### **Wild Girls, Wild Nights -**

Sacchi Green 2013-05-20

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the

occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had

a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came.” She’d found, of course, “The Daddy I Didn’t Know I Needed.” Anna Watson, in “Tamago,” gives a poignant and sizzling view of being a lesbian femme who loves butches. “I know being femme is what makes the breath blow out of me when she calls and says, ‘Babe, I just wanted you to know that I was driving along here, thinking about your breasts.’” Reality doesn’t have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, *Wild Girls, Wild Nights: True Lesbian Sex Stories* is the proof of that.

*Sex in the Ancient World from A to Z* - John Younger  
2004-10-07

In this fascinating and revealing A-to-Z, John G. Younger examines the sexual practices, expressions and attitudes of the Greeks and Romans, from Catullus and

Caligula, to orgies and obscenity, and from abstinence and incest, to pederasty and prostitution. The book opens with an overview of current thinking on ancient sex and sexuality, and goes on to provide an extraordinarily wide coverage of a sexual culture so very different from our own, approaching the subject from the perspectives of literature, history, archaeology and art. Comprehensive, reliable and eye-opening, this A-to-Z illuminates an important aspect of the classical world. For those who want to take their reading further, there are numerous references to ancient sources and modern scholarship, as well as a separate section of works of art. This is an ideal introduction to and exploration of sex in the ancient world for readers at every level.

Chi movements from China. Thousands have used these simple exercises to build a connection with their mate that recalls - or surpasses - first love. *Tantric Sex for Busy Couples* provides readers with a dynamically new and practical approach to creating intimacy on all levels - sexual, emotional and spiritual. Blending the ancient teachings of Tantra from India, and the peaceful exercise program of T'ai Chi from China, couples discover how to create magic in their relationship. Woven throughout the easy instructions are the personal experiences of the author and her husband. Although the emphasis is on intimacy rather than orgasm, the sexual practices are designed to provide plenty of both. The basic exercises presented in the book include "Solo Stillness," "Connected Pose" and the "Tantra TaiChi Trilogy." Solo Stillness highlights the idea that when we each embrace our inner self, we are more able to be truly present in a relationship.

Connected Pose invites the couple to simply be with each other, face-to-face, heart-to-heart, eyes open. This establishes the foundation for intimate connection. The *Tantra TaiChi Trilogy* focuses on three primary centers in the body - both metaphorically and physically--the Sex Center (below the waist), the Heart Center (above the waist) and the more elusive "Bindi" or spiritual center represented by the third eye and upper "chakras." Each of these centers interacts with and influences the others. Sexual energy is moved throughout the body, rather than being concentrated in the genitals. The foundational exercises of *Tantra TaiChi* are preparation for the sexual practices described in the book. These include yin and yang ceremonies of sexual massage for the woman and the man, as well as "Peaceful Passion" --a sexual union that requires neither a high sex drive nor a Viagra-inspired erection. Throughout all of the practices, readers are encouraged to

book, the acclaimed author of *Myths of Gender* argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.

Women Loving Women - Jamey Waxman 2007-04-01

Women Loving Women explores the phenomenon of

the contemporary "bi-sexual" or "lesbian" experience for the heterosexual woman. However, while women loving women is indeed an emerging trend, it is also an age-old obsession that this book also addresses and places in a historical perspective. The book investigates the reasons modern women are more open to same-sex encounters, how these experiences can connect people and help them grow, and how regardless of one's sexual orientation, there is much to learn here about the nature of love, sex, and physical attraction and its unconscious determinants. In addition, Women Loving Women also responds to how these same-sex encounters are less apt to create conflict in their heterosexual relationships, and actually might spice things up with their male partner (many men fantasize about same-sex women relationships), break the ice with a best friend, or simply add a new dimension to their sexual history. Women Loving Women features

sophisticated photographs that will capture the warm and enlightening approach of exploring erotic possibilities with other women, even when you don't identify yourself as a bisexual or lesbian.

Testimonials from heterosexual women who have experienced same-sex romantic encounters will be featured throughout.

Sidebar will also feature quotations from women-who-have-loved-women throughout history, such as Virginia Woolf, Simone de Beauvoir, Anais Nin, and Eleanor Roosevelt, amongst others. The photographs, shot on location in New Hampshire, tell a story of three beautiful women who leave their
