

Second Chance Girl

King's Queen - Marie Johnston 2021-08-16

When I learned my husband married me to keep his trust fund, I served him divorce papers. Doing the deed on top of those papers probably wasn't a good idea. From Marie Johnston comes a second chance romance. I was content being the girl from the trailer park who grew up to be a quiet librarian. My idea of excitement was when King Oil hosted an open house and invited my workplace. Aiden King would be there, and he'd probably look better than he did when we were kids. A girl could dream—his looks and money made sure of it. I didn't expect him to remember me, much less ask me out. And keep dating me. He proposed and we married. I tried to be happy but he was distant and always gone for work. Then I learned the millions of reasons why he married me. In order to keep his trust fund, he needed a wife. I was nothing but an easy target. So I served him divorce papers. Only he won't sign them, and I can't figure out why. He cares more about his family's company than me. I can't believe I'm the woman he'd have chosen if he wasn't rushed. But one night, he breaks and reveals why he's not signing those papers, and his explanation is fast...and hot...and explosive. And right on top of those papers. I want to believe a simple girl like me could land a wealthy, handsome guy like him, but he fooled me once already. And I can't go back to a cold husband who won't make me a priority. King's Queen is a standalone novel in the Oil Kings series. Happily Inc. Volume 1/You Say It First/Second Chance Girl/A Very Merry Princess - SUSAN MALLERY 2022-05-01

Return to Happily, Inc., California, a wedding destination founded on a fairy tale, with these three classics in the series from No.1 New York Times bestselling author Susan Mallery. You Say It First Sculptor Nick Mitchell grew up in a family of artists and learned from his volatile father that passion only leads to pain. As he waits on a new commission, he takes a day job as a humble carpenter at a theme wedding venue. The job has its perks — mainly the venue's captivating owner, Pallas Saunders. Although he won't let love consume him, for ecstasy with an expiration date, he's all in. Pallas adores Weddings in a Box. But if she can't turn the floundering business around, she'll have no choice but to cave to her domineering mother and trade taffeta for trust funds working at the family's bank. Then when a desperate bride begs Pallas for something completely out of the box, her irresistible new hire inspires her. Nick knows she doesn't belong behind a desk, and she knows in her heart that he's right — where she really belongs is in his arms. Second Chance Girl Mathias Mitchell's easy smile hides a world of hurt. After the worst kind of family betrayal, he moves to Happily Inc., California — the wedding destination town supplies a steady stream of bridesmaids, perfect for his "no promises, no pain" lifestyle. Yet he can't stop watching for his beautiful, elusive neighbour on the animal preserve behind their homes. Gamekeeper Carol Lund knows she's not special enough to attract an alpha male like Mathias, so his offer to help her adopt a herd for her lonely giraffe is surprising — and his determined seduction, even more so. But just as she finally welcomes him into her bed, his careless actions crush her heart. Will she give him a second chance to prove she'll always come first in his heart? A Very Merry Princess When Princess Bethany's father, the king, sells one of his best stallions, she insists the animal get the royal treatment. Disguised as Beth Archer, a mere stable hand, she takes him to Happily Inc, California, a quaint wedding destination that's especially sparkly over the holidays. Rich women have no place on Cade Saunders's ranch. He wants a down-to-earth girl-next-door type — like Beth Archer. After a few cocoa-flavoured kisses by the Christmas tree, Bethany begins to fall for her irresistibly handsome host. But will Cade still want her when he discovers she's more familiar with a crown than a cowboy hat? Titles originally published in 2017.

Second Chance Girl - Jessica Thorn 2020-11-11

Breakout author Jessica Thorn introduces the quirky coastal town of Rocky Point, Massachusetts in this sizzling and comedic story about the one that got away, and the power of second chances. When I returned to Rocky Point after ten years, I thought I was closing the final chapter of a painful part of my life. I didn't count on seeing Cam again, or the sparks that would fly so long after I broke his heart and skipped town. Nope, I had a plan. Move Gran into the nursing home. Sell the house and settle her affairs. Go back to New York and live my life. Seems simple, right? Well apparently, the universe had other plans when it dropped Cameron Tate onto Gran's doorstep not even an hour into my return to town. Ten years has turned my cute and charming high school sweetheart into a drop-dead gorgeous hunk, and it looks like we're going to have to spend quite a bit of time together. Losing myself in Cam again was most definitely not the plan. But, I guess you know what they say about the best laid plans...

Once the truth inevitably comes out, will Olivia and Alexander get their second chance to forever? Or will both their hearts and lives be destroyed? "...Ms. Silk's uplifting stories pull you in and make you fall in love..." Elizabeth Lennox, Bestselling Romance Author I received an advance copy of this book, and what an amazing opportunity that was granted to me by our super talented author Gloria Silk whose two previous books are still fresh in my romantic mind! She deserves an honest review for this latest book From Geek to Greek Billionaire which is just as phenomenal as her other books! A gripping story about young love torn by doubts, immaturity and insecurities — they were abruptly separated from their first romantic meeting, until fate played a great surprise — meeting each other after almost a decade, both Olivia and Alexander experienced angst with twists and turns, their immature indecisions destroying first love that had beautifully blossomed inexplicably under magical circumstances!!! I love the way the storyline weaves into an interracial romantic connection between an equally magnificent portrayal of beautiful and

talented Olivia Moore, an American and Alexander Anderson whose joint family heritage has led them to a more wonderful relationship with the family, adoptive parents of Alexander whose biological parents are from Greece. Following a complicated young lovers' story like Olivia's and Alexander's strengthens my faith in fate and destiny! When there is true love, forgiveness and redemption are easier to refresh a fully sustained trust and confidence with the one person whom you truly meant to keep in your life! With a magnificent and loveable romantic twist like a Cinderella fairytale Olivia has finally made a brilliant decision in keeping her Prince deeply close in her heart, forever—in following an epic love story like theirs, an avid romantic like me only has this to say “thanks for Gloria Silk's brilliantly creative mind, we all enjoy to fantasize our own love story, living happily ever is my kind of New Year's romantic mood! What can you tell about a person just by looking at them? There is a saying: "Never judge a book by its cover." Ariel Patterson learns this lesson well when she comes across five homeless children. Ariel was lucky because she came from wealth and a great upbringing, but not every child is so lucky. How will these five children change her life, and how will Noah change her heart?

Where Good Girls Go to Die - Holly Renee 2017-04-13

It was a bad idea from the beginning. He was my brother's best friend and the definition of unavailable. But I didn't care. I had loved him for as long as I could remember. He was worth the risk. He was worth everything. But then he broke my heart as easily as I fell for him. He watched me fall, spiraling out of control, and as I reached for him, he wasn't there to catch me. So I ran. Four years later, I never expected to see him again. He was still my brother's best friend, and he was more unavailable than ever. He looked every

bit the bad boy I knew he was, covered in tattoos and a crooked smile. Guarding my heart from him was top priority because Parker James was where good girls go to die. Unfortunately for him, I wasn't a good girl anymore.
