The Last Christmas Cowboy - Maisey Yates 2020-12-01

The Last Christmas Cowboy Will this brooding Gold Valley cowboy find redemption this Christmas? Cowgirl Rose Daniels is determined to play matchmaker to ensure her beloved sister will meet someone under the mistletoe. She enlists the reluctant help of family friend Logan Heath, but his insistence that she doesn’t understand chemistry is exasperating. Until they share one electrifying moment that shows her exactly what chemistry is all about, and it becomes outrageously, irresistibly intriguing... Logan hates the holidays. They are a painful reminder of the family he lost and a time of year he always wants to spend on his own. But Rose refuses to let him. Logan’s worked for years to keep his attraction to her under wraps — she’s his best friend’s youngest sister and she couldn’t be more off-limits. He’s the last cowboy that innocent Rose should ever kiss, but this Christmas, maybe Logan will become the only cowboy she’ll ever want. *Cowboy Christmas Blues* He didn’t want to come home for the holidays — but can an unexpected reunion with a woman from his past make this cowboy’s Christmas merry and bright in this sweet and sizzling novella? When Cooper Mason left Gold Valley, Oregon behind him eight years ago, he told himself he wouldn’t be back. But when a Christmas promise sends him home to face his demons, he’ll find that not everything is as he remembers — especially family friend Annabelle Preston, who’s somehow morphed from childhood pest to full-grown, hot-blooded and oh-so-tempting woman. Growing up, Annabelle had built a lot of dreams around the ruggedly gorgeous Cooper — dreams she’s long ago learned to put behind her. Until a chance encounter with Cooper leads to a night neither can forget, and all the old feelings come blazing back to life. Now, Annabelle has a week to prove there’s more between them than a no-strings holiday fling...and with a little Christmas luck, she just might convince Gold Valley’s favourite cowboy to come home for good.

Sensory Limits - Zoe Mullins 2017-09-19

& ‘Yes or No?’ by Ashe Barker Be careful what you wish for... There’s no harm in just filling in the form, is there? It’s only a bit of harmless escapism, a sexy fantasy. The advert is tempting, though. A strictly vicarious lover of the BDSM lifestyle, Martha never really means to hit Send. A couple of forays into spanking and a spot of lackluster bondage haven’t quite managed to ignite her curiosity about the dark art of submission, but they haven’t entirely extinguished it, either. It’s there, gnawing away at the back of her mind—a dream of what could be, if only... Martha craves sensation. She yearns for intensity, for a touch to make her skin tingle and her nerve-endings sizzle, a caress to make her scream and demand her surrender. And that’s the problem. She’s a cautious soul and no pain slut. She’s not about to hand herself over to some ham-fisted Dom and trust to luck again. So when she learns she is one of the winners who is to be offered the chance to play out the scene from her kinky imaginings to the letter, she can’t believe it. The only condition? The organizers reserve the right to select the Dom, one skilled in the specifics of Martha’s personal fantasy, and the scene must be played out in public. Yes or No? & ‘Cruise Control’ by Elizabeth Coldwell If she does everything he demands, this will be a vacation to remember. Lily Jameson has always hated the idea of going on a cruise. As far as she’s concerned, they’re something you do when you’ve retired. So when her husband Daniel surprises her with tickets for a cruise down the River Seine, she isn’t impressed. What she doesn’t realize is that he’s planned the trip as an opportunity for them to act out their Dom/sub relationship in a semi-public setting, and he’s going to control every aspect of the cruise, from the clothes she packs to their activities on board. As the three-day holiday progresses, Daniel’s BDSM sessions grow ever more inventive. With the help of improvised toys, he engages her in sensation play and introduces her to sex in the open air. What he has in mind for the final night of the holiday will test her to her limits, but can he open her eyes to the hidden pleasures of cruising? & ‘Just You and Me’ by Wendi Zwaduk What’s a girl to do when she’s not ready to leave the single life, but the right man has come along with a collar? Ryder Lucas didn’t come to Exposed looking for a sub. He joined his best friend’s club to demonstrate fetishes and enjoy the single life. Then he sees Cat and uses her for a scene. She’s everything he’s ever wanted in a sub and a woman. He won’t rest until the blonde bombshell is his. Catharina & ‘Cat’ McLean doesn’t want a permanent Master. She’s happy taking part in the occasional scene but won’t be

collared. She’d rather be in control of her life. When Ryder asks her to be a part of a scene with him, she sees no reason to refuse. He’s tall, dark, handsome, and she can’t resist him. He knows how to play with her fetishes—wax, ice and bondage—but is she willing to submit to him on a full-time basis? Who knew finding a heart’s desire would be this all-consuming? & ‘His Lucky Day’ by Tori Carson KT thought a quick romp in the forest with Stephen would vanquish him from her dreams, instead, their untamed passion ignites a fire neither can control. Stephen was instantly attracted to the exotic KT Riley. Though she makes her desire for him clear, Stephen considers her forbidden fruit. His sexual passions aren’t for the faint of heart so he r
