**The Road** - Libby T. Nance 2007-08

The Road takes you on Lacey's journey and leaves you wanting a deeper understanding of the significance of each character to Lacey, why some love her unconditionally while others hate her innocence. The Road for Lacey Rutledge begins with her first memory at two years old and maps the path she travels within a small town in Western North Carolina. Raised by her parents, grandparents and extended family, as was common in the 30s, her story is filled with colorful characters who unknowingly help establish the woman she becomes. Her Pappy is a man deeply devoted to the things of God and captures Lacey's complete affection, thus causing her to search for her own spiritual destiny. However, having that pure heart of a child, but faced with a world of prejudiced views, Lacey finds herself being singled out by a town full of preconceived ideas and religious bigotry, fighting for what is right and against those things that are wrong in the eyes of God.
