A Nice Girl Like Me - Rosie Boycott 2009-05-05

Rosie Boycott wasn't a typical 1960's Cheltenham Ladies College girl. By the age of 21 she had co-founded the feminist magazine Spare Rib and

the feminist publishing house Virago, whilst experimenting with drugs, sex and booze. But she wanted more: more experience, more travel, more passion. An epic motorcycle trip through Asia with her boyfriend John Steinbeck Jr. ended in a Thai jail. But drugs weren't her real problem. Alcohol was. Drinking seemed to defeat the demons in her psyche - until it became clear that drinking was her biggest demon of all. How had a nice country girl turned into a drunk? Now a well-known journalist, ex-newspaper editor and chairman of the London Food Board, Rosie made it from the top to the bottom and back again. In this account of her life, she never shirks from the truth about herself - and in her honesty she gives hope to other women with addictions, addressing the hellish predicament of the alcoholic woman with passion and candour.

No More Mr Nice Guy - Robert A. Glover 2022-02-18

Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

I'm Your Girl - J.J. Murray 2010-03-01

For public library clerk Diane Anderson, reading romance novels and living vicariously is far easier than attracting a flesh-and-blood man of her own. It seems she's too voluptuous in the wrong places to attract the kind of black man her mama requires as a son-in-law. . . and just exotic enough to attract the kind of white man Mama forbids. But there's something about that lost-looking guy who comes into the library one afternoon. And when he reveals that Diane is his muse, well, she can't help being intrigued. . . After months spent mourning a personal tragedy, novelist Jack Browning is struggling to get back to work. Under pressure to write his second novel, Jack hits the library for ideas. The clerk who helps him is smart, sassy--and curvy in all the right places. He finds himself thinking of Diane as he creates the heroine of his book. And soon, she's knocking down the wall he'd built around himself, becoming the inspiration for his art. . . and maybe even for his life. . . "Murray writes a gentle romance about cultural differences and deep commonalities in a unique tale about white-black relationships." --Booklist

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your

physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
