David Eliot's future seemed secure with his engagement to Marly Tranter, the daughter of the incredibly rich and powerful Sir Bertram

Tranter. As an architect, David seemed to fit right in with the family, even if it included a golden collar. But the mission on which Sir Bertram sent David and Marly to Portugal created havoc in everyone's plans, including the preposterous Mr. Easter, the eccentric Lady Pearling, and Teresa, Senhora Silva's delightful and beautiful niece. What David finds out when he gets there, changes his perspective on his life and future. This book offers a fresh and interesting blend of romance and good humor, with a strong feeling of the way of life of Portugal before tourism invaded and changed the country forever.

Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller  
2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
