Sex Games for Couples Mia Knox 2020-12-15 When was the last time you tried something new in bed? Are you ready to discover what turns you and your partner on? Then keep reading... Studies show that playing games together strengthens relationships. Have you ever noticed that it is an activity that is used in almost every setting? Think about office team building activities, or your friends' drinking games. Regardless of the venue and the people involved, games are consistent, aren't they? Activities which require interaction among players are often used as a way to get to know each other, and hopefully, to form a long-lasting bond. The same is true for romantic relationships. In this book you will find activities in each chapter with varying levels of difficulty and intimacy requirements. Depending on how far you are into your relationship, you may choose to start on particular levels. Each chapter contains game mechanics, explanations, and tips. Whether you are in the early stage of dating or in the steady phase of a committed relationship, whether you are in public, in your go-to bar, or in the comfort of your home, you will be surprised at the variety of things you can do to spice up your intimacy. Through the pages of this book, you will find a step-by-step guide on how to make your date fun and sizzling. Get to know your partner on a different level. Break the awkwardness and break the monotony. Get competitive and get closer! Here's a sneak peek of what you'll find inside: Why changing mindset is important for your sex life What are the common problems couples have with sex How to introduce couple games into your bedroom More than 60 sex questions to discover what turns your partner on Quick and easy foreplay games for couples Funny sexy games for couples Delightfully dirty versions of Truth or Dare, Would You Rather and other classic games What are the games you can play with sex toys? The main focus of this book, though, is to share strategies for maintaining a deep emotional connection and with your long-term partner and how to accomplish this through sex. This book will teach you how to keep the fire burning bright in your marriage and how to make it burn even brighter. The longer you have been in a relationship doesn't have to signify the amount your frequency of having sex has decreased by. There are so many movies and television shows that tell us that marriage and having kids means the end of intimacy and sex. This does not have to be the case! After reading this book, you will be hopeful too. *Sex Games for Couples* book will show you delightful tips and suggestions on exactly how to continue to have an intimate and loving marriage for years and years. Sex Games for Couples Tony Bravo 2020-06-16 Are you looking for a book that can spark your sex life and enhance the couple's performance? In this book you will learn tips, tricks and advice for your sex life, how to play naughty safe games and have fun in bed. Tony and me have been happily married for 10 years and we still share a wonderful story together, but during our lives we had experienced some issues related to the sex part go our wedding. As always, at the beginning we had a lot of fun, but over time the spark turned off. It's anybody's fault. We have very busy lives, long working hours and a happy family (and a dog!) to take care of, but it's a shame that husband and wife can't have some time on their own. Willing to find a solution we ended up discovering a new way to have sex, using games, toys and tools and despite at the beginning it looked a bit weird, we tried them and eventually enjoyed a new way to share intimacy. After the first experiences, it became an habit that led us to have sex regularly and happily. Thanks to this experience, we decided to write a book about our journey with the sex games and we truly hope that it will help you too to keep the thrill in your relationship. In this book you will learn: How to understand couple complicity and intimacy How to solve common problems about sex Your sex personally Many sex games for couples, such as Truth or Dare and Would You Rather New sex positions How to use tools during sex, dildos and soft bondage. Don't let your sex life go wrecked, talk with your partner and embrace a solution, hopefully a playful one! Scroll up, click buy it now and get your copy today!

Would you rather have phone sex with the Moviefone guy or Jar Jar Binks? Ideal for parties and road trips, these weighty philosophical questions are also perfect for moments of solitary reflection.
