Calendar Girl - Carlan Audrey 2017-02-06

Det är väldigt enkelt. Jag behövde pengar. Mycket pengar. En miljon dollar för att vara exakt. Tidsfristen var ett år. Jag hade tolv månader på mig att betala, annars skulle min pappa bli dödad. När man ställs inför ett ultimatum som det här, gör man vad man måste göra. Och det är precis vad jag gjorde. Mia Saunders har knappt hunnit flytta till Los Angeles innan hon får beskedet att hennes pappa har blivit grovt misshandlad för att han inte betalat en enorm spelskuld. Och inte nog med det, det är hennes ex-pojkvän Blaine som står bakom misshandeln och utpressningen. Mia ser en enda lösning, och det är att börja jobba på hennes mosters företag Exquisite Escorts. Uppdraget: att tillbringa en månad åt gången tillsammans med rik man och vara hans dejt i alla sorters sammanhang. En rik man som hon dessutom inte behöver ligga med om hon inte själv skulle vilja. Det skadar förstås inte att den första killen är en het Hollywood-regissör. Del 9 - September

Calendar Girl Anthology - Audrey Carlan 2018-08-01

Volume One: Mia Saunders needs money. A lot of money. She has one year to pay off the loan shark who has threatened her father's life and is coming after his unpaid gambling debts. One million dollars to be exact. Her mission is simple—serve as a high-priced escort for her aunt's Los Angeles-based company and pay monthly against the debt. Spend a month with a rich man whom she doesn't have to sleep with if she doesn't want to? Easy money. Unlucky in love with a spirit that never gives up, this curvy motorcycle-riding vixen plans to get in, make her money, and get out. Part of that goal is keeping her heart locked up tight and her eye on the prize. At least that's the way it's supposed to go... Quand Pretty Woman rencontre Gossip Girl... Mia a toujours été très douée pour prétendre être quelqu'un qu'elle n'est pas, et cette faculté va bien lui servir pour sa prochaine mission. Cette fois, c'est au Texas que Mia se retrouve, auprès d'un magnat du pétrole, Maxwell Cunningham. Son père est décédé récemment et a laissé une bombe dans son testament. Il a légué 49% de sa fortune à une jeune femme, la soeur de Maxwell, dont il ce dernier n'a jamais entendu parler et qui répond au nom de... Mia Saunders. Il est précisé que Maxwell a un an pour retrouver cette soeur, ou il perdra son empire au profit d'un groupe d'investisseurs peu scrupuleux. Or, il a trouvé Mia... Mia arrive donc dans cette famille de cow-boys, prétendant être quelqu'un qu'elle n'est pas et roulant dans la farine tous les gros bonnets qui tournent autour de la fortune de Maxwell. Elle va s'attacher plus que de raison à cette famille sympathique, qui l'accueille à bras ouverts. Elle aura du mal à repartir... Un mois riche en rebondissement étonnants.

For Addison Fairchild, success is a guarantee. Groomed since childhood to run a division of Fairchild Enterprises, she takes her birthright seriously. Maybe a little too seriously if you ask her friends. But work is so much easier than the rest of her life. Her employees hate her, her best friend is worried about her, and her last date was hide-in-the-restroom awkward. If all that wasn't bad enough, she's stuck with a new cheerful-happy-annoyingly-morning-person assistant just when the head of FE is about to choose a successor—a job Addison wants so badly, she can taste it. For Katie Cooper, money has never been important. That is, until her father gets dementia and needs full time care. As the bills start to pile up, Katie takes a second job as a temporary personal assistant. Two minutes and one spilled cup of coffee later, she's sure she's not ready for Addison Fairchild—her hard head, her know-it-all attitude, or her gorgeous face. Forced to work together, Addison and Kate discover that opposites really do attract.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis Silicone, surgery, and Hollywood starlets. The land of the stars was beckoning and I answered its call. Now that I was free, well, as free as anyone could be, I decided to pursue something for me. To grab life by the horns and ride that sucker until I found my place within it. That decision brought me back home to Malibu, California, where I awaited the beginning of this next phase in my journey. The job? Create a segment surrounding Living Beautiful for celebrity doctor and daytime television guru, Dr. Hoffman. The man was known for his cunning wit, good looks, and no nonsense lifestyle. In a city that was filled with plastic Barbie dolls, and nothing you touched was real, I set out to find beauty. And in doing so, I found a lot more that, for me, for the man I loved, and for the rest of the nation. *** In the tenth book of the Calendar Girl serial, Mia is settled in her new home in Malibu, California. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live

life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in

the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
