Butt Boys Barry Lowe 2014 Sex, drugs, and insatiable bottoms. Who doesn't love a good bottom boy? The men in these stories are better than good...they're totally insatiable, they simply can't get enough of what keeps them happy. Whether it's the guy who misses his stop on the last train of the

night and ends up with three hunky workman repairing the tracks, a bottom who falls, literally, at the feet of three hot workers putting in a speed hump outside his door, a sex shop worker who goes to the aid of his favorite porn star bottom, a straight boy who bets his ass on a sure thing in a card game, a top man who finds his real calling at a private sex club, or the lead singer in a Korean boy band, these boys give new meaning to Entry at the Rear. Excerpt: I'm such a fuckwit. How else would you explain my predicament? The facts speak for themselves; it's two o'clock in the morning, it's the middle of winter, and I'm pissed off my brain - at least I think I'm pissed because it could be drugs - wearing nothing but a T-shirt, and jeans, with bare feet. I lost my sneakers somewhere during the night. Where am I? Your guess is as good as mine. Godknowswhereville, attempting to hitch a ride outa here. The whole thing is my own fault. There, I freely admit it. Are you laughing yet? Why are gay men so fuckin' boring? They'd rather sit around discussing the latest Lady Gaga clip or gay rights for Antarctic penguins than get down to the nitty gritty. Where are the real men? Gay guys who like it rough and ready at the click of their fingers, who want nothing better than to ram a moderately hot just-past-twink-years bottom like me? I spent the night bored off my brain at a gay pub where a group of gay swingers thought they were on to a good thing by inviting me on a date. Better that they had just thrown me on the ground and had their way with me. A fuckin' date! Do I look like someone who wants to go on a date? Fuck me. My filthy mouth always gets me into trouble. I'm too direct. There, I managed to restrain myself. I was gonna put the F word before at least three or four more of those words in those couple of sentences but I've learned too much of a foul mouth and you sound like one of those wussy porn movies where the actors sprout bad dialogue while looking as bored as I'd felt all fuckin' night. After the pub almost sent me catatonic I headed to a disco where the music almost burst my ear drums and the only action in the Men's was of the

snorting or injecting kind and I don't mean injecting in my ass. Somewhere between when I'd paid to go into the disco and leaving the leather den, I lost my wallet - or else it'd been lifted by some skanky fag - and I no longer had taxi fare home. Proof enough that I must have been in a bad way, it took me some time to realize I'd left my shoes inside the leather den but when I went back the door was closed and no amount of banging got me an answer. Plus for the first fuckin' time in living memory the weather bureau got it right and the cold front had moved in: a bitterly cold wind that froze my balls off. Only thing in its favor was it made my nipples hard as icicles. Problem was, no one was sucking. My lack of mates, the sort who'd allow me to sleep on their living room floor let alone share their bed, sank any chance of a warm place to kip. I guess I must have looked the worse for wear because guys were giving me a wide berth as I walked up the street. In frustration, I shouted at one pissy bunch who giggled like high school girls at the fact I had no shoes. "Have I got two fuckin' heads or something?" No cash for a cab meant sleeping in a park or a shop doorway for the night. I glanced up at the clock on top of the gay pub on the corner. Shit! If I hurried, I might just make the subway. Last train was due to leave in about fifteen minutes. I'd have to jump the turnstiles but that wouldn't be the first time.

Great Legs! Jane Merrill 2005-11 "If a man has good legs, the rest of the body will follow; if a girl has good legs, men will follow." --Rudolf Friml "You can be as old as the hills," Jane Merrill's mother advised her at a young age, "and still show a little leg." Mom knew best. After all, she'd modeled for Vogue and other fashion magazines and considered good leg care a great investment. Jane took note--actually lots of them as she grew up and saw what great legs can do for any woman--until she had an encyclopedic file on how to get great legs and keep them at any age. Merrill's Great Legs! shares that wealth of leg care and fitness knowledge. The book covers everything from traditional and home treatments to once-proprietary spa secrets and high-tech leg care techniques. The author delivers this gold mine of "limb-formation" in a fun and easy-to-grasp style, as one girlfriend passing on beauty tips to another. A healthy combination of quotations, photographs, fun facts, and hip shopping tips makes Great Legs! a must-read for all women. Great Legs! includes home methods of hair removal, self-tanning and blemish-disguising tips, leg-pampering recipes, leg and feet exercises,

Gruff Ass in Love Sasha Burke 2019-02-26 She's the maddening, ridiculously cute trespasser who sneaks on my property to play with my rocks. (No euphemism—she really does just look at rocks.) He's the grumpy, unbelievably handsome rancher who has the best rocks to study in the area. (What on earth would rocks be a euphemism for?) After months of resisting the urge, I finally haul her over my shoulder to escort her off my land. (Really, why I haven't done it before now is beyond me.) After months of being clueless, I finally notice that his land isn't the only thing hard around me. (Really, how it escaped my attention before now is beyond me.) She's so damn responsive. He's so brawny and burly. The next time she sneaks in, I'm ready for her. The next time I sneak in, he shocks the heck out of me. To be fair, the woman is utterly injury-prone. To be clear, the man has apparently lost his ever-loving mind. I just want her to stay safe and out of trouble for a change. So...I cuff her to the bed. For a few hours, tops, while I take care of some ranch things that can't wait. And now, I'm kind of curious how she's going to react. His constant alpha protectiveness is, yes, very sweet, but seriously? I should be more outraged by this. Really, I should be. But...I'm kind of curious what's going to happen next. * * * * The HARD, FAST, AND FOREVER Series - Book 1: Bare Ass in Love (Jason & Summer) - FREE for a limited time - Book 2: Hard Ass in Love (Logan & Nicole) - Book 3: Gruff Ass in Love (Cade & Katelyn)

folly with a look-at-this cover and title becomes, thanks to Radke’s intelligence and curiosity, something much meatier, entertaining, and wise.” —The Washington Post “Lively and thorough, Butts is the best kind of nonfiction.” —Esquire, Best Books of 2022 A “carefully researched and reported work of cultural history” (The New York Times) that explores how one body part has influenced the female—and human—experience for centuries, and what that obsession reveals about our lives today. Whether we love them or hate them, think they’re sexy, think they’re strange, consider them too big, too small, or anywhere in between, humans have a complicated relationship with butts. It is a body part unique to humans, critical to our evolution and survival, and yet it has come to signify so much more: sex, desire, comedy, shame. A woman’s butt, in particular, is forever being assessed, criticized, and objectified, from anxious self-examinations trying on jeans in department store dressing rooms to enduring crass remarks while walking down a street or high school hallways. But why? In *Butts: A Backstory*, reporter, essayist, and RadioLab contributing editor Heather Radke is determined to find out. Spanning nearly two centuries, this “whip-smart” (Publishers Weekly, starred review) cultural history takes us from the performance halls of 19th-century London to the aerobics studios of the 1980s, the music video set of Sir Mix-a-Lot’s “Baby Got Back” and the mountains of Arizona, where every year humans and horses race in a feat of gluteal endurance. Along the way, she meets evolutionary biologists who study how butts first developed; models whose measurements have defined jean sizing for millions of women; and the fitness gurus who created fads like “Buns of Steel.” She also examines the central importance of race through figures like Sarah Bartmann, once known as the “Venus Hottentot,” Josephine Baker, Jennifer Lopez, and other women of color whose butts have been idolized, envied, and despised. Part deep dive reportage, part personal journey, part cabinet of curiosities, *Butts* is an entertaining, illuminating,

and thoughtful examination of why certain silhouettes come in and out of fashion—and how larger ideas about race, control, liberation, and power affect our most private feelings about ourselves and others.

Lexi As a curvy American girl spending her senior year in Japan, the last thing Lexi expected was to find a guy. So, when Forrest Wolf, the drop-dead gorgeous American star of Japan's baseball league, crossed the bar to meet her, you can excuse her skepticism. The man was used to thousands of people chanting his name every night. No, she immediately shut him cocky ass down... his incredibly tight, cocky ass... how long had it been since she had had sex, again? Why is it that after a girl gives in to a guy, and they have the most incredibly night of their lives, the guy could beg the girl for her number and then still not call? In Forrest's case, it may have to do with him being traded to an American team days after they met? Maybe. So, when Lexi returns home and gets a dream job offer dependent on getting an interview with him, what is she to do? Could this be a second chance at love? Or will that get ruined when, after again staring at his cocky ass, things "get complicated" in a restaurant bathroom... and everyone hears them... and posts it on social media? Yikes! Forrest Wolf Forrest was the biggest thing in baseball... during college. In the majors, he partied his way into being a bust. But then he went to Japan, cleaned up his ways and became a star. Butts Heather Radke 2022-11-29 "Winning, cheeky, and illuminating....What appears initially as a folly with a look-at-this cover and title becomes, thanks to Radke's intelligence and curiosity, something much meatier, entertaining, and wise." —The Washington Post "Lively and thorough, Butts is the best kind of nonfiction." —Esquire, Best Books of 2022 A "carefully researched and reported work of cultural history" (The New York Times) that explores how one body part has influenced the female—and human—experience for centuries, and what that obsession reveals about our lives today. consider them too big, too small, or anywhere in between, humans have a complicated relationship with butts. It is a body part unique to humans, critical to our evolution and survival, and yet it has come to signify so much more: sex, desire, comedy, shame. A woman's butt, in particular, is forever being assessed, criticized, and objectified, from anxious self-examinations trying on jeans in department store dressing rooms to enduring crass remarks while walking down a street or high school hallways. But why? In *Butts: A Backstory*, reporter, essayist, and RadioLab contributing editor Heather Radke is determined to find out. Spanning nearly two centuries, this “whip-smart” (Publishers Weekly, starred review) cultural history takes us from the performance halls of 19th-century London to the aerobics studios of the 1980s, the music video set of Sir Mix-a-Lot's “Baby Got Back” and the mountains of Arizona, where every year humans and horses race in a feat of gluteal endurance. Along the way, she meets evolutionary biologists who study how butts first developed; models whose measurements have defined jean sizing for millions of women; and the fitness gurus who created fads like “Buns of Steel.” She also examines the central importance of race through figures like Sarah Bartmann, once known as the “Venus Hottentot,” Josephine Baker, Jennifer Lopez, and other women of color whose butts have been idolized, envied, and despised. Part deep dive reportage, part personal journey, part cabinet of curiosities, *Butts* is an entertaining, illuminating, and thoughtful examination of why certain silhouettes come in and out of fashion—and how larger ideas about race, control, liberation, and power affect our most private feelings about ourselves and others.

Hard Ass in Love Sasha Burke Nicole is without a doubt the oddest creature I’ve ever met. As far as therapists go, she’s pretty damn good, even though her methods are way the hell out there. And while she’s been using my climbing gym for her afterschool sessions for years now, lately, I’ve been having a tough time getting her out of my head. But, there’s a reason I’ve stayed unwaveringly single while raising my kid for the last decade, and the last thing I need is to have my world turned upside down by this sexy little smarty with her bleeding heart and her uncanny ability to push all my buttons. So, when the maddeningly persuasive woman manages to somehow goad me into an admittedly entertaining challenge, obviously, I know I should just walk away... But I don’t. * * * * * Logan is without a doubt the most fascinating man I’ve ever met. As far as billionaires go, he’s hardly typical. He’s practically allergic to the indoors, stubborn to the extreme, and an absolute teddy bear—of the burly, overprotective variety—when it comes to his daughter. I’m well aware that he thinks I’m a bit of a weirdo. And frankly, I’m good with that status quo, especially given our

has gone stale until Billy, ever the exhibitionist, shows them a way to spice up their sex life. Billy has the most coveted ass in the city and Steve loves to watch him secretly spread it open for strangers. But can their relationship survive when Billy goes too far and offers himself to Steve's worst enemies. *Busting Billy's Butt* was originally published by loveyoudivine Alterotica and includes the first eight adventures of Steve and Billy in the *Four on the Floor* series - *Four on the Floor*, *Jolly Rogering*, *The Devil His Due*, *Never Take Candy from Strangers*, *Done Like a Dinner*, *In the Family Way*, *Right Up His Alley*, and *Group Therapy*. - all previously published as individual eBooks by loveyoudivine Alterotica. Excerpt "Holy shit, man, get a load of that ass." Jerry focused the binoculars on the fourth floor apartment across the street. With the magnification of those suckers, he could see straight into the living room through the wide-open balcony doors. As wide open as the guy's butthole, if I had my guess. "Here, let me see." Mike snatched the glasses from him. "I told you he was something out of the box," I said from the corner bar where I was topping up our drinks. I threw the empty Bourbon bottle in the trash to join the earlier one we'd already polished off. Jerry, my sleazy boss at *Klassic Kars* where I worked as a detailer, came back to get his glass. He's chunky, in his early forties, shaven head and a splash of body hair across his chest; definitely a daddy type, but not exactly "attractive" to go with it. "You weren't kidding, Steve. That guy has it all. I could fuck that." I knew for a fact that Jerry wasn't fucking anything at the moment. He was always at me to set him up with one of my single friends. It wasn't gonna happen. Billy sneered. "I don't think there's anything special about him." He hated it when he wasn't the centre of attention. "You're kidding, right?" Mike relinquished the glasses to Jerry, who definitely wanted another look. We'd met Mike at the showroom a few weeks earlier, when he'd come in to give a newly arrived 1956 Buick Century Riviera Four-Door Hardtop the once over. He'd bought it on the spot, counting out the price from a

huge wad of high value banknotes he said he always carried in case of emergencies. This guy was seriously wealthy-or a braggart. Maybe both. And dumb as shit to carry around that much cash. Both Jerry and I had pegged him as gay, and Jerry had pegged him as available, something I wasn't, and flirted accordingly. Mike wore baggy blue jeans, navy sneakers and a black cotton T-shirt that hugged his chest so tight his hard nipples could have poked your eye out if you got too close. He looked to be around thirty with shaggy, black hair that he flicked with his fingers to keep it out of his hazel bedroom eyes. I would have been flirting as well, if I hadn't already been in a relationship, although said relationship was as rocky as a row boat in the North Atlantic at the moment. However, we liked to give the outward impression we were the perfect couple. We had been when we first started out five years before. Billy was the five-foot-eight, tanned skinned, blond haired, blue-eyed beauty with the snug little body that had only gotten better and more defined when he'd 'discovered' the gym. I would have said 'obsessed' with the gym since his retrenchment as a sous-chef in a restaurant that didn't survive the economic downturn. That was just one of the problems. I was the other. I'm slightly taller, thinner and two years older at twenty-eight, with dirty blond hair matched with dirty blond eyes. That's what Billy called them when we first met at a bar that was so humid inside we didn't know whether the air conditioning had failed or whether we were so hot for each other we were producing our own power surge.
