The Viagra Myth - Abraham Morgentaler 2003-09-24

In *The Viagra Myth* Dr. Abraham Morgentaler (a practicing urologist on the faculty of Harvard Medical School) shows us that while Viagra has proved enormously helpful to many men, it has also uncovered previously ignored aspects of identity and authenticity in sexuality and relationships. Some men, for example, may fear telling their partner they are using Viagra, yet still struggle with the hope of being loved for their true self. Women who discover their partner has resorted to a secret sexual enhancer may complain, "I thought it was me who turned you on . . ." Viagra may improve a man's sexual abilities, but there may also be a profound cost involved. If you or your partner is using or considering Viagra, or even if you are only wondered what it might be like to have a better sex life, this book is essential reading. It will provide insight and instruction about the reality of quick-fix solutions, sexuality, personal growth, and meaningful relationships.

The Wiley Handbook of Sex Therapy - Zoë D. Peterson 2017-04-24

The Wiley Handbook of Sex Therapy is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy. Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the most popular behavioral strategies. Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room. Includes contributions by more than 60 experts from a wide range of disciplines.

Snuff - Chuck Palahniuk 2011-05-31

Cassie Wright, porn princess, intends to cap her legendary career by breaking the world record for serial fornication. On camera. With six hundred men. *Snuff* unfolds from the perspectives of Mr 72, Mr 137 and Mr 600, who await their turn on camera in a very crowded green room...

Sex and Cancer - Saketh R. Guntapalli 2017-06-29

An intimate partnership has physical and psychological components, both of which often take a hit when cancer enters the union. The prospect, and then the process, of treatments tend to alter the way the two people relate to each other. When the diagnosis is one of gynecologic or reproductive cancer for a woman, questions of sexual intimacy and function often color relationships, confuse partners, and raise concerns that other cancers might not. With an estimated 83,000 women a year added to the roles of those battling gynecologic cancers and 300,000 women a year added to roles of those battling breast cancer, *Sex and Cancer* focuses on surviving and thriving—more than 70 percent of women with gynecologic cancers now survive!—and helps readers mitigate outcomes and overcome challenges of sexual dysfunction after a cancer diagnosis; reassess the priorities in an intimate relationship to support the patient's struggle, healing, and libido; and learn to interact with the professionals tasked with saving lives and enhancing those areas affected by cancer diagnosis and treatment. *Sex and Cancer* features stories that illuminate insights about the impact of gynecologic and reproductive cancers on relationships. The stories give life to guidance that's critical in shaping the effect that gynecologic cancer has on intimate relationships. And readers will find insight, comfort, and suggestions for addresses the questions about intimacy and sexual function that are often left unexpressed.

The Hardness Factor - Dr. Steven Lamm 2009-03-17

A diet, exercise, and supplement regimen to help men achieve optimal sexual fitness Sexual fitness goes hand in hand with overall health: Good sex means a man is most probably in good condition. The Hardness Factor is a comprehensive guide to sexual fitness for men, pointing the way to an enhanced self image, better sex, and improved health, and detailing how to increase sex drive and develop a measurably harder erection in just four days. The advent of Viagra and its competitors is a sign that we are entering a new era of male sexual health, in which erectile problems are glitches to be overcome, not sources of shame and anxiety. This is the first major trade book to identify and describe how to achieve and preserve optimal penile hardness—and to show why the actual degree of hardness is the all-important barometer of a man's overall health. Drawing on the cutting-edge research that he has carried out over the past several years with his Digital Inflection Rigidometer, New York clinician and researcher Dr. Steven Lamm explains his revolutionary approach to achieving and maintaining maximal male sexual performance, with easy-to-follow suggestions that translate to not only better sex, but greater emotional intimacy and a longer and more fulfilling life. Dr. Lamm gives men all the tools and information they need to take control of their bodies, including health quizzes and a simple at-home test to assess one's hardness.

The Global Investigative Journalism Casebook - Mark Hunter 2012

A New View of Women's Sexual Problems - Ellyn Kaschak 2014-02-25

Take a new look at women's sexuality! This fascinating book looks at the wide-ranging therapeutic, social, and political implications of the new paradigm of women's sexuality. International in scope and multidisciplinary in approach, *A New View of Women's Sexual Problems* examines the theoretical and practical effects of the landmark document produced by the Working Group on a New View of Women's Sexuality. The book brings together gender theory, psychology, social science, and medicine in a powerful cultural critique of the reigning medical approach to women's sexual health. International experts from India, Costa Rica,

Israel, the US, and many other cultures place this revolutionary idea in cultural and political context, as well as extrapolating fresh new treatment options for dealing with women's sexual problems. *A New View of Women's Sexual Problems* analyzes the new paradigm's implications in many fields, including: family medicine couples counseling for straight and lesbian partners STD prevention and sexual health issues sex therapy sex education feminist theory developmental psychology

Imagined Masculinities - Mayy Ghaṣṣūb 2000

Writings on gender in the Middle East have tended to focus overwhelmingly on the status of women, on the rise of Islamist politics and veiling, and on the social construction of female identity. In the process issues of male identity in a region which has seen enormous social transformations over the past thirty years have been somewhat neglected. This book looks at the process by which stereotypical male identities get constructed, reproduced and contested in different parts of the Middle East.

Mad, Bad And Sad - Lisa Appignanesi 2011-10-06

Mad, bad and sad. From the depression suffered by Virginia Woolf and Sylvia Plath to the mental anguish and addictions of iconic beauties Zelda Fitzgerald and Marilyn Monroe. From Freud and Jung and the radical breakthroughs of psychoanalysis to Lacan's construction of a modern movement and the new women-centred therapies. This is the story of how we have understood mental disorders and extreme states of mind in women over the last two hundred years and how we conceive of them today, when more and more of our inner life and emotions have become a matter for medics and therapists.

Shoulder Season - Christina Clancy 2021-07-06

Named a Best Book of Summer by Good Morning America • CNN • Parade • EW • Travel & Leisure • PopSugar • New York Post • BuzzFeed • Brit & Co • SheReads • Women.com A dazzling portrait of a young woman coming into her own, the youthful allure of sex, drugs, and rock and roll, and what we lose—and gain—when we leave home. ONCE IN A LIFETIME, YOU CAN HAVE THE TIME OF YOUR LIFE The small town of

Lake Geneva, Wisconsin is an unlikely location for a Playboy Resort, and nineteen-year old Sherri Taylor is an unlikely bunny. Growing up in neighboring East Troy, Sherri plays the organ at the local church and has never felt comfortable in her own skin. But when her parents die in quick succession, she leaves the only home she's ever known for the chance to be part of a glamorous slice of history. In the winter of 1981, in a costume two sizes too small, her toes pinched by stilettos, Sherri joins the daughters of dairy farmers and factory workers for the defining experience of her life. Living in the "bunny hutch"—Playboy's version of a college dorm—Sherri gets her education in the joys of sisterhood, the thrill of financial independence, the magic of first love, and the heady effects of sex, drugs, and rock and roll. But as spring gives way to summer, Sherri finds herself caught in a romantic triangle—and the tragedy that ensues will haunt her for the next forty years. From the Midwestern prairie to the California desert, from Wisconsin lakes to the Pacific Ocean, this is a story of what happens when small town life is sprinkled with stardust, and what we lose—and gain—when we leave home. With a heroine to root for and a narrative to get lost in, Christina Clancy's *Shoulder Season* is a sexy, evocative tale, drenched in longing and desire, that captures a fleeting moment in American history with nostalgia and heart.

Sexual Violence in Conflict Zones - Elizabeth D. Heineman 2011-04-15

Since the 1990s, sexual violence in conflict zones has received much media attention. In large part as a result of grassroots feminist organizing in the 1970s and 1980s, mass rapes in the wars in the former Yugoslavia and during the Rwandan genocide received widespread coverage, and international organizations—from courts to NGOs to the UN—have engaged in systematic efforts to hold perpetrators accountable and to ameliorate the effects of wartime sexual violence. Yet many millennia of conflict preceded these developments, and we know little about the longer-term history of conflict-based sexual violence. *Sexual Violence in Conflict Zones* helps to fill in the historical gaps. It provides insight into subjects that are of deep concern to the human rights community, such as the aftermath of conflict-based sexual violence, legal

strategies for prosecuting it, the economic functions of sexual violence, and the ways perceived religious or racial difference can create or aggravate settings of sexual danger. Essays in the volume span a broad geographic, chronological, and thematic scope, touching on the ancient world, medieval Europe, the American Revolutionary War, precolonial and colonial Africa, Muslim Central Asia, the two world wars, and the Bangladeshi War of Independence. By considering a wide variety of cases, the contributors analyze the factors making sexual violence in conflict zones more or less likely and the resulting trauma more or less devastating. Topics covered range from the experiences of victims and the motivations of perpetrators, to the relationship between wartime and peacetime sexual violence, to the historical background of the contemporary feminist-inflected human rights moment. In bringing together historical and contemporary perspectives, this wide-ranging collection provides historians and human rights activists with tools for understanding long-term consequences of sexual violence as war-ravaged societies struggle to achieve postconflict stability.

The Textbook of Clinical Sexual Medicine - Waguih William IsHak
2017-05-30

"The Textbook of Clinical Sexual Medicine utilizes the biopsychosocial approach to inform physicians, practitioners, residents, trainees, and students about the latest science has to offer today for the evaluation and treatment of sexual dysfunctions especially the utilization of the full armamentarium of assessment methods and treatment interventions in order to restore of sexual health and enhance quality of life." Louis Ignarro, Ph.D., Nobel Laureate This textbook is a comprehensive resource covering sexual disorders in depth, from etiology, pathophysiology, phenomenology, treatment, to prognosis. The book highlights aspects the biological and psychosocial factors predisposing, precipitating, and perpetuating sexual dysfunction, and the importance of integrating biological and psychosocial treatments. Specialized chapters cover specific common medical complaints, including erectile, ejaculatory, and orgasmic disorders in the male; desire, arousal and orgasmic disorders in the female; and an integrated approach to the

couple. With its focus on educational tools including over 100 figures, easy-to-use DSM-5 criteria table, and quick-guide appendices, this textbook is specially designed to educate readers on the psychiatric evaluation, treatment, and management of a wide range of sexual disorders. The Textbook of Clinical Sexual Medicine is a vital resource for medical students, residents, fellows, graduate students, psychiatrists, psychologists, women's health specialists, urologists, endocrinologists, general practitioners, social workers, and all medical professionals and trainees working with patients suffering from sexual disorders.

The Misogynist - Piers Paul Read 2011-07-04

Jomier has reached the age of retirement, his children are grown up and his wife, after having an affair, has left him. Embittered and humiliated, he lives alone in London, mourning the disintegration of his marriage as he broods about the past and the present. When he falls for Judith, things begin to improve. Yet he still cannot escape his old habits and it is only when his daughter falls ill that he begins to reassess his feelings towards those he loves and his ability to forgive. Darkly humorous, ruthlessly satirical and surprisingly moving, *The Misogynist* is a perceptive exploration of the ways in which we can unintentionally let past disappointments affect our present, and how difficult it can be to move forward.

Rasayana - H.S. Puri 2002-10-17

Until relatively recently, much of the information on India's research into their medicinal plants has remained within India, mainly published within Indian journals. However, today the field of Ayurveda is expanding, with the integration of herbs and minerals discovered in other countries and the strengthening of academic knowledge networks worldw

The Brain That Changes Itself - Norman Doidge 2008-08-07

An introduction to the science of neuroplasticity recounts the case stories of patients with mental limitations or brain damage whose seemingly unalterable conditions were improved through treatments that involved the thought re-alteration of brain structure.

What about Me? - Jane Greer 2010

Selfishness and entitlement have never been more prevalent. "What About Me?" will help readers discover what role selfishness is playing in their relationship while helping them better understand what drives their partner to behave selfishly.

The Pritikin Edge - Robert A. Vogel 2008-09-23

Sharing recipes and lifestyle tips, Robert A. Vogel and Paul Tager Lehr reveal the ten essential steps of The Pritikin Program to help you get healthy and energized. We Americans may reside in the greatest nation on earth, but our lifestyle is killing us. One quarter of us still smoke, two-thirds of us are fat, three-quarters of us don't exercise, and stress and depression are ubiquitous. Despite all our advances in drugs and

surgery, obesity and the diseases it causes have shortened life expectancy; this is the first time in history that children can expect to die younger than their parents. The Pritikin Program was the first comprehensive lifestyle program in America, and after fifty years on the cutting edge of lifestyle science, it is still the longest-running, most successful program for reversing many of modern society's diseases, including obesity, heart disease, and diabetes. Here you'll find the ten

simple lifestyle ingredients that will change your life. Stick with them and you'll lose weight without feeling hungry, your energy will surge, and you will look and feel healthier and stronger than you have in years. The Pritikin Edge gives you the real facts so you can take control of your health and add years to your life and quality to your years. Once you begin living with these principles, you'll wonder how you ever lived any other way.
