Getting into the Vortex Esther Hicks 2020-07-21 Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. It's Not You Sara Eckel 2014-01-07 "Why am I still single?" If you're single and searching, there's no end to other people's explanations, excuses, and criticism explaining why you haven't found a partner: "You're too picky. Just find a good-enough guy and you'll be fine." "You're too desperate. If men think you need them, they'll run scared." "You're too independent. Smart, ambitious women always have a harder time finding mates." "You have low self-esteem. You can't love someone else until you've learned to love yourself." "You're too needy. You can't be happy in a relationship until you've learned to be happy on your own." Based on one of the most popular Modern Love columns of the last decade, Sara Eckel's *It's Not You* challenges these myths, encouraging singletons to stop picking apart their personalities and to start tapping into their own wisdom about who and what is right for them. Supported by the latest psychological and sociological research, as well as interviews with people who have experienced longtime singledom, Eckel creates a strong and empowering argument to understand and accept that there's no one reason why you're single—you just are.

Sara Esther Hicks 2008-04-01 "Do you believe in ghosts?" Annette just sort of blurted out. Sara and Seth both looked up with surprise. "Well," Sara stalled, "I guess I do." She remembered the night Solomon had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. "Well, do you believe in ghosts?" Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. "No, I just wondered if you did," Annette answered abruptly. "Hey, let's swing." And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . .Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!

In contrast, polluted water, or water exposed to negative though formed incomplete, asymmetrical patterns with dull colors. *The Healing Power of Water* includes contributions from leading scientists such as William A. Tiller, who was featured in the film *What the Bleep Do We Know!?*; and from spiritual teachers such as Doreen Virtue, Starhawk, William Bloom, and Sig Lonegren.

The Source Tara Swart 2020-11-17 For the first time, a Neuroscientist and Senior Lecturer at MIT reveals the surprising science that supports The Law of Attraction as an effective tool for self-discovery and offers a guide to discovering your authentic self to access your best life now. Self-help books like *The Secret* show us that if we can tap into "The Law of Attraction," we have the power to change our destiny simply by reshaping our mind. Millions of people have used the ancient systems of manifestation and visualization to find health, success, love, friendship, wealth, and more. But does the "Law of Attraction" actually work? And more important, is this kind of life-changing philosophy within reach for everyone, even the most skeptical among us? As Dr. Tara Swart, psychiatrist, neuroscientist, and Senior Lecturer at MIT shows us in *The Source*, if we can strip away our skepticism, these ancient tools of manifestation and visualization are fundamentally powerful and incredibly effective at freeing us of self-limiting behaviors and propelling us toward our truest, most authentic selves. Swart reveals how and why these systems actually work by offering the latest breakthroughs in neuroscience and behavioral psychology, including lessons in neuroplasticity, magneticism, emotional and logical thinking, and even hydration, self-care, and relaxation. Next, she describes her own journey from skeptic to believer, and guides readers through the scientific breakthroughs and personal revelations that changed her from an unhappy, close-minded, and disconnected woman wanting more from life, to a successful entrepreneur living with confidence, purpose, and joy. The truth is, most of the things we want--health, happiness, wealth, love--are governed by our ability to think, feel, and act--in other words, by our brain. Dr. Swart combines the insights and inspiration of *The Secret* with the practical lessons of *The Master Key System* to help a new generation fulfill their dreams. *The Source* is a rigorous, proven toolkit for unlocking our minds--and reaching our fullest potential.
