Fenômeno editorial nos Estados Unidos com mais de 2,5 milhões de cópias vendidas Mia Saunders precisa de dinheiro. Muito dinheiro. Ela tem um ano para pagar o agiota que está ameaçando a vida de seu pai por causa de uma dívida de jogo. Um milhão de dólares, para ser mais exato. A missão de Mia é simples: trabalhar como acompanhante de luxo na empresa de sua tia e pagar mensalmente a dívida. Um mês em uma nova cidade com um homem rico, com quem ela não precisa transar se não quiser? Dinheiro fácil. Parte do plano é manter o seu coração selado e os olhos na recompensa. Ao menos era assim que deveria ser... Mia vai passar o mês de março em Chicago com o empresário Anthony Fasano, que a contrata para fingir ser noiva dele. A princípio Mia não entende por que um homem tão lindo e másculo precisa de uma falsa noiva, mas ela está prestes a descobrir...

Mia est totalement dévastée. Elle va prendre la seule décision qui s'impose. Son ex, celui qui a envoyé son père à l'hôpital, va obtenir ce qu'il veut. En tout cas, c'est ce que Mia va lui laisser croire.

Calendar Girl. Marzo - Audrey Carlan 2016-06-21

Marzo, Chicago, un ex pugile imprenditore dal cuore spaventato. Avevo bisogno di soldi, tanti soldi. In ballo c'era la vita di mio padre. Io però non avevo un centesimo, per arrivare a fine mese facevo la cameriera. Non avevo un amore e, diciamo, all'amore, quello con la A maiuscola, non ci credevo neanche più tanto. Le mie storie fino ad allora erano state solo fonti di guai e delusioni. Mi hanno offerto un lavoro. Recitare il ruolo della fidanzata di uomini di successo. In pratica per un mese dovevo fingere di essere la loro compagna davanti agli occhi di tutti e in cambio ognuno di loro sarebbe stato disposto a pagarmi centomila dollari. 12 mesi, 12 città, 12 uomini ricchi, famosi, inarrivabili, 12 ambienti esclusivi, 12 guardaroba diversi. Più di un milione di dollari. Il sesso, chiariamoci, non faceva parte degli accordi. Quello dipendeva e dipende sempre solo da me. L'amore neanche quello faceva parte del piano. Ma intanto quello non dipende da nessuno... Sono tutti uomini da sogno. Che poi sono persone. Intriganti, fragili, che hanno paure, segreti e verità nascoste. Loro hanno scelto me. Per un mese sono entrati nella mia vita. Tutti mi hanno lasciato qualcosa. E uno mi sta chiedendo di cambiare le regole del gioco... ma l'amore, tutti lo sanno, di regole non ne ha. Ho intrapreso questo viaggio perché era l'unico modo per salvare la vita di mio padre. Mi sono fidata, ho buttato il cuore oltre l'ostacolo. Ed è iniziata la favola. Il viaggio ha salvato la mia, di vita. Trust the journey,

Mia

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

January - Audrey Carlan 2015-08-03

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been

beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Det hela var väldigt enkelt. Jag behövde pengar. Mycket pengar. En miljon dollar för att vara exakt. Om jag inte kunde fixa fram pengarna skulle min pappa råka illa ut. Väldigt illa ut. Inga pengar. Ingen pappa. Jag hade 12 månader på mig. När du står inför ett ultimatum som detta blir du desperat. Du gör vad du måste göra. Och det var precis det jag gjorde." Calendar Girl har jämförts med Femtio nyanser-böckerna.

February - Audrey Carlan 2015-08-03

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl

Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
