It reminded me that every day of life can be lived well' Dru J 'This is so lovely! I have cried as I read it. I think this book should be

love with this book. The writing was good enough to make me forget I had a phone, put it that way' Aisling Bea 'Out of Love will fill the gap that Normal People left in our heart . . . Trust us, this is the book of the summer' Evoke 'Wise, compelling and beautifully written' Daily Mail 'What a book . . . Hayes references Nora Ephron throughout and she's a pretty good successor judging from this debut' Stylist A novel for anyone who has loved and lost, and lived to tell the tale. As a young woman packs up her ex-boyfriend's belongings and prepares to see him one last time, she wonders where it all went wrong, and whether it was ever right to begin with. Burdened with a broken heart, she asks herself the age-old question . . . is love really worth it? Out of Love is a bittersweet romance told in reverse. Beginning at the end of a relationship, each chapter takes us further back in time, weaving together an already unravelled tapestry, from tragic break-up to magical first kiss. In this dazzling debut Hazel

Hayes performs a post-mortem on love, tenderly but unapologetically exploring every angle, from the heights of joy to the depths of grief, and all the madness and mundanity in between. This is a modern story with the heart of a classic: truthful, tragic and ultimately full of hope.

From Crimea with Love - Jason Salkey 2021-07

In the summer of 1992, Jason Salkey was cast in a role that would change his life forever.

Sharpe's Rifles, a Napoleonic war drama, was to be shot in the Crimean Peninsula. Little did the producers know that they would be sending Jason and the crew to film in a rapidly disintegrating Soviet Union. There they faced near-starvation and danger around every corner as they set about creating one of Britain's most successful and critically acclaimed television shows. *From Crimea with Love* documents the mishaps, blunders, incompetence and downright corruption that made Sharpe's Rifles go down in British television folklore for its unique tales of hardship. Follow the cast through intense deprivation and constant catastrophe until they become every bit the jaded, battle-hardened soldiers we saw on screen. Tapping into his diaries, photo journals and video log, Jason

brings you an eye-opening, jaw-dropping insider's account of one of the best-loved shows ever made.
