

Tell Poems For A Girlhood

Tell - Soraya Peerbaye 2015

"A collection of poems partially based on the Reena Virk murder case. Virk was an Asian adolescent whose drowned body was found in the Gorge Waterway in a Victoria, BC suburb, in 1997. Some of the poems use found material from court transcripts. The murder made international headlines due to the viciousness employed by Virk's assailants: seven girls and one boy between the ages of 13 and 16, five of whom were white. The poems examine in part the poet's remembrances of girlhood, the unease of adolescence, and the circumstances that enable some to pass through unhurt." --Amazon.

Love in the Cthulucene (cthulucene) - Natalee Caple 2019

In a collection grappling with #MeToo, climate change, and political turmoil, Natalee Caple strives to discover a way forward in charged times. These poems look to acknowledge struggle, to re-evaluate society, and to rethink our approach to art. This is a challenging collection, but

also a personal one. As Caple explains in her acknowledgements, she "wrote these poems as gifts." They were gifts to the people who have shaped her as a writer and a thinker, and now they are gifts to readers to show how one might try and find a way to keep creating that acknowledges the interconnectedness of all things, human and non-human.

[The Girl Aquarium](#) - Jen Campbell 2019-04

Jen Campbell's first collection *The Girl Aquarium* explores the realm of rotten fairy tales, the possession of body and the definition of beauty. Weaving between whispered science and circus, she turns a cracked mirror on society and asks who gets to control the twisted tales hiding in the wings.

[Breath Better Spent](#) - DaMaris Hill 2022-01-25

A Netgalley "Must-Read Books by Black Authors in 2022" From the award-winning and critically acclaimed author of *A Bound Woman Is a Dangerous Thing* comes a new book of narrative in verse that takes a personal and historical look at the experience of Black girlhood. In *Breath Better Spent*, DaMaris B. Hill hoists her childhood self onto her

shoulders, together taking in the landscape of Black girlhood in America. At a time when Black girls across the country are increasingly vulnerable to unjust violence, unwarranted incarceration, and unnoticed disappearance, Hill chooses to celebrate and protect the girl she carries, using the narrative-in-verse style of her acclaimed book *A Bound Woman* is a Dangerous Thing to revisit her youth. There, jelly sandals, Double Dutch beats, and chipped nail polish bring the breath of laughter; in adolescence, pomegranate lips, turntables, and love letters to other girls' boyfriends bring the breath of longing. Yet these breaths cannot be taken alone, and as she carries her childhood self through the broader historical space of Black girls in America, Hill is forced to grapple with expression in a space of stereotype, desire in a space of hyper-sexuality, joy in a space of heartache. Paying homage to prominent Black female figures from Zora Neale Hurston to Whitney Houston and Toni Morrison, *Breath Better Spent* invites you to walk through this landscape, too, exploring the spaces-both visible and invisible-that Black girls occupy in the national imagination, taking in the communal breath of girlhood, and asking yourself: In a country like America, what does active love and protection of Black girls look like?

Echoes From Girlhood, and Other Poems (Classic Reprint) - Mary L. Taylor 2015-07-14

Excerpt from *Echoes From Girlhood, and Other Poems* The Poems herewith presented are a few culled from a collection, many of which were written in early girlhood. When a child I was encouraged by fond parents; my father called me his noble daughter, a title I have endeavored to deserve through life. My mother took a special interest in my writings, even now I think I see her eyes light up with admiration when I would enter her presence, blushing, to read some new thought, never to be chided, but always encouraged by word, look or smile. It may interest my readers to know that my first poem was written at the early age of eleven years. When I married a cruel fate was in store for me, that of losing God's best gift to mortals, my health. I had thought of disappointment, I had thought of lack of wealth, but never had it occurred to me that I might be deprived of my health. With my nimble

fingers, active brain, and abundance of will-power, I never thought any task too difficult to undertake, and when once begun it must be accomplished. What others had done, why not I? was always the motto of my life; but without health, alas, one's ambition is indeed torture. Kind reader, if you have ever suffered the horrors of surgical operations, which left you worse instead of better, then perhaps you may know a tithe of what failure means to an ambitious mind. Life of the Party - Olivia Gatwood 2019-08-20

A dazzling debut collection of raw and explosive poems about growing up in a sexist, sensationalized world, from a thrilling new feminist voice. i'm a good girl, bad girl, dream girl, sad girl girl next door sunbathing in the driveway i wanna be them all at once, i wanna be all the girls I've ever loved —from "Girl" Lauded for the power of her writing and having attracted an online fan base of millions for her extraordinary spoken-word performances, Olivia Gatwood now weaves together her own coming-of-age with an investigation into our culture's romanticization of violence against women. At times blistering and riotous, at times soulful and exuberant, *Life of the Party* explores the boundary between what is real and what is imagined in a life saturated with fear. Gatwood asks, How does a girl grow into a woman in a world racked by violence? Where is the line between perpetrator and victim? In precise, searing language, she illustrates how what happens to our bodies can make us who we are. Praise for *Life of the Party* "Delicately devastating, this book will make us all 'feel less alone in the dark.'" —Miel Bredouw, writer and comedian,

Punch Up the Jam “Gatwood writes about the women who were forgotten and the men who got off too easy with an effortlessness and empathy and anger that yanked every emotion on the spectrum out of me. Imagine, we get to live in the age of Olivia Gatwood. Goddamn.”—Jamie Loftus, writer and comedian, *Boss Whom Is Girl and The Bechdel Cast* “I’ve read every poem in *Life of the Party*. I’ve read each of them more than once. In some parts of the book the spine is already breaking because I’ve spent so much time poring over it and losing hours in this world Olivia Gatwood has partly created, but partly just invited the reader to enter on their own, caution signs be damned. This book is enlightening, inspiring, igniting, and f***ing scary. I loved every word on every page with a ferocity that frightened me.”—Madeline Brewer, actress, *The Handmaid’s Tale*, *Orange Is the New Black*, and *Cam*

Girlhood - Julia Copus 2019-03-19

WINNER OF THE DEREK WALCOTT PRIZE FOR POETRY Julia Copus's new collection, *Girlhood*, is a book of transgressed boundaries and seductive veneers. Restlessly inquisitive, it exposes the shifting power balance between things on the verge of becoming and the forces that threaten to destroy them. Reading these poems, we have the sense of encountering a series of filmic installations arranged by episode in a gallery. Lost, censored or disparaged voices speak out from secluded spaces and moments of hidden history: from within a professor's office and a deserted department store; from kitchens, bedrooms, hallways and upstairs windows; through changing weathers, fidgety shadows and the witching hour. *Girlhood* concludes with a sequence set in a psychiatric hospital that reimagines Jacques Lacan's treatment of his most famous case study, Marguerite Pantaine. This dramatic meeting of minds has us questioning who is the more delusional - doctor or patient: like other victims in this exhilarating new collection, Marguerite may initially appear vanquished, but a closer look reveals how little of herself she has

really surrendered.

Lane with No Name - Hilary Tham 1996-12-31

Hilary Tham's memoirs reveal the many images, cultures, myths, and memories out of which her poetry has emerged. Tham recalls a life of many textures: her Chinese ancestry, her family's life in Malaysia, her early education and conversion to Christianity, her university studies, marriage to a U.S. Peace Corps volunteer, and more. Amidst memories of her raffish father and inspired, over-worked mother are stories of monkey raids, egg noodles, a lascivious Buddhist monk, marriages, funerals, neighbors - and the breaching of taboos. The poems interspersed in the text and the "family album" photographs enrich this narrative of a life in which poetry, passion, warmth, stubbornness, community, and clarity of thought all play leading roles.
