When the hot jock limps in after practice one day, Warren offers to examine the alpha male's tantalizing feet. Will Warren's foot worship fetish fantasy of submissively sniffing, licking, and kissing the dominant athlete's sweaty and dirty size thirteen bare feet finally come true? A Patrick on a Bear's Knee - When naughty jock Patrick gets caught shoplifting at Christmas, the bearish gay security guard puts the straight college stud over his hairy knee and takes matters into his own hands - literally! **I Like it Like that** - Lawrence Schimel 2009

Lambda Literary Award Finalist Shortlisted for a TLA Gaybie Award (Best Gay Erotica) From the editors of the Lambda Award-winning First Person Queer come these intelligent, sexy, true-life tales of gay men's desire. The stories push at the parameters of queer erotic life, featuring contributors both novice and well-known; subject matter ranges from single, significant encounters to the ephemera of emotional desires that never lead to physical pleasure. Throughout, the book deals with the essential erotics of queer male life, to be used as a launching point for exploring the queer male condition: essays that delve into the diverse manifestations of desire between and among men. I Like It Like That features smart, savvy writing about desire and sex. Unlike mainstream porn imagery that by default dominates our cultural (and therefore personal) references, contributors reach into the far reaches of memory to tell true tales about personal erotic space. Contributors include Paul Bellini, Steven Bereznaï, S. Bear Bergman, Daniel Allen Cox, Jameson Currier, Viet Dinh, Larry Duplechan, Daniel Gawthrop, Sky Gilbert, Aaron Hamburger, Shaun Levin, Steve MacIsaac, Tim Miller, Andy Quan, and Shawn Syms.

*Gay Life Stories* - Jón Ingvar Kjaran 2019-03-27

Drawing on ethnographic encounters with self-identified gay men in Iran, this book explores the construction, enactment, and veiling and unveiling of gay identity and same-sex desire in the capital city of Tehran. The research draws on diverse interpretive, historical, online and empirical sources in order to present critical and nuanced insights into the politics of recognition and representation and the constitution of same-sex desire under the specific conditions of Iranian modernity. As it engages with accounts of the persecuted Iranian gay male subject as a victim of the barbarism of the Islamic Republic of Iran, the book addresses interpretive questions of sexuality governance in transnational contexts and attends to issues of human rights frameworks in weighing social justice and political claims made by and on behalf of sexual and gender minorities. The book thus combines empirical data with a critical consideration of the politics of same-sex desire for Iranian gay men.

Alongside such celebrated figures as Michelangelo, Frederick the Great and Harvey Milk are lesser-known but no less surprising individuals: Dong Xian and the Chinese emperor Ai, whose passion flourished in the 1st century BC; the unfortunate Robert De Péronne, first to be burned at the stake for sodomy; Katharine Philips, writing proto-lesbian poetry in seventeenth-century England; and 'Aimee' and 'Jaguar', whose love defied the death camps of wartime Germany. With many striking illustrations, Gay Life Stories will entertain, give pause for thought, and ultimately celebrate the diversity of human history.
