War -III never happens. I can tell you first hand, that is false. Forget everything you ever knew about the future because it's never going to happen. The air is toxic and one whiff can kill you. We have nutrient injecting boxes that we use a substitute for food since a meal is too expensive. Forget water since you'll not find a drop of it. The earth is a barren waste land where only the largest cities have stepped up to survive. Under the protection of the Dome we hide from them, they who have lost humanity. All this made to be by one mistake, only one. But we have learned an important lesson: It is never too late to fix a mistake. This is my story of how it came to be, my story of how it's going to change. This is my path, A Path to Change Yesterday.

The Five Love Languages Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

The Shift Tinx 2023-05-23 The lifestyle creator, advice expert, and host of the It's Me, Tinx podcast shares her hilarious and (sometimes brutally) honest wisdom on how to shift your approach to life, step into your confidence, and enjoy the journey. It's time to get laser focused on what makes us feel happy and fulfilled. Lifestyle creator, advice expert, and podcast host Tinx wants to take your hand and guide you to a new way of thinking about life, love, happiness, and friendships—where dating evolves into era of self-discovery and not just a means to an end, sharing wisdom becomes a collective power, and chaos turns into a source of creativity. Making small but mighty shifts in thinking can be a tool for personal growth that fuels you instead of fatigues you. The point is to know

yourself, discover what you fulfill you, and have fun along the way. In *The Shift*, Tinx collects all her revolutionary theories and hilarious personal anecdotes in one place, presenting you with a guide to simple mindset shifts that will completely change the way you approach decision making and relationships. Through her own stories, from the good to the bad, Tinx will help you better understand how to step into your power and own self-worth. Some say you cannot love another before you learn to love yourself: Tinx will teach you how to do both at the same time. And she'll do it while making you laugh out loud. With her signature wit and candor, Tinx will teach you: -How to change your scarcity mindset -How to understand and employ her famous Box Theory dating concept -How to feed the things that fulfill you -How living well is the best revenge -How therapy can reframe struggles into strengths -How to break up with dignity -How knowing your worth makes you a better friend and partner

Date With Death Ruby Blaylock 2019-03-05 Love is in the air, but so is murder... The Country Acres Coven of Kensleigh Landing East is faced with the terrifying possibility that there is a serial killer in their small suburban town. The murderer seems to be targeting single women, especially those who have used a particular dating app. When Seneca teases Poe about her 'relationship' with Oliver, Poe does the only thing she can think of to prove that she's not interested in the nerdy wizard--she agrees to go on a blind date with someone via a dating app, unaware that a murderer could be using the very same app to pick his next victim. Meanwhile, Ellie's on Cloud Nine when her daughter's gorgeous math teacher asks her out on a date. She's thrilled at the prospect of being in a relationship again, but she's just not sure how she'll break the news to him that she's a witch. And was that a dating app that she just saw on his phone? Join the witches of the Country Acres coven as they look for love in all the most dangerous places...

The Wide World of Coding Jennifer Connor-Smith 2020-04-07 The best part about coding is that anyone with a computer can learn how to do it. From education to healthcare to entertainment, software touches almost every aspect of twenty-first century life. Take a high-level perspective on the types of people who create that software—including many jobs that do not involve writing code at all. Learn about the software development cycle and the huge variety of skills developers draw on, including psychology, mathematics, and art, to create amazing apps and programs. Explore why diversity is needed to prevent bias in design. Learn about the different coding languages and what they are used for, how developers choose a language, and tools that simplify coding. Jennifer Connor-Smith breaks down stereotypes about coding as a career that is open only to technology-obsessed gamers, revealing ways people use software to improve medical care, nurture dementia patients, promote social justice, and more. Hands-on activities show you how easy it is to learn to think like a coder. The next generation of coders will require diverse teams, creativity, and ethical codes of conduct to create the best and most successful software. Will you be one of them?

this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material'The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex)The 3-Step process to set standards that makes a man respect and WANT to complyThe Top 10 Places to meet men offline, and the simple OPEN mindset that gets hot guys talking to you anywhere, anytime (if that's what you want)The 7 Modern Dating Habits you can use in 2020 to swing the dating pendulum in your favour

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
