

The Masculine Cross And Ancient Sex Worship

The Masculine Cross and Ancient Sex Worship - Sha Rocco 2011-04-29

This short book on ancient 'Phallic worship', as the Victorians called it, contains much which is covered in the other entries in this literature. Jennings has a compelling thesis about the role of sexuality in ancient religions and their modern successors which bears careful examination. A tremendous and controversial undertaking for its time, this book unearths some of the most fascinating connections between the world of Christianity and sexual imagery, adventure and exotica. Without missing a beat, Rocco has seen to it that her readers are

not only kept fascinated, but that her own theories and precepts remain strong in the reader's mind. It doesn't matter that her words reach out from a past century. Their ring is clear and their message loud, even by today's standards. Rocco moves from an intrinsic philosophy of the cross and its shape and form in theoretical gendering, while leaving no stone unturned in her discussions of the Triad and Vocabulary of the ancients. This woman finds sex in every nook and cranny of history, letting nothing stand in her way to complete sexual discovery. Her writing style remains clear and easy to read, while packed with the most

interesting of facts, theories and suggestions.

The Masculine Cross - Anonymous 2021-04-26
"The Masculine Cross" by Anonymous. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

published under the pseudonym "Sha Rocco." Within it, Jennings presents a detailed treatise on the role of sexuality in ancient religions and religious practices, as well as the development of these ideas throughout history. "The Masculine Cross and Ancient Sex Worship" will appeal to those with an interest in ancient religions and the history of sexual representation in art and literature. Contents include: "Origin of the Cross," "Emblems," "Phallus," "Triad," "Vocabulary," "Marks and Signs of the Triad," "Yoni," "Fish and Good Friday," "Tortoise," "Earth Mother," "Unity," "Fourfold God," "Religious Prostitution," "Shaga," "Communion," "Buns and Religious Cakes," etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality, edition complete with the original text and artwork.

[Ancient sex worship](#) - Hargrave Jennings 2019-10-15

FAR back in the twilight of the pictured history of the past, the cross is found on the borders of the river Nile. A horizontal piece of wood fastened to an upright beam indicated the height of the water in flood. This formed a cross, the

Nileometer. If the stream failed to rise a certain height in its proper season, no crops and no bread was the result. From famine on the one hand to plenty on the other, the cross came to be worshiped as a symbol of life and regeneration, or feared as an image of decay and death. This is one, so called, origin of the Cross. The cross was a symbol of life and regeneration in India long before this usage on the Nile, and for another reason. The most learned antiquarians agree in holding it unquestionable that Egypt was colonized from India, and crosses migrated with the inhabitants. "Proofs in adequate confirmation of this point are found," says the learned Dr. G. L. Ditson, "in waifs brought to light in ancient lore. Waif originally signified goods a thief, when pursued, threw away to avoid detection. Many of the facts to be brought forth in our inquiry were doubtless intentionally scattered and put out of sight to prevent apprehension of the proper subject to which they belong." The cross bespeaks evolution in

religion. It is the product of time, and the relic of the revered past. It begins with one thing and ends with another.
