Sexual Power Through Witchcraft - Valerie Hoffman 1972

Sex Magic for Beginners - Anita Gonzalez 2023-07-24

Individuals as well as organizations that want to use sexuality's inherent power for spiritual and magical ends have engaged in the practice of sex magic for centuries. Sex magic is basically the use of sexual energy and desire to concentrate the mind and will in order to manifest one's desires or reach higher states of consciousness. Sex magic can be used by anyone, regardless of their spiritual or religious views, despite the fact that it may be connected to occult or esoteric practices. In this section, we'll delve deeper into the idea of sex magic and discuss some of the advantages it might have for practitioners. It's important to first comprehend the function of sexual energy in sex magic. In Eastern cultures, sexual energy is frequently referred to as "life force energy" or "chi," and it is thought to be a powerful force that can be used for a variety of purposes. In sex magic, sexual energy is seen as a particularly potent form of energy, as it is associated with strong emotions and intense physical sensations. Sex magic practitioners believe they can increase their power of manifestation and more easily accomplish their goals by focusing this energy on a specific intention or desire. One of the primary advantages of practicing sex magic is the ability to channel and exert control over one's sexual energy. Many people feel disconnected from their sexual selves because of the way that sexuality is often viewed in our society as something shameful or taboo. Sex magic can assist people in overcoming these feelings of guilt and humiliation and in re-establishing a positive connection with their bodies and desires.

Practitioners of sex magic may discover that they experience increased confidence and self-esteem, as well as a greater feeling of pleasure and fulfillment in their lives, when they open themselves up to exploring and embracing their sexuality.

Magia Sexualis - Hugh B. Urban 2006-10-04

"This book offers a fascinating account of the development of Western sexual magic through the nineteenth and twentieth centuries. Urban focuses on an extraordinary set of historical figures, and his rich analysis illuminates the sexual—and supernatural—undercurrents that have shaped modernity."—Randall Styers, author of *Making Magic: Religion, Magic, and Science in the Modern World*

Queer Magic - Lee Harrington 2018-03-01

In a wide variety of pagan paths, many forms of modern magic and mystery hold an expectation that all parties are heterosexual, cisgender, and, in many cases, white. In *Queer Magic: Power Beyond Boundaries*, Lee Harrington and Tai Fenix Kulystin bring together a diverse and passionate collection of authors and artists who break out beyond that belief and explore how being LGBT+ is not just acceptable when exploring magic, but powerful. Using the diverse tools of queer activism, education, and storytelling, through academic essays and first-person narratives to comics and poster-style art, this intersectional group exposes a world beyond what so many magical practitioners have presumed is "normal." The reality is that magic, whether in Wicca or Vodou, Heathenry or Polytheism, has been fueled by people and systems beyond the binary for millennia. For many within, magic and queerness are not separate, but deeply entwined pieces of identity, worldview, and culture experienced together, always. Drag queen magic, Inclusive witchcraft, and magic for healing and survival. Gender transition in Rome, possession practices, and DIY divination. Social justice, queer black tantra, and polarity beyond gender. Honoring ancestors, fluidity of consciousness, and reimagining the Great Rite. Queer sex magic, power sigils, deities that reflect diversity... and more. Whether you identify as lesbian, gay, bisexual, asexual, transgender, agender, genderqueer, or some other queer orientation, or you are curious about tools to access magic beyond what is often discussed, this book is for you. Each piece is a unique and passionate chance to look into your own relationship with magic, break out of the tales of what your practice "should" look like, and expand your awareness into the queer magic as well as your own power beyond boundaries.

Sexy Witch - LaSara FireFox 2015-07-08

Employing a unique blend of feminism and magick, this refreshing guide to female self-empowerment helps women acknowledge the beauty, strength, and sexiness within themselves. Utterly honest and captivating, LaSara FireFox banishes the damaging misconceptions and shame often associated with female sexuality and sheds light on what it truly means to be a "Sexy Witch." Each of the seven lessons-covering issues of body image, menstruation, genital exploration, self-acceptance, mentors, and gender-include fun facts, illuminating quotes, and exercises for nurturing the body and spirit. The second half of the book is devoted to rituals-to be practiced alone or with others-that celebrate one's power as a woman, a sexual being, and a Witch. "LaSara Firefox is a dazzling inspiration and firestarter to everyone who encounters her." - Susie Bright, author of *Full Exposure* "LaSara Firefox is a genius! You couldn't ask for a better guide to take you on this emboldening adventure. Accessible and engaging whether or not you consider yourself a 'witch,' *Sexy Witch* is a fabulous book full of serious fun." - Ariel Gore, author of *The Hip Mama Survival Guide* Second-generation Witch and ordained Priestess, LaSara

FireFox (California) has been writing about sexuality and spirituality for over a decade. She was a columnist for NewWitch magazine and has appeared on Playboy TV's Sexcetera and Canada's SexTV. FireFox is also a graduate of the acclaimed San Francisco Sex Information human sexuality intensive.

The rituals in this book will help you build confidence, attract strangers to your light, ignite passion in a partner, attract sexual opportunities, and much more. The author combines the power of ancient magick with a strategic approach that can bring you almost instantaneous results. The rituals in the book are carefully designed to solve any possible problem that you might have encounter in your life regarding passion, attraction, or sex. You will discover magick specifically designed to: Bring Inner change in your personality and become the best version of yourself Bring outer change in how people perceive you and how you interact with them Improve your sexual performance and master bedroom skills Get your Ex back Attract any person sexually Indulge in sexual kinks and fetishes There are two paths to approach the magick in this book: The first path deals with recreating yourself from the ground up. This includes every aspect of your personality, the way people perceive you, and how you interact with them. This path will help you find motivation, get fit, build confidence, attract others to your light, and manifest great sexual opportunities. The second path is about rituals with a specific goal. This includes attracting lust from a specific person, getting your ex back, and engaging in sexual fetishes. This book gives you all the tools that you need to attract any person who pleases you sexually and emotionally. The rituals here create a powerful magickal energy that can ignite passion, bring romance, and manifest sexual opportunities.

Lewd Women and Wicked Witches - Marianne Hester 2003-10-04

In the sixteenth century and seventeenth centuries it was women who were almost exclusively persecuted as witches. However, the witch craze has been subjected to surprisingly little feminist analysis. In *Lewd Women and Wicked Witches*, Marianne Hester reviews and develops revolutionary feminist thinking. Accordingly, she shows how witches can be seen as victims of the oppression of a male dominated society. Concentrating on English source material, the author shows how witch-hunts may be seen as an historically specific example of male dominance. Relying on an eroticised construct of women's inferiority, they were part of the ongoing attempt by men to maintain their power over women.

The 'Malleus Maleficarum' and the construction of witchcraft -

Hans Broedel 2013-07-19

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. The *Malleus* is an important text and is frequently quoted by authors across a wide range of scholarly disciplines. Yet it also presents serious difficulties: it is difficult to understand out of context, and is not generally representative of late medieval learned thinking. This, the first book-length study of the original text in English, provides students and scholars with an introduction to this controversial work and to the conceptual world of its authors. Like all witch-theorists, Institoris and Sprenger constructed their witch out of a constellation of pre-existing popular beliefs and learned traditions. Therefore, to understand the *Malleus*, one must also understand the contemporary and subsequent debates over the reality and nature of witches. This book argues that although the *Malleus* was a highly idiosyncratic text, its arguments were powerfully compelling and therefore remained influential long after alternatives were forgotten. Consequently, although focused on a single text, this study has important implications for fifteenth-century witchcraft theory. This is a fascinating work on the *Malleus Maleficarum* and will be essential to students and academics of late medieval and early modern history, religion and witchcraft studies.

Sex and Magick - Mandi See 2021-09-30

The power of sacred sex is as alive today as it ever has been. Witches all over the globe are accessing the potency of magick through the divine union of intercourse and through ecstatic self-pleasure. Mandi See's 'Sex & Magick, A Guide for the Modern Witch' teaches the reader how they can approach sex magick safely in the modern day whilst covering the bases of sexuality, gender identity, feminism, and strict consent. Whether you are looking to dip your toe into the realms of sacred pleasure for manifestation or dive headfirst into group sex rituals, *Sex & Magick* is the book for you. Mandi See writes with elegance and respect, including the voices of many from different LGBTQ+ communities and from different traditions of witchcraft. If you want the knowledge of potent magick using sex as a catalyst to achieve your goals, Mandi See has handed it to you on a silver platter and it is utterly delicious. 'Sex & Magick provides guidance for engaging in safe and ethical sex magick within the context of 21st century modern Pagan witchcraft. This book does not shy away from the practical considerations which arise, presenting these in a candid, down-to-earth manner. Its contents touch upon areas which remain otherwise woefully under-acknowledged in both adolescent sex education and Pagan communities alike! Peppered throughout, readers will find quotations provided by a number of

practitioners of sex magick, sharing their personal stories, experiences, and perspectives. These offer tangible, real-life examples of the transformative potential of sex magick from those of different gender identities and sexual orientations. Chapter one provides an overview of sexuality and its relationship with magick, from sexual orientation, to historical influences. Chapter two considers the role of arousal and foreplay in building magickal energy. Owing to the intimate nature of sex magick, at least in its corporeal form, practitioners have many important considerations to make, in addition to the usual preparations made prior to magickal workings. Rather than mentioning these at the beginning of the book and leaving them behind, health and ethical considerations feature throughout, although chapter three goes into the most depth in this area, as, "When performing sex magick, the body is not only a temple but also a sacred tool." Chapter four brings together these subjects, exploring the rituals of sex magick and is followed by chapter five, relating these to other concepts and practices within modern Pagan witchcraft. This is concluded with my own contribution of a short article on recreating the ancient bathing rituals of the Aphrodisia and Veneralia.' Olivia Church

Sex Witch - Sophie Saint Thomas 2021-02-01

"A shameless celebration of sexual freedom, Sex Witch encourages us to cultivate the potent, political powers we all possess within our hearts and minds and between our thighs." -- Kristen J. Sollée, author of *Witch Hunt, Cat Call, and Witches, Sluts, Feminists* Sex Witch combines occult knowledge with tried-and-true relationship advice to provide spells for each stage of a relationship. Self-love, seduction, sex, love, protection, revenge, and healing are all covered. The spells, such as "A Tarot Spread to Find Which Relationship Format Is Right for You," "No TERFS Allowed: Embrace Gender Identity," and "Consecrate Sex Toys" use occult knowledge and Saint Thomas's award-winning relationship writing to manifest a spell book that does something genuinely magickal: it works. Sex Witch is real. Love is not always fair. Sometimes we get hurt or hurt others. Using the magic inside, you'll learn how to stay balanced during these ups and downs:

- Break toxic cycles.
- Use candle magic to summon the perfect partner.
- Embrace and unleash your kinks.
- Navigate relationships through rough patches.
- Get over former lovers.
- Practice self-forgiveness and self-kindness.

Sex Magic for Beginners - Anita Gonzalez 2023-07-24

Sex is one of the most potent and pleasurable human experiences. It is a natural urge that has been an essential part of human existence since the dawn of time. The fact that sex can also be used for magical and spiritual reasons is something that many people are unaware of. Sex magic, also referred to as sexual magick or tantra, is a method of using one's sexual energy to manifest desires, boost power, and undergo spiritual change. Utilizing the sexual energy produced during sexual activity to direct mental focus and bring about a desired result is the practice. The goal of sex magic is to direct this energy towards a specific intention or goal, using visualization and intention to manifest it in reality. The practice of sex magic has its roots in ancient times, and there is proof of it in many different cultures and religions around the entire world. Tantra was the name given to the practice in ancient India, where it is thought to have origins. Tantra is a spiritual practice that makes use of a variety of methods, including sexual activity, in order to achieve spiritual enlightenment. India, Nepal, and Tibet are still home to practitioners of it today.
