celebrity style twin, you can count on The All-New Teen Quiz Book to help find your true self, in the most fun way. [Chicken Soup for the Teenage Soul: The Real Deal Friends](#) - Jack Canfield 2012-10-09 Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis...unless they are the crisis. So What's the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or betray your trust, or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what

the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice and quizzes designed to help you figure out what you and your friends are all about, and you've got the real deal on friendship!
