Soul Shifts Dr. Barbara Deangelis 2016-03-08 There are pivotal moments in the lives of all seekers when we realize that we've been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn't enough or even acceptable anymore. We know we're being called to something more significant and expanded—we can feel it. At these times what's needed is not simply more change or an adjustment in our outer life, but profound transformation. We don't just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life's work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you've felt stuck or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis's trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Sacred Contracts Caroline Myss 2013-09-04 Caroline Myss, author of the New York Times bestsellers Anatomy of the Spirit and Why People Don't Heal and How They Can, presents an exciting, highly original program in this long-awaited book. Based on her internationally popular workshop of the same name, Sacred Contracts is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don't understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and

Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, Sacred Contracts is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.

The Soul's Journey and How It Affects Your Life J.M. Farley 2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain, I began searching for answers as to why all these difficulties kept happening. It was at this life threatening time that I was first approached by the energy vibration of the four archangels. Due to the fact I had always seen spirits as physical people, I didn't believe the angels instructions, but after another very special visitation where they showed themselves to me — which is no easy feat for them,— I agreed to write their words; and that's how this book manifested. As I wrote, my life began to make sense, which now enables me to live with more awareness of what part I have to play in my soul's journey opening my eyes to wonderful new possibilities. When angels speak, do you listen? I did, and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence, and how you can work with your soul to ease life's impact. So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before.

Your Soul's Plan Robert Schwartz 2010-05-18 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. LOVE BIBLE SERIES 1: LIFE CONTRACT (Vol. 1) CHRIS WEI CHEN 2021-01-16 Believe the cosmic rule that no one is sent by God to you without a reason. Why on earth it is he or she who met me and turn my life upside down? Why the one in trillion chances rested on him or her to give me such a shocking wave of love/life lesson? The reason why we have the sixth sense intuition as human beings are because our souls had read the script of our current life before incarnation took place. We just forgot all the details. It is not unusual that we get strong premonitions before major life events happen. It is also not surprising when we feel hidden turns always lurking somewhere without any logic facilitation. If we feel needy to this world, then we owe the world something. If we feel needy to someone, then we owe this person something. The needy tendency is an inborn thing, the so-called "Love at First Sight". Or it could be acquired, the so-called "Emotional Entanglement". Being Needy shows what we owe the outside because it keeps draining energy from us not what the outside owes us Mankind is often confused between the two. To learn more, just look into LIFE CONTRACT and give me your feedback, the 2nd series will be coming up soon.

Animal Soul Contracts Tammy Billups 2020-04-07 A guide to discovering the spiritual agreements between our souls and those of our animal companions • 2021 Coalition of Visionary Resources Gold Award • Explains how animals have physical or behavioral issues to evolve their souls as well as help our soul's evolution and release past-life karma • Describes what happens energetically and spiritually with animals in the weeks before they transition and during their passing • Includes practical instructions for identifying the different types of animal soul contracts and aligning with them to assist your shared evolutionary journey Animal lovers are extraordinary. Despite awareness that we will probably outlive our beloved pets, we are still drawn, time and time again, to the connection, joy, and unconditional love that come with sharing our lives, homes, and laps with animals. Many of us feel something deeper than just companionship with our animal friends--a heart-to-heart connection felt all the way to the soul level. Revealing the higher purpose and soul mission behind our relationships with our animal companions, Tammy Billups explores the spiritual contracts that are created when a human bonds with an animal and shows how we come into each other's lives for a reason. Providing real-life examples, Billups explains why animals choose, at the soul level, to have certain perceived negative experiences, such as physical or behavioral issues, to evolve their souls, clear karma, and help our soul's evolution. She shows that human and animal souls orchestrate every experience and interaction that holds potential for transformation and healing, including the final transition. She demonstrates the inner dynamics of the animal-human relationship to help animal lovers understand their soul contracts with their pets. The inspirational, real-life examples of animal-human tandem healings that Billups facilitated identify the soul contracts within each pairing that transformed feelings of grief, loss, abandonment, betrayal, trauma, abuse, and anxiety. The author reveals how animals we have previously loved and shared our lives with come back, either on the spirit level or reincarnated in a new animal form, to support us. Offering peace and hope to those who've lost beloved animal companions, she describes what she's witnessed during healing sessions with animals in the weeks before they transition and during their passing. Billups also includes practical instructions for identifying different types of animal soul contracts and connecting with and enlisting the help of your light team or spirit guides. By discovering the soul agreements that underlie our animal partnerships, we can find meaning in the issues that arise with our animals and ourselves, support our souls' mutual evolution, and allow the soul contracts to weave their spiritual magic in the animal-human relationship.

As we touch in with the energy of our inner child, we rediscover that sweet spot that made our heart sing when young, that direct line to our soul. While soul contracts with family and others might impact us on our path in different directions, we can reopen the clear channel to the GPS of our heart and energetic system through meditations, reflections, and exercises. Once realigned with the mission of our soul, many divine tools of manifestation open to us and, supported by angelic mentors, we will be guided to establish our personal 12-month Mission Manifestation Plan that helps realize our life purpose. Guiding many in the quest for meaning and purpose, Kathryn Hudson shares how to move from feeling out of place or out of sorts with where we are in our lives to moving intentionally into fulfillment and knowing that we are exactly where we are meant to be. And why do it alone if divine help is at hand? Taking you from simple questions and requests to direct experience and actual co-creation with the angelic realm, Discover Your Soul Mission offers a way to bring renewed zest to your life.

Soul Agreements Dick Sutphen 2005-04-25 While in spirit, before you were born, you wrote a script for your life on earth that included soul agreements establishing your relationships with your parents, lovers, children, and others who would affect your life in meaningful ways. Your career directions were planned out, as well as the major challenges you would encounter. This karmic road map was programmed at a soul level and can be examined by psychic researchers like Dick and Tara Sutphen. In his best-selling book, *You Were Born Again to Be Together*, Dick explored the concept of destiny through romantic relationships. In *Soul Agreements* his investigations expand to a variety of cases: a woman born with a severe disability; a couple who came together to experience tragedy; and others who incarnated to be famous, or influential, or to become healers. Once you understand how soul agreements work, Dick teaches how to make the most of your destiny. The more self-actualized you are, the less likely you will be adversely affected by negative life experiences. This awareness shows you how to best override fate and create your own reality of love and success.
