- Guidelines for finding the best possible specialist for your reproductive and sexual health needs, whether you are seeking a gynecologist, genetic counselor, endocrinologist, or midwife
- Includes helpful "what to ask your doctor" checklists and timetables for medical exams and screenings
- An overview of the state of women's health today—from such conditions as amenorrhea to infertility to premature ovarian failure to breast cancer—including the latest research and resources

**Passionate and Pious** - Monique Moultrie 2017-12-15

In *Passionate and Pious* Monique Moultrie explores the impact of faith-based sexual ministries on black women's sexual agency to trace how these women navigate sexuality, religious authority, and their spiritual walk with God. Providing churchwomen a space to candidly discuss these issues, these popular ministries exist largely beyond the traditional church, with dialogues about sex taking place in chat rooms and through text messages, social media, email, and other media. Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences. What does it mean for senior women to exercise sexual agency when their church standing could be questioned? What does celibacy mean for women who experience same-sex desire while believing that such desire goes against God's

will? Advancing a womanist sexual ethics, Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure, thereby calling on black churchwomen to experience responsible and life-enhancing sex.

More than two thousand alphabetical entries discuss all aspects of female sexuality

**The A to Z of Feminist**

**Philosophy** - Catherine

Villanueva Gardner 2009-07-23

Having only emerged in the past few decades, Feminist Philosophy is rapidly developing its own thrust in areas of particular importance to feminism-and women more generally-while also reevaluating and reshaping most other fields of philosophy, from ethics to logic and Marxism to environmentalism. It draws not only on feminist philosophers but criticizes, approves, or appropriates the work of the leading philosophers of all times.

fame are back offering an essential guide with more than 350 hilarious alphabetically listed entries.

**Women and Gender in**

**Medieval Europe** - Margaret

C. Schaus 2006-09-20

From women's medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity, gender and social status dictated all aspects of women's lives during the middle ages. A cross-disciplinary resource, *Women and Gender in Medieval Europe* examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE, i.e., from the fall of the Roman Empire to the discovery of the Americas. Moving beyond biographies of famous noble women of the middle ages, the scope of this important reference work is vast and provides a comprehensive understanding of medieval women's lives and experiences. Masculinity in the middle ages is also addressed to provide important context for

understanding women's roles. Entries that range from 250 words to 4,500 words in length thoroughly explore topics in the following areas: · Art and Architecture · Countries, Realms, and Regions · Daily Life · Documentary Sources · Economics · Education and Learning · Gender and Sexuality · Historiography · Law · Literature · Medicine and Science · Music and Dance · Persons · Philosophy · Politics · Political Figures · Religion and Theology · Religious Figures · Social Organization and Status Written by renowned international scholars, *Women and Gender in Medieval Europe* is the latest in the Routledge Encyclopedias of the Middle Ages. Easily accessible in an A-to-Z format, students, researchers, and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe.

Women and Men in Organizations - Jeanette N. Cleveland 2000-01-01  
The gender and racial composition of the American

workforce is rapidly changing. As more women in particular enter the workforce and as they enter jobs that have traditionally been dominated by men, issues related to sex and gender in work settings have become increasingly important and complex. Research addressing sex and gender in the workplace is conducted in several distinct disciplines, ranging from psychology and sociology to management and economics. Further, books on gender at work often reflect either a more traditional management perspective or a more recent feminist perspective; rarely however, are these two orientations on women and work acknowledged within the same text. Thus, the principle goal of the book is to communicate a variety of social psychological literatures and research on gender issues that affect work behaviors to upper-level undergraduate and graduate students in applied psychology and business.

The A-Z of Non-sexist Language - Margaret Doyle 1995

Bringing today's vocabulary completely up-to-date, here is definitive guide to non-sexist language. This straightforward and easy-to-use handbook offers a complete listing of sexist words and their non-sexist alternatives; vital clarification of common-usage words, outlining fully why some words are sexist and some are not; accessible A-Z format; and full cross-referencing. Unique and comprehensive, The A-Z of Non-Sexist Language is an essential reference for writers, speakers, editors, teachers and all who care about the words they use.

Healing Flowers A-Z - Diane Stein 2013-01-16

The author has provided simple and easy to apply instructions in the introduction of this book so that you can make your own flower essences if you so choose. She has also provided information on compatible gemstones as well as background in the chakras (which are each a nexus where

various energies come together in the subtle body.)

Understanding how to utilize a wider range of flower essences is the key aspect of the current book, which reviews the use of 350 different flowers.

**The A-Z of Gender and Sexuality** - Morgan Lev Edward Holleb 2019-04-18

There can be confusion around the appropriate terminology for trans and queer identities, even

within the trans community itself. As language is constantly evolving, it can be especially difficult to know what to say. As a thorough A-Z glossary of trans and queer words from 'ace' to 'xe', this dictionary guide will help to dispel the anxiety around using the "wrong" words, while explaining the weight of using certain labels and providing individuals with a vocabulary for personal identification. Having correct and accurate terminology to describe oneself can be empowering, especially with words and phrases that describe gender identity, sexuality, sexual orientation, as well as slang relevant to LGBTQ+ rights and anti-discrimination, queer activism, gender-affirming healthcare and psychology. Written in a traditional A-Z glossary style, this guide will serve as a quick reference for looking up individual words, as well as an in-depth look at trans history and culture.

HOW TO PICK UP GIRLS :  
From A to Z Handbook - Simin Seksener 2021-07-16

Attention! After you apply the things in this book, girls can fall in love with you or they can turn you into a sex slave for themselves . Don't you have a girlfriend, boyfriend or date? Do you feel embarrassed or shy when approaching girls? Constantly trying but being rejected by the girls? After reading this book about how to approach girls, you can achieve what you desire. All the details about what you should do, what you should not do, what you should do to pick up girls online, what you should talk about are included in this book. I'm Simin Seksener. I'm a relationship expert and sex therapist. After a successful school and business life, I got out of everything and started their apartments from my experience. My goal of life is live, enjoy and live again, enjoy. I am one of those who think that fantasy and sexuality have an important place for a pleasant, fulfilling and pleasurable life. What I tell in this book is a formulation of the sections I live from my own life. I hope that my clues in this

book, which contains fantasies that everyone will find a piece of from their own life or that they cannot imagine and realize, will shed light on the sexual lives of both male and female readers. As these events passed through my head, I tried to describe in detail the moments I enjoyed sexually. I hope I have been successful. Includes 18+ Erotic elements. Sensheant Magazine Issue 3 - Rebecca Church 2015-08-23  
Sen-she-ant Magazine: A Conversation About Women's Sexuality. Inspiring & supporting sexual fulfillment, empowerment, and wellness in the lives of women around the world! In a culture where sexuality is the subject of both obsession and repression, the opportunity for women ages 18 to 108 to discover and experience sexuality in ways that are supportive and fulfilling is too often lost in the stigmatized paradigm of our

polarized sexual climate. We explore the inherent value of sexuality as the very cornerstone of women's wellness, vitality and power. The Sensheant community is all-inclusive, covering LGBTQ, BDSM, OM and all other acronym-ed communities from A to Z. We foster an ongoing conversation, and explore the issues that help create a culture - local, national, global - that is respectful of women as sexual beings; one where women feel they are safe expressing their sexuality/sensuality how they see fit. As women, we're often not accustomed to looking at sex from a perspective of self-care and personal development, but in these pages, we do!

**The A to Z of the Lesbian Liberation Movement -**

JoAnne Myers 2009-08-20

The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy's assumption of male supremacy and heterosexuality. Over the years, much has been written on homosexuality and the Gay Liberation Movement, yet much of the focus has been on male homosexuals, especially male homosexual activity and

the politics that activity raises. The A to Z of the Lesbian Liberation Movement: Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements: the Lesbian Liberation Movement. This book helps to make the still-active movement visible\_the history, successes, setbacks, controversies, and issues. This book is a good resource for those studying this social political movement, containing a chronology, contextual overview, dictionary entries that cover persons, laws, terminology, issues, and countries, and an extensive bibliography of primary resources and current work.
