Troubling Nationhood in U.S. Latina Literature Maya Socolovsky 2013-06-26 This book examines the ways in which recent U.S. Latina literature challenges popular definitions of nationhood and national identity. It explores a group of feminist texts that are representative of the U.S. Latina literary boom of the 1980s, 1990s, and 2000s, when an emerging group of writers gained prominence in mainstream and academic circles. Through close readings of select contemporary Mexican American, Puerto Rican, and Cuban American works, Maya Socolovsky argues that these narratives are "remapping" the United States so that it is fully integrated within a larger, hemispheric Americas. Looking at such concerns as nation, place, trauma, and storytelling, writers Denise Chavez, Sandra Cisneros, Esmeralda Santiago, Ana Castillo, Himilce Novas, and Judith Ortiz Cofer challenge popular views of Latino cultural "unbelonging" and make strong cases for the legitimate presence of Latinas/os within the United States. In this way, they also counter much of today's anti-immigration rhetoric. Imagining the U.S. as part of a broader "Americas," these writings trouble imperialist notions of nationhood, in which political borders and a long history of intervention and colonization beyond those borders have come to shape and determine the dominant culture's writing and the defining of all Latinos as "other" to the nation.

Black Inspiration Agatha Bailey 2017-02-10 Black inspiration is expression. It is the up-in-your-face experience that will leave an impression, which is the authors intent. The book speaks candidly on matters universal from a biblical perspective, such as face forward to the secular world, freedom of speech. It is thought provoking the voice of the oppressed, the hope for peace. It is black woman or the embracing of self! Passion, love, truth spirituality, and harsh criticism all come together to make for a good read. Spoken with the intent to inspire, to acknowledge, to interrogate, and to bring healing, it states that my past aint got nothing on me. To God be the glory. Irrelevant of who may be caught in the spotlight, Black Inspiration will not be held responsible for any guilty conscience that might be pricked. Be Inspired. Be Blessed.

Secret Love Brandon McYntire 2023-01-10 When I first saw Aneta, I was enchanted by her beauty. I would never have believed that at some point in my life I would meet someone like her. That such a woman would even notice me and that I would be interested in her. But it all started on the day she came to me a few years ago with a black hat in her hand and asked if I would contribute to the graduation ceremony. My secret love found me alone after 14 years, and I didn't resist her presence at all. Rather the other way around. I loved her too much to let her go and be able to forget her. But in our case, you can't forget the moment we spent together. It is very difficult to distinguish what is infidelity and what is pure love. Or are there circumstances in which an excuse for infidelity itself can be found?

Challenges for Language Education and Policy Bernard Spolsky 2014-09-15 Addressing a wide range of issues in applied linguistics, sociolinguistics, and multilingualism, this volume focuses on language users, the 'people.' Making creative connections between existing scholarship in language policy and contemporary theory and research in other social sciences, authors from around the world offer new critical perspectives for analyzing language phenomena and language theories, suggesting new meeting points among language users and language policy makers, norms, and traditions in diverse cultural, geographical, and historical contexts. Identifying and expanding on previously neglected aspects of language studies, the book is inspired by the work of Elana Shohamy, whose critical view and innovative work on a broad spectrum of key topics in applied linguistics has influenced many scholars in the field to think "out of the box" and to reconsider some basic commonly held understandings, specifically with regard to the impact of language and languaging on individual language users rather than on the masses.

The Shadow Self in Film Gershon Reiter 2014-01-23 This book examines 13 movies that deal with the protagonist and his projected "other." The cinematic Other is interpreted as an unconscious personality, a denied part of the protagonist that appears in his life as a shadowy menace who won't go away. Devoting a chapter to each movie, the book starts with Mamoulian's Dr. Jekyll and Mr. Hyde and three cinematic pairs: two Hitchcock films, Shadow of a Doubt and Strangers on a Train; two versions of Cape Fear, J. Lee Thompson's 1962 original and Martin Scorsese's 1991 remake; and a pair of Clint Eastwood films, In the Line of Fire and Blood Work. The book then examines Something Wild, Sea of Love, Fight Club, Desperately Seeking Susan, Apocalypse Now and The Lives of Others. Overall the book aims to show how movies envision the unconscious Other we all too often project on other people.

The American Presence in Ulster Francis M. Carroll 2005-12 Alex Voorman, a cerebral thirty-year-old archaeologist, is married to the woman of his dreams -- a beautiful, ambitious botanist named Isabel. When Isabel is killed by a reckless driver, Alex reluctantly consents to donate her heart. Janet Corcoran, a young, headstrong mother of two and an art teacher at an inner-city school in Chicago, is sick with heart disease. She is on the waiting list for a transplant, but her chances are slim. She watches the Weather Channel, secretly praying for foul weather and car accidents. The day Isabel dies, Janet gets her wish. Flash forward a year. Janet sends Alex a letter. She'd like to learn something about the woman who saved her life. But Alex isn't interested in talking to the recipient of his dead wife's heart. Since Isabel's accident, he's still grief-stricken. Meanwhile, a local blues musician named Jasper, the man responsible for Isabel's death, attempts to atone for his misdeed. Irreplaceable is the story of what happens after the transplant -- not only to Alex but within the concentric circles of family that spiral outward from him and from Janet. Stephen Lovely takes us vividly inside the lives of these characters to reveal their true intentions -- however misguided -- and gives us a stunning debut novel of loss and love.

The Long Field Pamela Petro 2023-08-15 For readers of *H Is for Hawk*, an intimate memoir of belonging and loss and a mesmerizing travelogue through the landscapes and language of Wales Hiraeth is a Welsh word that's famously hard to translate. Literally, it can mean "long field" but generally translates into English, inadequately, as "homesickness." At heart, hiraeth suggests something like a bone-deep longing for an irretrievable place, person, or time—an acute awareness of the presence of absence. In *The Long Field*, Pamela Petro braids essential hiraeth stories of Wales with tales from her own life—as an American who found an ancient home in Wales, as a gay woman, as the survivor of a terrible AMTRAK train crash, and

as the daughter of a parent with dementia. Through the pull and tangle of these stories and her travels throughout Wales, hiraeth takes on radical new meanings. There is traditional hiraeth of place and home, but also queer hiraeth; and hiraeth triggered by technology, immigration, ecological crises, and our new divisive politics. On this journey, the notion begins to morph from a uniquely Welsh experience to a universal human condition, from deep longing to the creative responses to loss that Petro sees as the genius of Welsh culture. It becomes a tool to understand ourselves in our time. A finalist for the Wales Book of the Year Award and named to the Telegraph's and Financial Times's Top 10 lists for travel writing, *The Long Field* is an unforgettable exploration of "the hidden contours of the human heart."

Two significant aspects that often capture our attention are sports and religion. While both hold different significance, it is interesting to observe the contrasting behaviors exhibited towards them. 'Take Me Out To The Crowd' explores the phenomenon of prioritizing sports over religious commitments, especially on Sundays, and the consequences it may have for individuals.

The Breaking Gabriel Jacob Israel 2015-11-03 There's an old saying: "Learn from other people's mistakes. Life is too short to make them all yourself." Gabriel Jacob Israel tried to make them all herself. Thankfully—she failed. Neither her sordid childhood nor her troubled teens nor her misguided twenties could stop an almighty God from making sure this once-wayward girl failed every attempt to do bad all by herself. A journey through the raw, real, and oftentimes graphic events of Gabriel's life, *The Breaking* is the true story of a love that blooms between a young woman and the God who refused to give her up without a fight. You will discover, like Gabriel did, that despite your past, God is well able to set your best days in front of you.

Hospitality and Treachery in Western Literature James A. W. Heffernan 2014-05-27 In works of Western literature ranging from Homer's *Odyssey* to Albee's *Who's Afraid of Virginia Woolf?* the giving and taking of hospitality is sometimes pleasurable, but more often perilous. Heffernan traces this leitmotiv through the history of our greatest writings, including Christ's Last Supper, Macbeth's murder of his royal guest, and Camus's short story on French colonialism in Arab Algeria. By means of such examples and many more, this book considers what literary hosts, hostesses, and guests do to as well as for each other. In doing so, it shows how often treachery rends the fabric of trust that hospitality weaves.
