**Live Your Bliss** - Terry Cole-Whittaker 2010-10-04

After years of teaching metaphysical principles all over the world through her seminars, books, church, and international television ministry, Terry Cole-Whittaker realized that there was something extremely important missing from her teachings. Divine discontent led her on an amazing spiritual journey that eventually yielded all that had been missing plus the sacred wisdom whereby everyone can enjoy the benefits of ever-increasing bliss, prosperity, and love. Terry shares this most empowering knowledge, the knowledge of who we really are — perfect souls possessing godlike powers and qualities.

**The End of the Fairy-tale Bride** - Cornelia Powell 2015

Wedding folklorist and costume historian Cornelia Powell, along with her insightful way of looking at the life of Princess Diana, forms a captivating view into the world of brides and ceremony, of fairy tales and princess myths. "The End of the Fairy-Tale Bride: For Better or Worse, How Princess Diana Rescued the Great White Wedding"—this first volume of irresistible stories—combines bridal mythology, fashion history, goddess legends, royal ceremonies, and a bit of cosmic mystery with the life of the world's most famous celebrity and the ultimate princess bride. The author has a singular perspective on Princess Diana's influence on weddings including their complement of womanly rituals. On the gilded wave following Diana's royal wedding in 1981—reinventing an outdated bridal industry and bringing weddings back into high-style—Cornelia created a store for the new woman emerging that decade...a design haven for this "grown-up bride." And her invitation over the years to all those brides-to-be, "don't settle for being a princess for a day, be a goddess for a lifetime," shapes the heart of this book. Called "such an intimate experience from which the reader emerges transformed," the book wraps its narrative inside the heart-opening legacy of an archetypal princess who changed our notion of 'happily ever after', who ended the myth of the fairy-tale bride, and who opened a tender pathway to love for those she left behind.

**Black Book of Bliss** - Rahul Chanday 2017-01-20

When we reach out to the first bright light of the morning sun and stretch our arms to embrace it, we will experience immense joy. We just need to stretch our arms, and to welcome it within every cell and our being with love and enthusiasm. We will need to let go of all the inhibitions and let loose of all restrictions. The more we practice doing this, the closer we get to believe that the whole universe resides in us, in you." You are not a drop in an ocean but the entire ocean in a drop." Happiness is not an achievement; it is a realization. It is not a destination; we sense it throughout our journey. Happiness doesn't depend on what we have or what we don't have, it depends on what we are deep within us. When we stop constantly fighting back with what we are, when we realize that we are imperfectly the most perfect human ever created in the history of mankind. We realize our uniqueness. We can never make or produce happiness; we can only discover it because it has always been there around us and in our totality. Pure bliss has never happened to anyone through achievements, it happens when we drop the very idea of running behind, even running behind happiness and then we realize that we are complete and total, exactly as we are. This is how I write my bliss in black and white...

**Quill & Quire** - 1999

The Handkerchief Has Been Thrown! - Cornelia Powell 2015-07-06

The voice of conscious weddings for almost thirty years, wedding folklorist and costume historian Cornelia Powell now creates an anthology for gay and lesbian couples. Here is "The Handkerchief Has Been Thrown! Something Old & Something New for Same-Sex Couples ~ Musings on Love, Weddings & Handkerchiefs." Historically, the handkerchief has long "represented the bond between lovers." So using it as her muse for this book, Cornelia wraps her stories with bits of wedding folklore, fashion fancy and ritual wisdom then moves us beyond romance and ceremony into ways that open hearts. In the author's unique way of storytelling, the book is full of tales like the seductive language of flowers and the princely charm of pocket squares, but it also shares the underlying magic of the wedding rite-of-passage. Plus... \* it entices with stories of sensuous pre-wedding rituals of fragrant, healing baths in ancient Greece (and why today's brides and grooms should do the same) and what love-tokens you really ought to be tossing at your wedding reception; \* it tells how romantics throughout history flirted with a well-placed hanky, yet offers endearing ways to use handkerchiefs at a wedding; \* it explains why we have kings and troubadours to thank for our modern notion of "amour" as well as why surrendering to love is a sign of strength; \* it even shares the benefits of taking deep, languid breaths because the more at ease a person's body, mind and spirit the more loving their relationships; \* the book discloses how not to fall into the cookie-cutter, commercial-formula trap of mainstream weddings, but instead become a trailblazer in bringing intimacy back to wedding celebrations; \* it reveals tips from "don't go down the aisle without a serviceable hanky" to the secrets of how to keep your heart open in a less than agreeable world; \* and now that marriage is more available for same-sex couples, the book encourages devoted couples to be leaders in creating a new archetype of marriage-one of "spiritual partnership." In compiling this anthology-selecting bits from her books and blogs, favorite essays and articles, adding new insights and observations-Cornelia shares conversations about our currently changing social culture. She asks: "If marriage is said to add strength for the social good-yet is a social structure that's been deteriorating of late-why not include all couples in on re-building the viability of this institution?" As one reviewer commented: "Who knew something as practical as the handkerchief could be so thought-provoking, entertaining, mysterious-even sexy?"

**The Millionaire Code** - Paul B. Farrell 2003-09-26

Praise for THE MILLIONAIRE CODE "A wonderfully worthy book, especially in an era when the wrong kind of capitalism has been in the driver's seat. The Millionaire Code is about something far more noble than money-the joy of living your life to the fullest simply by finding what it is you love to do, and then doing it. 'Hats off' to Paul Farrell for picking up where William Shakespeare left off: 'This above all: to thine own self be true.'" -John C. Bogle Founder and former CEO, The Vanguard Group "To make your savings grow, you need to know three things: the way the markets work, the way market history works, and the way you work. Let Paul Farrell take you on an enlightening, enjoyable, and profitable journey to the inner self of the successful investor." -William J. Bernstein, PhD, MD author of The Four Pillars of Investing: Lessons for Building a Winning Portfolio and The Intelligent Asset Allocator "Combining personality theory, solid investment advice, and Zen philosophy, Paul Farrell demonstrates concretely how necessary it is to combine your personality and investing styles in order to create meaningful wealth. If you want to learn what it takes to develop your own unique investment strategy-the only kind likely to succeed-this is the book to get." -Dr. Richard Geist Clinical Instructor, Department of Psychiatry (Psychology) Harvard Medical School "An important work. Leave it to Paul Farrell to provide a truly unique insight into the minds of millionaire investors. I have been impressed with Paul Farrell's work for many years. His latest book, The Millionaire Code, provides an important contribution to the world of investing. Truly unique insights." -Charles Carlson author, Eight Steps to Seven Figures: The Investment Strategies of Everyday Millionaires and How You Can Become Wealthy Too "It's often said that if you don't know who you are, Wall Street is an expensive place to find out. By helping you understand more about yourself, this book will help you become a more successful investor." -Ric Edelman Chairman, Edelman Financial Services, author of Ordinary People, Extraordinary Wealth, and Discover the Wealth Within You

*How to Create Your Own High Paying Job* - Dr. Gary S. Goodman 2019-03-20

Are you unemployed? Or, are you overworked, underpaid, and stuck in a lifeless job, reporting to someone who doesn't seem to be doing much better than you are? You're not alone. Corporations once needed large

inflows of middle managers and the formally educated. Many of these posts have disappeared or have been displaced by outsourcing, offshoring, international competition, and by technology. There is a widespread and growing under-employment problem facing almost every society. Many are working at jobs that do not require the experience and schooling they possess. In the United States up to 44% are under-employed; in Canada this number is 40%. Though there has been some job growth over the past few years, these jobs are mostly lower-paid without a solid ladder to success. In this original and groundbreaking book, you'll learn how to develop your own highly compensated career opportunities.

*The Guide to Business Bliss* - Steve Lawson 2011-09-15

Small business owners do not have the same resources as multinational corporations, so they must be able to succeed without spending millions of dollars on marketing. But how can you do it without working all the time? The truth is that it requires a lot of effort, but you need to enjoy some type of payoff to make all that work worthwhile. Setting up your business the right way and using proven strategies will allow your business to succeed. More importantly, however, you'll be happier on and off the job! Longtime business consultant Steve Lawson provides a roadmap so you can improve your business. He focuses on the problems that matter, including how to understand profit; track data; manage your time, work force and property; and set your business on autopilot. If you are an independent business owner who is not yet achieving your desired results, then you must change tactics. Develop an action plan that focuses on analysis and strategy and achieve your objectives with The Guide to Business Bliss.

*Turn Your Passion Into Profits* - Janet Allon 2001

The how-to companion book to The Business of Bliss, this book explains the basics of starting your own small business, from writing a business plan to finding financial help, hiring staff, and more.

More to Love - Alison Bliss 2018-01-30

This laugh-out-loud romantic comedy proves that, when enemies become lovers, all bets are off! Jessa Gibson may be new in the little town of Granite, Texas, but in no time at all her gourmet food truck business is booming. Soon she'll have enough money to open the restaurant of her dreams. But first, she'll have to appease the hot local health inspector, no matter how strange his "violations" sound to her. No pink plastic gloves? Really? Max Hager isn't exactly who he says he is. Pretending to be a health inspector is a (mostly) innocent mistake. A mistake made way worse by Max's immediate, electrifying attraction to the curvy, sexy, redheaded chef. Throw in a whole lot of lust, and things in Jessa's little kitchen are about to really start heating up. But can Max find a way to come clean with Jessa before his little deception turns into a recipe for disaster?

**Your Portable Empire** - Pat O'Bryan 2010-12-16

Praise for Your Portable Empire "In a sea of snake oil and get-rich-quick nonsense about fast money on the Internet from people who haven't really done it, O'Bryan's book is a ship of sanity to an island of commonsense e-commerce? This works." —Mark Joyner, Wall Street Journal bestselling author of Simple.ology "The Internet has leveled the playing field, making it possible for anybody to start a business. O'Bryan, however, has given us the easy-to-follow instruction manual on how to first discover your niche and then build it into a big enterprise that can run itself from almost anywhere-all from his successful and proven formulas. A great book for anybody serious about a better quality of life." —Joseph Sugarman, Chairman, BluBlocker Sunglass Corporation "This amazing book can free all working people to make money doing what they truly love!" —Dr. Joe Vitale, author of The Attractor Factor and Zero Limits "I know O'Bryan as a friend and colleague. He has painstakingly put together a book, with no frills or fanfare, that straight-up shares his hard-won wisdom. May I urge you to get it and read it? Not only will you enjoy it-but once you act on what you learn, you can profit mightily as well. Why? Because what's in this book lets you stop making the victim's compromise on a daily basis-and start doing the victory dance, whenever you want!" —David Garfinkel, author of Advertising Headlines That Make You Rich "O'Bryan lives the portable empire, running his business from a laptop with a cigar and a glass of fine wine. There is no one better to be your guide as you create your own, because he's laid out every step for you in his inspiring and easy-to-read book. There is no need to be chained to a desk or locked in a cubicle, and your business can take you far beyond your kitchen table with the blueprint O'Bryan shares from his own successful journey." —Craig Perrine, www.maverickmarketer.com "Freedom-O'Bryan's new book makes you understand exactly how to obtain it and create the lifestyle of your dreams. Anyone who can go from

being a dead-broke musician living in a mobile home to generating six figures in a single month is worth reading." —Bill Hibbler, coauthor of *Meet and Grow Rich*

**The Business of Bliss** - Victoria Magazine 2002-08-01

*"I Love You More Than My Dog"* - Jeanne Bliss 2011-10-25

"I highly recommend reading this book!" -Tony Hsieh, CEO, Zappos.com  
Lots of businesses are respected, but only an elite few have passionate, loyal, vocal fans. The kind of customers who not only come back time and time again, but rave to friends, family, and even strangers. The kind who can drive explosive growth via e-mail, blogs, Facebook, and Twitter. Jeanne Bliss is an expert on what it takes to earn that kind of customer. Bliss has studied and worked with many beloved companies, from longtime successes like Wegmans and Harley-Davidson to relatively new companies like Zappos and The Container Store. They all make the same five fundamental choices. Their reward: an army of fans who say things like, "I'd marry them if I could," and "I love you more than my dog!"

**Earn It** - Katie Malachuk 2013-12-04

"This book is far better than it has any right to be. My best advice is that you shouldn't waste the time and money it takes to get an MBA. But if you're going to ignore that advice, please (please!) read this book first." - Seth Godin, Stanford MBA and New York Times bestselling author of *Linchpin* and *Tribes* Here's the powerful truth about getting into business school: it starts by being honest with yourself. As a graduate of Stanford's Graduate School of Business, and throughout her career as a highly sought-after admissions consultant as well as yoga instructor and life coach, Katie Malachuk has learned that no matter your vocation, fulfillment is only achieved when you find your true place in the world. With *Earn It*, she offers her surprising yet highly successful approach that transforms the admissions process from burden to adventure. *Earn It* can supply you with the practical, insider savvy of a winning consultant, but it goes well beyond other books in the field. It seeks to reveal your true self-your gifts, values, and callings. This is more than your average guide to getting accepted to prestigious programs. It's a guide to finding your bliss and making it last well beyond graduation.
