Sail Away - Celia Imrie

2019-01-24

The phone hasn't rung for months. Suzy Marshall is

discovering that work can be sluggish for an actress over sixty - even for the former star of a 1980s TV series. So when she's offered the plum role of Lady Bracknell in The Importance of Being Earnest in Zurich, it seems like a godsend. Until, that is, the play is abruptly cancelled in suspicious circumstances, and Suzy is forced to take a job on a cruise ship to get home. Meanwhile Amanda Herbert finds herself homeless in rainy Clapham. Her flat purchase has fallen through, and her children are absorbed in their own dramas. Then she spots an advertisement for an Atlantic cruise, and realises a few weeks on-board would tide her over - and save her money - until the crisis is solved. As the two women set sail on a new adventure, neither can possibly predict the strange characters and dodgy dealings they will encounter - nor the unexpected rewards they will reap.

The Girls Weekend - Jody Gehrman 2020-08-11

“A brooding meditation on how friendships buckle when we resent other people’s success”—for fans of psychological thrillers by Ruth Ware and Lucy Foley (The Washington Post). A riveting locked-room mystery about five college friends whose reunion takes a dark turn—and

unearths even darker secrets and grudges. Their reunion just became a crime scene . . . June Moody, a thirty-something English professor, just wants to get away from her recent breakup and reunite with girlfriends over summer break. Her old friend and longtime nemesis, Sadie MacTavish, a mega-successful author, invites June and her college friends to a baby shower at her sprawling estate in the San Juan Islands. June is less than thrilled to spend time with Sadie—and her husband, June's former crush—but agrees to go. The party gets off to a shaky start when old grudges resurface, but when they wake the next morning, they find something worse: Sadie is missing, the house is in shambles, and bloodstains mar the staircase. None of them has any memory of the night before; they wonder if they were drugged. Everyone's a suspect. Since June had a secret rendezvous with Sadie's husband, she has plenty of reason to suspect herself. Apparently, so do the cops. A Celtic knot of suspense

and surprise, this brooding, atmospheric novel will keep you guessing as each twist reveals a new possibility. It will remind you of friendships hidden in the depths of your own past, and make you wonder how well you really know the people you've loved the longest.

Hitch yourself to their ride: you’ll embark on a transformative journey of your own.” — Allison Winn Scotch, New York Times bestselling author of *The One That I Want* and *Time of My Life* Three friends, each on the brink of a quarter-life crisis, make a pact to quit their high pressure New York City media jobs and leave behind their friends, boyfriends, and everything familiar to embark on a year-long backpacking adventure around the world in *The Lost Girls*.
