We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. My First Snow of Winter - Bhawna 2021-04-07

"How do you fall in love with someone? How do you feel when it happens? Do you smile whole day or do you realise that there is a beatbox

inside you which plays the sweet songs whenever you see the one? For me it was just like a fairytale... I know most of us do not believe in magic, but I do...love is so magical when it happens with the right person, when it builds slowly, when it makes everything disappear except the love itself! But... I do have fear, I have fear that what if one day...my love story won't have a happy ending? What if I have to see it going away and disappearing in front of my eyes? What if I'd never get the chance to see the snowfall of my love? What if my wait...stays forever?"

*My Year of Not Getting Sh*tfaced* - Pamela Power 2023-03-08

After an exceptionally wild Mother's Day where she danced like there was no tomorrow, picked a fight with a stranger and collided with the floor, Johannesburg scriptwriter and author, Pamela Power, is forced to take a hard look at her drinking habits. She realises that although she does not need to find an AA group immediately, she might be a serial binge drinker and needs to take back control. In this honest, yet humorous account of her year of not getting sh*tfaced, Pamela examines her long relationship with alcohol. She is shocked to realise just how much of a crutch alcohol has been for her. There is always a bottle of wine or prosecco around to help her manage the many demands of life as a freelancer and a parent. Pamela starts her journey to sobriety at the height of the Covid-19 pandemic as her family faces financial troubles and life in the suburban parks of Johannesburg isn't so blissful anymore. Internet Children's Television Series, 1997-2015 - Vincent Terrace 2016-12-16
Created around the world and available only on the web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.
