Sextrology - Stella Starsky 2007

We've all done it: glanced casually at the horoscope pages, secretly hoping the stars will forecast our fame and fortune. Yet the zodiac can tell us far more than this, revealing even our most intimate secrets. Sextrology is a highly intelligent and enlightening guide to sex and the sexes using a wholly original astrological philosophy. In frank, sophisticated and uninhibited language, the authors profile each gender's zodiac sign and uncover the naked truth behind the make-up of each one. Sextrology will help you better comprehend your and others' sexual character, improve your understanding of relationship roles and find out what to expect from the special person in your life. From fantasies to favourite positions, erogenous zones to emotional needs, Starsky and Cox leave no stone unturned in their titillating examination that will once again have people asking, 'what's your sign?'

Sun Signs for Lovers - Judy Hall 2004-09

Everyone is interested in love and relationships. People want to understand why they are attracted to some people and turned off by others; and whether their sexual style, expectations, and relationship goals are compatible with those of their current or potential lover or partner. This fun and helpful guide shows us how understanding sun signs can enhance our relationships. Sun signs can tell us whether a lover is passionate or romantic, faithful or flirtatious. Is he/she looking for sex or friendship, fidelity or freedom? Is he/she the one for me? Are we suited? Which signs attract and which repel? What is his/her sexual style, favorite fantasy, or turn-on? What can help lovers stay together, and how will break-ups happen? Linda Goodman's Love Signs and Liz Greene's Relating have been in print for thirty years. The market is ready for an insightful new book reflecting our more forthright approach to love and sexuality.

Love, Sex and Astrology - Teri King 1994-01-01

Love, Sex and Astrology explains the basic characteristics associated with each sign of the zodiac. For each sign there is a quiz that will enable you to check your responses and attitudes against those of a possible partner. This bestselling book also tells you how you can expect to get along with other people, using star signs as a guide. All aspects of love and sex are explored, as is every possible astrological relationship between men and women.

Love Match - Stella Andromeda 2020-04-07

Love Match is the ultimate guide to love and dating by the stars. • Which signs are you compatible with? • How do you win over a Scorpio? • What mini-break should you book with your Virgo? • What happens when an Aries cheats? • What colors should you wear on a first date with a Libra? • What pet should you buy with a Leo? • What is Cancer like to live with? From the same author of the beautiful Seeing Stars series, this is a bright and gifty manual for zodiac-obsessed millennials trying to navigate the ups and downs of love. Inclusive and queer-friendly, it's not afraid of sex and the short-term adventures of the single life, but also covers all phases of a relationship, from flirtation to co-habitation and long-term loving. With bright and poppy full-color illustrations throughout, a fun, accessible style, and hardworking content, this book will guide you in all your heart's desires.

More Love, Sex and Astrology - Teri King 1986-01

Person-to-Person Astrology - Stephen Arroyo 2011-06-21

Using a new language of energy based on the ancient “four elements” and in harmony with that used by the more advanced healing arts, renowned author Stephen Arroyo here explores how astrology as a language of energy can be astoundingly accurate and useful in illuminating individuals’ energy exchange in all close relationships. The preface, author’s note, introduction, and early chapters of Person-to-Person Astrology lay

the groundwork for serious consideration of astrology as a significant discipline. The following chapters detail the influence of the four elements—Fire, Earth, Water, Air—on the 12 signs, with a particular emphasis on the rising sign (Ascendant). The author shows readers how to experiment by comparing birth charts, and explains, through detailed descriptions, people’s psychological motivations and needs based on the positions of their Moon, Venus, and Mars. Appendices include astrological definitions, keywords, and sign tables that allow readers quick access to the basics. Written in the author’s trademark clear, accessible style, Person-to-Person Astrology presents a new approach to finding fulfillment in any kind of relationship.
