The Last Lecture Randy Pausch 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

America in 1982: Japanese car companies are on the rise and believed to be putting U.S. autoworkers out of their jobs. Anti-Asian American sentiment simmers, especially in Detroit. A bar fight turns fatal, leaving a Chinese American man, Vincent Chin, beaten to death at the hands of two white men, autoworker Ronald Ebens and his stepson, Michael Nitz. Paula Yoo has crafted a searing examination of the killing and the trial and verdicts that followed. When Ebens and Nitz pled guilty to manslaughter and received only a \$3,000 fine and three years' probation, the lenient sentence sparked outrage. The protests that followed led to a federal civil rights trial—the first involving a crime against an Asian American—and galvanized what came to be known as the Asian American movement. Extensively researched from court transcripts, contemporary news accounts, and in-person interviews with key participants, *From a Whisper to a Rallying Cry* is a suspenseful, nuanced, and authoritative portrait of a pivotal moment in civil rights history, and a man who became a symbol against hatred and racism.

I could see the big inside of my Sam-Sam. I had been training him for 252 days with mini tennis balls and pieces of bacon, just to prove to Dad and Mom and Aunt Gus and the whole world that a tiny, fluffy dog could do big things if he wanted to. I think my little dog always knew he could be a hero. I just wonder if he knew about me. When the cops show up at Jesse's house and arrest her dad, she figures out in a hurry that he's the #1 suspect in the missing library fund money case. With the help of her (first and only) friend Springer, she rounds up suspects (leading to a nasty confrontation with three notorious school bullies) and asks a lot of questions. But she can't shake the feeling that she isn't exactly cut out for being a crime-solving hero. Jesse has a neuro-processing disorder, which means that she's "on the spectrum or whatever." As she explains it, "I get stuck on lots of stuff, like words and phrases and numbers and smells and pictures and song lines and what time stuff is supposed to happen." But when a tornado strikes her small town, Jesse is given the opportunity to show what she's really made of—and help her dad. Told with the true-as-life voice Susan Vaught is known for, this mystery will have you rooting for Jesse and her trusty Pomeranian, Sam-Sam.

Kubla Khan Samuel Coleridge 2015-12-15 Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. This Is the Rope Jacqueline Woodson 2013-08-27 The story of one family's journey north during the Great Migration starts with a little girl in South Carolina who finds a rope under a tree one summer. She has no idea the rope will become part of her family's history. But for three generations, that rope is passed down, used for everything from jump rope games to tying suitcases onto a car for the big move north to New York City, and even for a family reunion where that first little girl is now a grandmother. Newbery Honor-winning author Jacqueline Woodson and Coretta Scott King Award-winning illustrator James Ransome use the rope to frame a thoughtful and moving story as readers follow the little girl's journey. During the time of the Great Migration, millions of African American families relocated from the South, seeking better opportunities. With grace and poignancy, Woodson's lilting storytelling and Ransome's masterful oil paintings of country and city life tell a rich story of a family adapting to change as they hold on to the past and embrace the future.

But then Stevie left again, and I missed him. I missed playing Cowboys and Indians on the stoop and watching cartoons in the morning. Maybe. . . just maybe, Stevie wasn't so bad after all. Show Way Jacqueline Woodson 2005-09-08 Winner of a Newbery Honor! Soonie's great-grandma was just seven years old when she was sold to a big plantation without her ma and pa, and with only some fabric and needles to call her own. She pieced together bright patches with names like North Star and Crossroads, patches with secret meanings made into quilts called Show Ways -- maps for slaves to follow to freedom. When she grew up and had a little girl, she passed on this knowledge. And generations later, Soonie -- who was born free -- taught her own daughter how to sew beautiful quilts to be sold at market and how to read. From slavery to freedom, through segregation, freedom marches and the fight for literacy, the tradition they called Show Way has been passed down by the women in Jacqueline Woodson's family as a way to remember the past and celebrate the possibilities of the future. Beautifully rendered in Hudson Talbott's luminous art, this moving, lyrical account pays tribute to women whose strength and knowledge illuminate their daughters' lives.

Feathers Jacqueline Woodson 2010-01-07 A Newbery Honor Book A beautiful and moving novel from a three-time Newbery Honor-winning author "Hope is the thing with feathers" starts the poem Frannie is reading in school. Frannie hasn't thought much about hope. There are so many other things to think about. Each day, her friend Samantha seems a bit more "holy." There is a new boy in class everyone is calling the Jesus Boy. And although the new boy looks like a white kid, he says he's not white. Who is he? During a winter full of surprises, good and bad, Frannie starts seeing a lot of things in a new light—her brother Sean's deafness, her mother's fear, the class bully's anger, her best friend's faith and her own desire for "the thing with feathers." Jacqueline Woodson once again takes readers on a journey into a young girl's heart and reveals the pain and the joy of learning to look beneath the surface. "[Frannie] is a wonderful role model for coming of age in a thoughtful way, and the book offers to teach us all about holding on to hope."—Children's Literature "A wonderful and necessary purchase for public and school libraries alike."—VOYA

Coming on Home Soon Jacqueline Woodson 2004-10-12 Ada Ruth's mama must go away to Chicago to work, leaving Ada Ruth and Grandma behind. It's war time, and women are needed to fill the men's jobs. As winter sets in, Ada Ruth and her grandma keep up their daily routine, missing Mama all the time. They find strength in each other, and a stray kitten even arrives one day to keep them company, but nothing can fill the hole Mama left. Every day they wait, watching for the letter that says Mama will be coming on home soon. Set during World War II, *Coming On Home Soon* has a timeless quality that will appeal to all who wait and hope.
