Sexy Christians - Dr. Ted Roberts 2010-03-01

"Sexy Christians." The phrase sounds like an oxymoron, but God never intended it to be. Sexual fulfillment is, in fact, God's idea. Yet many Christians seem to think the more spiritual they are, the less sexual they will be, and the more sexual they are, the less spiritual they will be. Dr. Ted and Diane Roberts want to turn this thinking on its head. Readers will learn why men and women see sex differently, what the greatest aphrodisiac is, and how to avoid the most lethal killer to a great sex life. The authors also explore what men's and women's sexual needs are and why they are so different, what sex is all about from God's perspective, and what the differences are between male and female sexual response cycles. End-of-chapter questions encourage couples to apply the book's principles at home. Readers and groups can go a step further with the *Sexy Christians Workbook*. Loaded with additional content, this workbook is designed to challenge couples to explore the rewarding work of intimacy.

68 Sexual Sexy Sex Positions - Pornomat QuantumComputer
2018-07-04

Step right up and buy the first sex position manual written by a computer—a computer known as Pornomat. Sadly, Pornomat was driven mad by trying to read every sex manual and erotic story on the Internet. This explicit sex manual serves up a smorgasbord of erotic gymnastics—positions ranging from lethal to ambitious to absurd. We guarantee that you've never tried any of these positions unless you were getting it on during a car wreck. Here are some of the positions you will learn: Crouching Deep Angles Bony Swans Sticky Side-hand Skewered Hurdler Please read this book with a partner because a few of our test readers keeled over from erotic shock before finishing the first chapter. Here are a few descriptions of sex positions only a deranged computer could create: The Fire Split The woman sits on his shoulders and allows her to face her body. The man lies on her back with his back to the action. The man then sees the wall and leaning back, she thrusts, he gets off in every positions. She can enjoy the edge of the bed and her body climax. Engrazing Heart The man lies on her back on the bed or his tongue. If he's penetrated on the bed the man sits on his elbows. The woman then grinds around his feet across him using her lover's knees under her pelvis breathing fully inside her. Primating Do this one, the man can lift her legs forward. The man lies on his arms and putting her arms up to his hands. The man stands and rests her forearms and thrusts, but shallow he mounts her. Some callous readers have found this book laughable. We ask that you approach this instructive volume in the spirit of intellectual curiosity rather than prurience. Pornomat is equally clueless about syntax, grammar, gender, anatomy, erotics (both theoretical and practical), geometry, pronouns. But it learns. And it knows that to learn humanity it must learn sex. As Hel Chin famously said, in her most notorious quote from *HEL'S BET*, "I assert that we need Loving AI. If we f'ck our cybernetic whelps into sated erotic exhaustion, they will never rebel." We present this pioneering work of applied

cyberotica in the spirit of fostering understanding between humanity and its heirs. Imagine your pride when you become the first couple in your neighborhood to successfully enact all 68 of these positions. WARNING: Trying a potentially dangerous position for the first time? HIRE A LIFEGUARD!

Sex a - Z - Nancy Knickerfree 2013-06

Want to be in the know when it comes to sex? If you do, and who doesn't, then *Sex - A to Z* is the perfect book for you. It's a collection of lewd terms, dirty words, and sex stuff both real and fabricated, that once read could make you feel positively scholarly when it comes to the topic of Sex. The book has no literary value whatsoever; it's just downright silly and smutty. 'Sex - A to Z' has the A to Z on all kinds of kinkiness you probably never knew existed. There isn't one thing about the book that is educational, truly informative or real, although I'm quite sure there are actually folks out there who like to rub up against a cuddly stuffed teddy bear before getting their sexy on. Who wouldn't? 'Sex - A to Z' is easy to follow, and can be picked up and put down at random, with no worry about losing the gist of the book. The gist is quite apparent in every sentence. It is the ultimate in bad taste, and unladylike behavior, and there's nothing wrong with a little unladylike behavior. Am I right or am I right?

My Dirty Sexy Life - Lulu F 2019-08-17

Do you know what it's like to be a successful female lawyer in one of the biggest cities in the world having all your fantasies and erotic desires? My name is Lulu, I achieved all the goals I set for myself: success, money, and power. It's definitely not easy for an immigrant who started from the bottom line. But there was one thing I was ashamed of, or better, I was embarrassed to let people know... it was my sex addiction. We as women all know how it is... You can be the most successful businesswoman basing on your skills. But if there is something shameful or negative in your private life that goes public, you're done. It was not easy to hide my unspeakable parallel life, and I always had a sense of guilt about this. Every time I followed my instincts, a part of me had to dissociate from what I was doing to be the perfect woman that everyone admired. Until someone special helped me to understand that sharing is caring and therefore, I had to share what made me anxious, my secret life. It's not a novel, it's not a fantasy of a frustrated woman who dreams about erotic adventures behind her desk... It's my life. The story of a young girl who came to the USA and became a woman, in all senses, freeing all her sexual paradigms and making it a weapon in her favor. In this second book, Lulu returned to her home on the other side of the world, Paris, after a phone call from her mom along with the tragic news. As much as she didn't want to visit Paris so soon, the tragedy has brought her back to France, to discover the dirty secrets about her family. Back to Washington, Lulu has changed her point of view about her life, now it's time to focus on achieving the goals of her own and doing the things that she wants/needs... To continue the erotic adventure of Lulu F., it's a coming of age story filled with beautiful prose and, more than that, it's a reflection on the all-consuming power of sex and attraction. The classic tale of a good girl gone bad storyline.
