

A Dragons Love Song Mm Gay Omega Mpreg Romance Fires Of Fate Book 3

Bond - Virginia Kelly 2018-11-12

Adorably naive and shockingly brilliant Harrison Lessardi only needs two things in life: his pet iguana, Steve, and his undying love of science. That is until he witnesses his best friend lay eggs, and a third must-have strolls into his apartment-the sardonic and mischievous Everard Drake. Everard Drake, celebrated doctor of the tremendously wealthy Drake family, has one goal in mind when he arrives at the scene of his youngest brother's latest disaster: incinerate Harrison Lessardi. Unfortunately for Everard, the moment he spots Harry, incineration becomes an impossibility-he must have the gorgeous beta as his own, even if it means holding him captive on his estate. But something else lurks behind Everard's interest in Harry-something that tugs at Everard's soul in impossible ways, and that will send Everard and Harry down a rabbit hole of discovery that will change the world as they know it. An alpha and a beta can't share a bond. Can they? Bond is a 78,000 word steamy omegaverse mpreg-ish romance that will leave you in stitches. It contains an unexpectedly consensual kidnapping; giant magical lizards; an iguana with a full wardrobe named Steve; never-ending nicknames; and a HEA that may, or may not involve mosquito nets. For maximum enjoyment, Bond is best read following the events of Clutch.

His Stubborn Bear - Skye R. Richmond 2021-07-20

After losing his Papa and breaking up with his boyfriend, Kian finds himself alone in the world. Accepting a job and moving across the country to Montana spur of the moment is crazy, right? And then there's Gabe, his best friend's older brother. Kian has no idea why the man makes his pulse race the way it does. But there is one thing he does know, Gabe hates every idea Kian comes up with for the ranch's rebranding. Gabe is set in his ways. The last thing he needs is a human coming in and changing things. Yet the moment he lays eyes on Kian, he knows he found his mate. There's just one problem. Kian doesn't know that shifters even exist. Will his mate be able to handle the truth of what Gabe is and accept that they're fated?

The Dragon of His Dreams - Ann-Katrin Byrde 2018-07-19

Michael has always wished for a dragon. Kylan has always wished he wasn't one, but when push comes to shove, can he be the dragon Michael needs him to be? Michael is an omega with about three-hundred book boyfriends, and zero real life dating experience. He makes up for that lack with an unquenchable thirst for knowledge and a non-stop craving for romance. When his friend invites him to visit on the Island of Dragons, he can't wait to go. Not only because dragons are simply fascinating, but also because everyone knows they're the hottest creatures in the known universe. Despite this, he doesn't expect to find the love of his life during one short vacation. He knows that only happens in books. So the shock of falling head over heels for the first dragon he meets hits him completely unprepared. Selling wedding rings in Vegas has left Kylan's views on romance a bit skewed. He wants it-despite the many poor examples Vegas shows him- but he knows he won't get it as long as he can't control the dragon within him. Finding out his fated mate is a human omega, and one who seems to call out to his inner beast, throws his life into a tailspin. He can keep his distance, and lose the best thing that's ever happened to him, or he can give in to his baser nature, and risk losing him to his dragon. It seems like an easy decision, until Solstice night adds a new complication that will tie them together for life.

Known Desire - Aria Grace 2017-12-09

Book 2 of the Omega House series. (MPreg Alpha/Omega) When Roper & Associates breeding farm was raided, Freddie was rescued from the hell he'd been living in for years. As a pregnant omega, he didn't have many prospects for his future, but at least he was free and would be able to keep this baby. Unlike the others he'd birthed while at R&A. While living at the Omega House, he befriends a homeless omega who is scared and looking for friendship. They provide that for each other, and when the omega's alpha brother comes looking for him, everything in Freddie's life changes. Raising a newborn as a single omega isn't easy, but he finds the support he needs to be the parent all babies deserve. But will he have to do it alone?

Daddy From Flames - Ashe Moon 2021-04-28

Pregnant and without an alpha, human omega Grayson must rely on his tenacity to provide for his unborn daughter. But when a fire claims his home and everything he's struggled to work for, rescue comes in an unexpected form: the alpha dragon Altair and his flight of firefighters who reluctantly take Grayson into their custody. Altair's resentment of humanity is matched by a conflicting sense of duty to protect the town they share and all who call it home, human or dragon. He and his flight brothers have never had to deal with an omega before-let alone a human-and now they have one living under their roof! Everything Altair thought he knew about humans, omegas, and mates is called into question-and with Grayson's baby on the way, he's about to find out what it's like to be a daddy. Daddy From Flames is the first book in the Dragon Firefighters mpreg series. This book features dragon shifters, a human omega, firefighters, an industrial fantasy setting, pregnancy/birth, new dads, a cat, love healing wounds, action, fun, light drama, and, as always, a happily ever after.

A Duke by Default - Alyssa Cole 2018-07-31

An NPR Best Book of the Year - A Bookish Favorite Book of the Year - A Bookpage Best Romance of the Year Award-winning author Alyssa Cole's Reluctant Royals series continues with a woman on a quest to be the heroine of her own story and the duke in shining armor she rescues along the way... New York City socialite and perpetual hot mess Portia Hobbs is tired of disappointing her family, friends, and—most importantly—herself. An apprenticeship with a struggling swordmaker in Scotland is a chance to use her expertise and discover what she's capable of. Turns out she excels at aggravating her gruff silver fox boss...when she's not having inappropriate fantasies about his sexy Scottish burr. Tavish McKenzie doesn't need a rich, spoiled American telling him how to run his armory...even if she is infuriatingly good at it. Tav tries to rebuff his apprentice—and his attraction to her—but when Portia accidentally discovers that he's the secret son of a duke, rough-around-the-edges Tav becomes her newest makeover project. Forging metal into weapons and armor is one thing, but when desire burns out of control and the media spotlight gets too hot to bear, can a commoner turned duke and his posh apprentice find lasting love?

Love Bites - Ann-Katrin Byrde 2019-11-14

Other parents give their children toys and party games for their birthday. My dad gave me and my siblings wooden stakes and flash grenades. To protect us from vampires. From the moment he adopted us, he warned us about the dangers that lurk in the dark. Obviously, I thought he was crazy. Vampires aren't real, and I was already enduring enough panic attacks without buying into Dad's insane ideas. But then I met Talon. Talon has fascinating scars and a mouth I want to kiss and a body I want to feel--and fangs. Vampire fangs. Suddenly, the weapons Dad gave me start looking real useful. Only I don't want to fight Talon. I want to feel his teeth on my neck. I can't explain it. He makes my knees go weak. I know it's wrong, but it feels right. It feels like destiny. When Talon bites me, I forget everything, even that he is a monster. Even that I shouldn't be falling for him. Even that his coven wants me dead.

Peregrine - Virginia Kelly 2021-05-19

1508 Sebastian Drake, stoic protector of the Drake family, always gets what he wants--and there is nothing he wants more than the half-starved Pedigree omega named Peregrine he comes across on his travels. It doesn't matter that Peregrine is a Disgrace. Sebastian will do whatever it takes to keep him... and somehow, as impossible as it might be, find a way to be his mate. Present Day For hundreds of years,

Peregrine has enjoyed life as Sebastian's mate. Sure, as one of the only bonded omegas in recent history he's been kidnapped more times than he can count, but with Sebastian there to save him it's little more than an inconvenience. And attacks from hostile clans? That's just a typical Tuesday. But there is one thing Peregrine fears, yet desperately wants. One thing that has hurt him time and time again. One thing Sebastian can't save him from. And now it's happening again. He's pregnant. Peregrine is an 85,000 word omegaverse mpreg romance set prior to as well as following the events of the Forbidden Desires series. It has answers to questions you've been dying to know and contains heartache, laughter, origin stories, meddling reptilian families with huge hearts, exotic locales, a dash of danger, and a love story five hundred years in the making. For maximum enjoyment, Peregrine is best read following the events of Clutch, Bond, Mate, Swallow, Magpie, and Finch. Found - Gemma Weir 2020-08

A throwaway & a Princess. Both of us are messed up, both of us pretending. I've played with her, manipulated and bullied her, right up until the moment I realised how much I wanted her. When I was

planning to beg for forgiveness, someone else was planning her demise. Her crown might have slipped but no one will ever be able to take it away, she's a Princess, my Princess to the very core. I've spent every moment of the last few years counting down for my freedom, now I want to be caught and bound to her. Archer's Creek was where I was forced to come; now it's the only place I've ever wanted to stay. Can she forgive me or has my past left me beyond redemption?

Omega's First - Aria Grace 2018-03-04

An alpha omega Mpreg non-shifter romance Andy's ready to find his alpha, but first, he needs to lose his v-card to eliminate the stress of not knowing what the experience is like. He finds himself at a local club known for sexy alphas looking for a good time. But when something gets slipped into his drink, Andy becomes the target of a group of dangerous alphas. Jude is out celebrating with a friend when he spies the gorgeous omega, Andy. The attraction is definitely there, and when Andy is escorted to the back by a group of men, warning bells go off in Jude's head. When he attempts to rescue Andy, loss of memory and a confused state leave Jude as the alpha taking the blame for Andy's assault. As fate would have it, Andy takes a job with Jude as his project manager, and even after everything is explained, another issue presents itself. The two men are spending a tremendous amount of time in close proximity of each other, and Andy is going into heat. When another alpha in the company takes interest, jealousy and paranoia take over. The two of them struggle with their hidden desires as fate works hard to bring them together. Omega's First tells the story of a virgin omega who is rescued from an attempted assault and the mistaken identity of the alpha who saves him. Disclaimer: This book contains sexually explicit adult content that includes sex scenes between an alpha and his omega. The book is intended only for adults who enjoy male-male sexual themes. The book is approximately 28,000 words in length and does not end in a cliffhanger. Trigger Warning: Attempted sexual assault.

Mating the Omega - Ann-Katrin Byrde 2016-11-03

Omega wolf Jason and his family have been on the run for six years to keep Jason from being forcefully mated to his pack's cruel Alpha. When a brutal attack leaves his father desperately injured, Jason comes to the conclusion that it's time to call it quits. Terrified as he is to deliver himself into an Alpha's power, he makes a deal to mate with the Alpha of the richest pack in the country. And discovers that he'd rather mate the Alpha's handsome Head of Security. When Mac captures the feral shifter that climbed the walls surrounding the Mercy Hills Pack enclave, he feels for the young shifter's fear, though he knows his Alpha isn't the sort of shifter Jason believes he is. He'd be happy to see the two mated, except that, as time goes by, it becomes more and more difficult to deny his own feelings for the young, damaged omega. A sudden turn of events sees Mac and Jason mated and expecting, but Jason's old pack isn't done with them yet.

The Fifth Vital - Mike Majlak 2021-05-05

USA TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story.
