**The Big Girls Club** - Judi Adams 2009-04

"The Big Girls Club" is ""Sex in the City" meets Eckhart Tolle." Written for women about their relationships in the workplace (good and bad), "The Big Girls Club" sets forth ten rules that work for today's Big Girls, just as they did when we were little girls, with chapters such as "Cross My Heart and Hope to Die," "Pinky-finger Swear," and "Kiss and Make Up," as well as some just for grownups: "Not with My Ex," and "Beware of Women without Female Friends." The rules, along with meaty anecdotes, are a guide for women and our complicated relationships. If we act and think BIG, we can accomplish so much together!

**The Club Rules: Boys and Girls, Pubs and Clubs** - Johnny Mac 2013

Let's be realistic. In this technology-driven era of computer communication, texting, and Facebook stalking, few remember how to interface face-to-face. The art of communication has become more Picasso than Rembrandt, and "Club Rules" are quickly fading into an era of things people used to know. This is unfortunate and need not be! In The Club Rules: Pubs and Clubs, Boys and Girls, Authors Johnny Mac and Kimberly D. refocus us on these important rules with an updated twist from both the male and female perspective. Whether you're young or old, recently single or recently divorced, following the rules outlined in The Club Rules will not only help you successfully navigate through the club scene, but will also guarantee you a blast while there. About the Authors Johnny Mac has been single from his late thirties to his early forties, and loving every bit of it! Being single with the confidence and freedom he has in his forties has allowed him to utilize the same social skills for the night life that he employs every day in building his own business. Kimberly D. first discovered the intricate and involved world of pubs and clubs while studying abroad in the UK. Through her experiences in one particular pub there, she learned that she no longer needed to base her self-confidence on the amount of attention she was receiving from others. Through her clubbing experiences, she is constantly learning different techniques and better ways to handle herself to ensure a fun evening.

**Things We Say in the Dark** - Kirsty Logan 2019-10-03

'Gripping . . . You won't put it down' Sunday Telegraph A shocking collection of dark stories, ranging from chilling contemporary fairytales to disturbing supernatural fiction. Alone in a remote house in Iceland a woman is unnerved by her isolation; another can only find respite from the clinging ghost that follows her by submerging herself in an overgrown pool. Couples wrestle with a lack of connection to their children; a schoolgirl becomes obsessed with the female anatomical models in a museum; and a cheery account of child's day out is undercut by chilling footnotes. These dark tales explore women's fears with electrifying honesty and invention and speak to one another about female bodies, domestic claustrophobia, desire and violence. 'A brilliant collection of stories . . . All will burrow their way into your brain and not let go' Stylist 'Shimmers with menace . . . Fans of Angela Carter and Shirley Jackson take note' i Newspaper KIRSTY LOGAN WAS SELECTED AS ONE OF BRITAIN'S TEN MOST OUTSTANDING LGBTQ WRITERS by Val McDermid for the International Literature Showcase in 2019
