2020-07-17

This fun Journal/notebook will get you motivated first thing every day. The cover makes a strong statement and is a great affirmation/mantra to repeat daily. Designed to inspire with quotes from successful women throughout various industries at the top of each page. Let the messages speak to you. Let them inspire you to do great

things in the world, and never forget to have fun. This Kick-Ass Journal for Women has 128-lined pages and the exterior is softcover paperback. It's a perfect size to carry with you anywhere. A great gift for yourself or for the women in your life. The Future Is Female!!!

You've Fucking Got This! a Habit Tracking Journal for Kick-Ass Women - Positively Notebooks 2018-12-11

*Downloaded from
legacy.opendemocracy.net
on 2022-03-20 by guest*

This deluxe habit tracker is just what you need to start the New Year on the right track. Now you can keep track of up to 20 new habits (or get rid of old habits) each month with this habit tracking journal. Just write down the habit in the left-hand column and mark-off the days that you got it done. It's that simple. You can track each habit for 30 days, and if you need more time, just restart the habit again next month. Features 30 pages (15-months) worth of habit tracking. Motivational text on cover is repeated throughout journal. Makes a great gift for that awesome kick-ass woman in your life. Includes bonus Notes pages.

The Ultimate Woman - Ashley Kristen 2015-06-16

"I am a successful businesswoman. I go to work and kick some ass. I go home to a loving family. I am happy with my personal life. I spend time with friends and loved ones. I find adventure when I need to spice things up a bit. My life is exactly what I've always wanted." Does that

describe your life? Probably not, right? Otherwise, why would you be reading this book right now? To be fair, I can't say that this describes my life 100% of the time either. However, I can honestly say that I get an overwhelming sense of pride and satisfaction out of my life and that I repeat that paragraph (and mean it!) at least once a week. Do you want to get to that point in your life too? It's not an inaccessible goal - however it is a difficult one. If you are willing to put in the time and effort to make your professional and personal life better, then this is the book for you. If you put your faith in this book, you will learn to: * Gain better control over your professional life and learn how to make smart goals that you can reach consistently, * Grasp the goals in your personal life and better manage your home, * Build stronger relationships at home and at work, * Get more control over your body, which will help all aspects of your life, and * Never be bored! You'll find out quickly that I

don't believe in boredom. If you are bored, it just means that you're stagnant and the quick fix to that is to get up and try something new. Afraid of new things? Don't be. Fear of the unknown is natural but a sense of adventure and the openness to try new things are important - especially for a successful businesswomen!

Kick-Ass Corporate Wife - Susan Burlingame 2017-02-11
Susan Burlingame shares unique insights and encouragement in your role as a 21st century Corporate Wife so that you can create more peace, freedom, purpose, and fulfillment in your life. As you put the principles found in the pages of this book to work, you will begin to discover the most important thing about your role as a Corporate Wife: your exploration of character. KICK-ASS CORPORATE WIFE offers a simple yet life-changing 5-step strategy that leads you to your version of success in your unique role. You'll discover the top 10 "secrets" to apply to your marriage so that you can expand the better, best, most

excellent traits of who you already are. There is more. Become more. YOU are more! You've got what it takes to be a Kick-Ass Corporate Wife-let Susan help you get there!
Julia Child Rules - Karen Karbo
2013-09-27

Many of us have dog-eared copies of *Mastering the Art of French Cooking* in our kitchens or fondly remember watching episodes of *The French Chef*, but what was behind the enormous appeal of this ungainly, unlikely woman, who became a superstar in midlife and changed our approach to food and cooking forever? In the spirit of *The Gospel According to Coco Chanel* and *How Georgia Became O'Keeffe*, *Julia Child Rules* dissects the life of the sunny, unpretentious chef, author, cooking show star, and bon vivant, with an eye towards learning how we, too, can savor life. With her characteristic wit and flair, Karen Karbo takes us for a spin through Julia's life: from her idyllic childhood in California to her confusing young adulthood in New York; her

Downloaded from
legacy.opendemocracy.net
on 2022-03-20 by guest

years working for the OSS in Sri Lanka; her world class love affairs with Paris and Paul Child; and her decades as America's beloved French chef. Karbo weaves in her own personal experiences and stops for important life lessons along the way: how to live by your whims, make the world your oyster, live happily married, work hard, and enjoy a life of full immersion. It celebrates Julia's indomitable spirit and irrepressible joy, giving readers a taste of what it means to master the art of living.

Woman Up! In the workplace. Kick ass. Take names. Thank me later! - Fallon Raquel

Girl Up - Laura Bates
2017-07-11

"They told you that you need to be thin and beautiful. They told you to wear longer skirts, avoid going out late at night, and move in groups. Wear shoes you can run in more easily than heels. Dress to flatter your apple, pear, hourglass figure, but don't look like a slut. They said if you're strong or opinionated, you'll be shrill, bossy, a ballbreaker. They said 'That's not for girls,' 'Take it as a compliment,' 'Don't rock the

boat.' They told you 'Beauty is on the inside,' but you knew they didn't really mean it. Well screw that. I'm here to tell you something else. Everyday Sexism Project founder Laura Bates mocks the ludicrous pressures and stereotypes faced by young women today. Hilarious, bold, and unapologetic, *Girl Up* sets the record straight."--Back cover. *Reckless* - Gloria Mattioni 2005 Recounts the stories of nine women who made unconventional choices in order to bring about remarkable life achievements, including World Series of Poker Tournament champion Annie Duke, Iditarod winner Libby Riddles, and Playboy model-turned-marine life advocate Lisa Distefano. Original. *Kick-Ass Corporate Wife* - Susan Burlingame 2016-10-01 The 21st century Corporate Wife role is not some stodgy, old-fashioned appendage position. This traditional role that may seem dead in its tracks has been resurrected. It is quite different than it used to be: the role of the Kick-Ass

Corporate Wife is neither all about her husband nor all about her husband calling all the shots. It is about the woman behind the scenes of every shot. It is about the woman who isn't in the spotlight. This woman who isn't grandstanding to be in the spotlight is not merely a character as depicted in a reality television series. She is someone WITH character. And there lies the distinction. When you start from a place of nothing much at all, when you're bored, frustrated, and feeling like an appendage, you have to be laser-focused on the vision of where you'd rather be in this role-succeeding at it! The more you need to succeed, the more likely you will. The more emotional and personal investment in your marriage-the more you'll get back, and become, in return. There is great power in being a Corporate Wife-when you have a fire inside, a willingness to do whatever it takes to succeed in your life. Maybe you don't see yourself as a Corporate Wife or maybe you aren't a Corporate

Wife-or even a wife! Consider the possibility that you can relate to and grow from this book's exploration of character. There IS more. . . BECOME more. . . YOU are more! Let's learn how to show that to the world together!
See Sally Kick Ass - Fred Vogt 2007

Provides over 650 safety suggestions to incorporate into everyday life and includes tips for at home, in the car, shopping, traveling, keeping children safe, and preventing identity theft.

Kickass Plays for Women -
 Jane Shepard 2005-11

Four remarkable short plays for women by award-winning playwright Jane Shepard. All successfully produced in New York, here are two-character pieces that give actresses the chance to shine, in funny, edgy, and sometimes darkly profound works. Plays include comedy and drama, on feminist themes, as well as issues of survivorship, loss, gender orientation, dating, and imagination.

Hustle with Style! - Camilla

Kristiansen 2020-05-05

Buy That House - Caroline Jean-Baptiste 2019-09-10

Welcome to Buy That House: How kickass women make it happen. This is where the secret of harnessing all your kickass powers to get a loan and buy a property meets the growing demand for simple, practical advice for kickass women wishing to take the incredible step toward securing their future and becoming financially resilient. While there are books on the process of buying your first home, they lack clear instructions on the financial behaviours and attitudes that must be in place before signing the contract. They also miss the information required on how to manage life

Downloaded from
legacy.opendemocracy.net
 on 2022-03-20 by guest

financially once you have that mortgage. In today's environment there is a lot of talk about the lack of affordability for homebuyers. It can be discouraging and easy to write off owning a home when you're in your 20s or 30s. Many of us start out being a bit shit with money - I know I did. But turning this around is a game changer. Becoming an empowered, kickass, financially secure, home-owning woman is the goal. Because kickass women are awesome! Taking control of your spending, getting rid of debt, and owning a home - or three - is what I want for every woman! Maybe you need some strategies and motivation to change your money habits. Maybe you went through a rough patch, weren't prepared enough, and ended up not able to repay a debt. Maybe you had an unsuccessful business; maybe you just got ahead with your savings. You might have had an overspending issue and credit card debt that never seems to go away. It's only a matter of changing a few habits and

you'll move from being a bit shit with money (like I was) to having enough of a buffer to cover for emergencies and, miraculously, you'll be able to live without a credit card like I do. Now that's a serious transformation! Let me help make that happen. Caroline Jean-Baptiste
[Fuck Perfect - be Yourself!](#) - Camilla Kristiansen 2019-11-18
This book is for you that are over being perfect. You just want to be yourself and make money doing what you love. Don't be a copycat, be an original. In this book I will show you how to be yourself in any way you can, how you can live a happy life and get over the feeling that you are not good enough. This book will change your life and how you feel about yourself. Want to feel great? Then this book is for you!

Think Your Way to Money and Success! - Camilla Kristiansen 2019-11-27

This book is for the kick-ass woman who want it all and knows that a killer mindset makes her \$\$\$ in the bank.

*Downloaded from

52 Ways to Live a Kick-Ass Life

- Andrea Owen 2013-11-01

A much-needed kick in the ass for women everywhere! Like many women, Andrea Owen always lived life on the sidelines, watching each day pass by without ever catching a glimpse of the happiness she yearned for--until the day she had enough. She realized that she had to take action and step out of the box she had created for herself if she really wanted the best life possible. And now, as a celebrated life coach, she shows thousands of women how to take the reins, create an actionable plan for their goals, and finally reach their full potential. In this powerful book, Owen guides you through her acclaimed strategies for creating a more fulfilling life. Each goal-orientated lesson empowers you to take control of the barriers that keep you from achieving the love and

success you desire. From breaking the unrewarding cycle of people pleasing to dealing with unsupportive friends, this book approaches the problems you face with a candid look at why you aren't satisfied--and how to fix it. Owen's life-changing wisdom helps you uncover your self-limiting beliefs as well as push you out of your comfort zone by zeroing in on the most difficult issues. Never one to sugarcoat the truth, she holds you accountable for your actions while offering expert advice for knocking down that cynical inner-voice and loving yourself wholeheartedly. With 52 Ways to Live a Kick-Ass Life, you will shut off your internal auto-pilot; kick empty expectations to the curb; and live a bigger, gutsier life.

Kick-Ass Life - Neil

Whitherspoon 2021-07-24

Modern Witchcraft - Deborah Blake 2020-07-07

Deborah Blake's *Modern Witchcraft* is a guidebook to witchcraft as a female-empowering religion, including detailed instructions on how to practice self-care in today's society through goddess worship and magic. In a time when most formal religions are on the wane, Wicca is said to be the fastest growing religion in North America. What is it that draws people to

Witchcraft, and how does a spiritual path with its roots in ancient beliefs and traditions transform itself into a practice that resonates so deeply with today's modern woman? There are a number of explanations for the phenomenon, such as Witchcraft's connection to the natural world, or acceptance of members regardless of lifestyle choices. For women, however, the greatest appeal may be the worship of a goddess (or goddesses). No stern patriarchal God here. Instead, Wicca and most other forms of modern Witchcraft embrace deity in both the feminine and the masculine. Suddenly, women can look at the divine and see themselves reflected back. In addition, many women are frustrated, frightened, triggered, and down-right furious with the current social and political environment, but feel powerless to create positive change. Witchcraft can give them a sense of personal empowerment. There are many different Witchcraft paths and a multitude of approaches to its practice. This book will guide

the reader on the journey to connecting with the feminine divine both without and within, and open the door to this magical religion that will enlighten, uplift, and energize their lives.

[Actually, I Can/ a Kick-Ass Woman's Journal](#) - christmas women 2021-12-17

Actually I Can Journal is the perfect gift for any loved one who is discovering their creative side through journaling. It is filled with helpful prompts and encouragement to encourage the reader to fully explore their thoughts, feelings, and dreams.

[Kick Ass Red Lipstick](#) - Cat Cantrill 2016-01-11

Kick Ass Red Lipstick is a society of rebellious women

who throw off the shackles of obedience to redefine what it means to self-invest, self-love, and to create something positive. This culture comes together under the battle flag of red lipstick, redefining what it means: we do it for us, to make us feel beautiful, to break our pattern of living for everyone else. This book invites you to walk through a five step process, which takes you from the simple act of putting on lipstick, to inspiring you to create and accomplish things you never imagined possible. All of this is done with a tribe of women supporting you every step of the way. Kick Ass Red Lipstick is a group of empowered women who are out to change the world, one set of lips at a time.
