If you're single, the dating detox will give you a chance to step off the dating treadmill, catch your breath, and recover inner strength for the road ahead. You'll recalibrate your aspirations to connect to potential mates from a place of strength and self-knowledge. Whether you're single or coupled, Sex Detox will enable you to achieve the relationship results you deserve.

World Social Report 2021 - 2021-05-20

The World Social Report 2021 points to new directions in which rural development strategies need to be reconsidered. It offers strategic principles, programs of action, and a set of concrete policies that can be combined to devise effective strategies to help realize the potential of rural development and achieve the SDGs. Reexamining the narrow view of rural development, it expands the discussion to include the role of development in achieving the wider set of SDGs. In doing so, it pays particular attention to the interaction of rural development with SDG 6 (clean water and sanitation), SDG 8 (economic growth and decent work), SDG 9 (infrastructure), SDG 11 (sustainable communities), SDG 13 (climate change), SDG 14 (life below water) and SDG 15 (life on land). The interlinkages of all these Goals suggest that there exist potential synergies between rural development and sustainable efforts in many other directions.

Founded in Scotland at the beginning of the Second World War, Camphill communities still thrive today, encompassing thousands of people living in more than one hundred twenty schools, villages, and urban neighborhoods on four continents. Camphillers of all abilities share daily work, family life, and festive celebrations with one another and their neighbors. Unlike movements that reject mainstream society, Camphill expressly seeks to be “a seed of social renewal” by evolving along with society to promote the full inclusion and empowerment of persons with disabilities, who comprise nearly half of their residents. So Tell Me about the Last Time You Had Sex -

Ian Kerner 2022-04-19

Now in paperback, renowned sex therapist Ian Kerner shares the unique and indispensable methodology he uses to help thousands of couples get unstuck and into sexual sync. Dr. Ian Kerner is a Sherlock Holmes of the bedroom--a sexual detective helping individuals and couples solve the mystery of their sexual distress. His secret weapon? Analyzing your "sex script." Kerner takes a magnifying glass to a recent sexual event, examining the entire sequence of interactions--beginning, middle, and end--from multiple angles. In those details--the what, where, when, and why of the last time you had sex--all the clues of what went wrong are revealed and the mystery of how to create mutual pleasure can be solved. When our sex scripts work, we lose ourselves in mutual pleasure; but when they fail, it's all we can do not to ruminate over the details. What can be

learned by looking at your sex life in action?

With wit and warmth, the nationally recognized sex therapist and author of the smash hit *She Comes First* shows readers how to tap into their erotic personalities and realize their sexual potential. Dr. Kerner provides the tools and techniques you need to assess, fix, and expand your sex scripts, as well as discuss many common sexual problems that get in the way of happy endings. With the help of decades of clinical insight, the latest sexual science and research, valuable homework assignments, case studies, and more, this insightful and original book strips away discomfort and offers couples not just the ability to talk about sex, but the ability to actually do something about it.

She Comes First - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can

bestow upon a woman.' Ian Kerner

Sexual Detox - Tim Challies 2010-09

Sick of porn? Time to detox. A huge percentage of men need a porn detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act itself, according to God's plan for this great gift. I want to help you detox from all the junk you've seen, all the lies you've believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your

current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn't knowledge-it's desire and ability. So sin prevails. Here's a promise. You'll never stop until you begin to see the monstrous nature of the sin you're committing. You'll never stop until the sin is more horrifying to you than the commission of the sin is enjoyable. You'll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave

in faith that God will meet you with grace as you act to cut off the porn and begin the reset. -Tim Challies

Water Societies and Technologies from the Past and Present - Mark Altaweel 2018-11-26

Today our societies face great challenges with water, in terms of both quantity and quality, but many of these challenges have already existed in the past. Focusing on Asia, Water Societies and Technologies from the Past and Present seeks to highlight the issues that emerge or re-emerge across different societies and periods, and asks what they can tell us about water sustainability.

Incorporating cutting-edge research and pioneering field surveys on past and present water management practices, the interdisciplinary contributors together identify how societies managed water resource challenges and utilised water in ways that allowed them to evolve, persist, or drastically alter their environment. The case studies, from different periods, ancient and modern, and from different regions, including Egypt, Sri Lanka, Cambodia, Southwest United States, the Indus Basin, the Yangtze River, the Mesopotamian floodplain, the early Islamic city of Sultan Kala in Turkmenistan, and ancient Korea, offer crucial empirical data to readers interested in comparing the dynamics of water management practices across time and space, and to those who wish to understand water-related issues through conceptual and quantitative models of water use. The case studies also challenge classical theories on water management and social evolution, examine and establish the deep
