Red Velvet and Absinthe - Mitzi Szereto 2011-09-15

Red Velvet and Absinthe explores love and lust with otherworldly partners who, by their sheer fantastical nature, evoke passion and desire far beyond that which any normal human being can inspire. Although the greats such as Bram Stoker, Edgar Allan Poe, and Daphne du Maurier are long dead, these contemporary authors keep the Gothic spirit alive and well by interpreting it in new and exciting ways. Red Velvet and Absinthe offers readers a collection of unique and original stories that conjure up the atmospheric and romantic spirit of the Gothic masters (and mistresses) but take things a bit further by adding to the brew a generous dosage of eroticism. Lie back and listen to the wind howling outside your window as you read these stories in the flickering light of a candle, the absinthe you're sipping warming your body like the caressing touch of a lover's fingers...

The Criminal Prosecution and Capital Punishment of Animals - Edward Payson Evans 1998

Can an Animal Commit a Crime? This pioneering work collects an amazing assemblage of court cases in which animals have been named as defendants--chickens, rats, field mice, bees, gnats, and (in 34 recorded instances) pigs, among others-- providing insight into such modern issues as animal rights, capital punishment, and social and criminal theory. Evans suggests an intriguing distinction between trials of specific animals or particular crimes, such as the "murder" of an infant by a pig, and trials for larger, catastrophic events, such as plagues and infestations. In the latter case, Evans suggests a parallel to witchcraft. Edward Payson Evans [1831-1917], a historian, linguist and associate of Ralph Waldo Emerson, taught at the University of Michigan before moving to Germany, where he became a specialist in Oriental languages and German literature. A prolific author, his other Animal-related books are Animal Symbolism in Art and Literature and Animal Symbolism in Ecclesiastical Architecture, both published in 1887.

The Wretched of the Earth - Frantz Fanon 2019-12-23

A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's Orientalism or The Autobiography of Malcolm X, and it is now available in a new translation that updates its language for a new generation of readers. The Wretched of the Earth is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of postindependence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been reflected all too clearly in the corruption and violence that has plagued present-day Africa. The Wretched of the Earth has had a major impact on civil rights, anticolonialism, and black consciousness movements around the world.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned

scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Right to Sex - Amia Srinivasan 2021-08-19

A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers - a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity - its deep ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, The Right to Sex is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

An Introduction to the Study of Sexuality - R. Horrocks 1997-04-15

This book examines some of the ways in which sexuality has been described and interpreted in the West. The main models examined are: the Christian view of sex as sinful; the psychoanalytical model, including such notions as the sexual drive, infantile sexuality, the Oedipus complex, and the distinction between male and female sexuality; the 'social construction' model, which proposes that 'sexuality' is a modern concept; and the links between sexuality and spirituality. There is also some consideration of feminist and gay approaches to sexuality, and the complicated subject of male sexuality.

I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

In Cold Blood - Truman Capote 2001-10-09

NATIONAL BESTSELLER • The most famous true crime novel of all time "chills the blood and exercises the intelligence" (The New York Review of Books)—and haunted its author long after he finished writing it. On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. In *Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.

Desperately Seeking Self-Improvement - Carl Cederström and André Spicer 2017-10-20

In these pages, the authors of the widely-acclaimed *The Wellness Syndrome* throw themselves headlong into the world of self-optimization, a burgeoning movement that seeks to transcend the limits placed on us by being merely human, whether the feebleness of our bodies or our mental incapacities. Cederström and Spicer, though willing guinea pigs in an extraordinary (and sometimes downright dangerous) range of techniques and technologies, had hitherto undertaken little by way of self-improvement. They had rarely seen the inside of a gym, let alone utilized apps that deliver electric shocks in pursuit of improved concentration. But, in the course of a year spent researching this book, they wore head-bands designed to optimize meditation, attempted to boost their memory through learning associative techniques (and failed to be admitted to MENSA), trained for weightlifting competitions, wrote what they (still) hope might become a bestselling Scandinavian detective story, enrolled in motivational seminars and tantra sex workshops, attended new-age retreats and man-camps, underwent plastic surgery, and experimented with vibrators and productivity drugs. André even addressed a London subway car whilst (nearly) naked in an attempt to boost attention. Somewhat surprisingly, the two young professors survived this year of rigorous research. Further, they have drawn deeply on it to produce a hilarious and eye-opening book. Written in the form of two parallel diaries, *Desperately Seeking Self-Improvement* provides a biting analysis of the narcissism and individual competitiveness that increasingly pervades a culture in which social solutions are receding and individual self-improvement is the only option left.

Two Is a Battle... Three Is a War - Caitlyn Norrel 2016-10-13

Warning: Contains explicit descriptions of rough and/or violent sex**Special thanks to a fan for the idea**Mia, a beautiful, busty brunette makeup artist, has always had aspirations of becoming a model. Her chance at following her dreams was shattered almost immediately when she engaged in a catfight with another model of equal beauty; but even at the termination of her chance at modeling, the vicious war had made her fantasize about their desperate combat. She decided to turn her career towards being a makeup artist so that she could stay close to the career she so desperately desired...but she's never been quite satisfied. Her first high profile job was with a gorgeous brunette model named Elaine, a rising star in the modeling community; but the woman's egotistical demeanor causes her to insult and belittle Mia past her limits. The artist's self control breaks, and soon the two women are thrust into desperate competitions to beat each other down. They slap at faces and pull at hair, slamming their gorgeous bodies against each other again and again. The desperate struggle soon blurs the lines between hatred and lust; and when bare flesh meets bare flesh, Mia's fantasies are brought into overdrive. The two women fight bitterly, clawing at each other's skin furiously before meeting each other in the most intimate ways possible. The longer they fight, the more Mia falls in love with the lust of sexfighting...and even after their bitter war, Mia's body is desperate for more. When at last their struggle is finished, Mia is assigned to work with a different model, and she thinks that's the last she'll have to see of Elaine's gorgeous body...but their desperate struggles are just beginning. The next model she works for is Aurelia, one of the most beautiful, well known models in the state. Despite Mia's hopeful outlook, Aurelia's attitude is infuriating. The room they're in continues to bustle with activity, forcing Mia to bear the brunette Aurelia's abuse, and when the photoshoot is finally underway, Mia's body is seething with rage. She struggles to contain her anger, and when at last the shoot is complete and the room is empty all except for Aurelia and Mia, the artist has to fight back the urge to storm towards the model and latch onto her flowing tresses. She's about to leave the room; but as she turns to leave the hotel room's lavatory she hears the door slam open and shut...and Elaine's angry voice echoes through the room. Elaine's words accuse Aurelia of stealing her spot in the photoshoot, and the two women

exchange vicious insults between them. The two models had met before on the field of sexual battle, and it doesn't take them long to begin where they left off. They fight bitterly against each other, clad only in heels and lingerie; and as Mia watches the sight unfold from a crack in the bathroom door, her desires flare up immediately. Aurelia and Elaine fight desperately against each other, only ending when neither woman can continue. Mia's hatred for Elaine flares up furiously as she sees the brunette fall away in exhaustion, and stumbles angrily from the bathroom to have her way with the gorgeous model. Aurelia is enraged at Mia's intrusion on their war, and soon the three women are locked in desperate competition. Their fight ends without a definitive winner...and all three women know this will not be the end. The next morning, Mia is awoken by a phone call; and her heart soars as the voice on the other end offers her another chance at modeling...but her happiness is clouded almost immediately as she runs into Aurelia and Elaine once again. The tension runs high, and their hearts beat rapidly as they decide to meet in the pavilion to settle who the better woman truly is...and all three are determined to destroy each other. The three women clash in every way possible in the most furious struggle of their lives. Two is a battle...but Three is a War.

The Strange Case Of Dr. Jekyll And Mr. Hyde - Robert Louis Stevenson 2022-10-19

"The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class,

evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Ars Erotica - Richard Shusterman 2021-03-25

Delta of Venus - Anaïs Nin 2004

120 Days of Sodom - Marquis de Sade 2013-02-18

The 120 Days of Sodom by Marquis de Sade relates the story of four wealthy men who enslave 24 mostly teenaged victims and sexually torture them while listening to stories told by old prostitutes. The book was written while Sade was imprisoned in the Bastille and the manuscript was lost during the storming of the Bastille. Sade wrote that he "wept tears of blood" over the manuscript's loss. Many consider this to be Sade crowing achievement.
