The Girl in the Show Anna Fields 2017-08-08 For fans of Tina Fey, Amy Poehler, Amy Schumer—and every other "funny woman"—comes a candid feminist comedy manifesto exploring the sisterhood between women's comedy and women's liberation. "I'm not funny at all. What I am is brave." —Lucille Ball From female pop culture powerhouses dominating the entertainment landscape to memoirs from today's most vocal feminist comediennes shooting up the bestseller lists, women in comedy have never been more influential. Marking this cultural shift, *The Girl in the Show* explores how comedy and feminism have grown hand in hand to give women a stronger voice in the ongoing fight for equality. From *I Love Lucy* to SNL to today's rising cable and web series stars, Anna Fields's entertaining, thoughtful, and candid retrospective combines personal narratives with the historical, political, and cultural contexts of the feminist movement. With interview subjects such as Abbi Jacobson, Molly Shannon, Mo Collins, and Lizz Winstead—as well as actresses, stand-up comics, writers, producers, and female comedy troupes—Fields shares true stories of wit and heroism from some of our most treasured (and underrepresented) artists. Creating a blueprint for the feminist comedians of tomorrow using lessons of the past, *The Girl in the Show* encourages readers to revel in—and rebel against—our collective ideas of "women's comedy."

ANATOMY of a LIFE Penelope Meriwether 2013-05 I've had a rough life, and unless it was so, I would not have even considered sharing my story since while writing I have found it hard to believe that I was so lost, so dark, so empty and as co-dependent as any other person in any other abusive relationship I have ever met; something I've never acknowledged before now. Don't worry though, I won't bore you with another sad story of childhood abuse and neglect, even though I was an unloved, emotionally and psychologically abused slave-child, which was pretty awful in my opinion if only because of being the one who had to live it; however, I do want to touch on those parts that I believe had the biggest impact on the forming of my mind. Those parts that include the fear,

favoritism, criticism, traumatic experiences and inner anger I grew up with, which led to the outward anger, hostility, anxiety, lack of self-esteem, neediness, co-dependency and depression I experienced for my entire adult life up until this point. My upbringing doomed me to seek love wherever I believed I could find it, starting-out by marrying the first man I ever dated in order to escape my abusive childhood home. My husband and I divorce four years later and in doing so, I abandon my first two children which leads to subjecting myself to drunkenness and sexual promiscuity, followed by seven years of torment from a violently abusive, lying, child-molesting, drug-addicted, alcoholic boyfriend whom I end-up marrying. After multiple abortions I am blessed with a daughter, face down a demon, divorce for the second time, find the love of my life, give birth to another son and then the battle against my life-threatening depression begins while maintaining a faade of normalcy. Throughout my life I find God, then lose Him, then find Him once more, with my relationship with the Lord being based entirely on what was happening in my tumultuous life at any-given moment, although it is this relationship that saves me during my darkest moments whether I knew it or not. Anatomy of a Life is a haunting and heart-rending memoir which starts as a child's normal life, but eventually turns into one of tragedy once one abuser after another places their eternal prints on a young girl's psyche. Forty-five years later, through the love of her husband and children, as well as her faith in God's promises, Penelope has survived, and though still a battle at times, is thriving. Hopefully, this story will strike a chord with those who have lived through similar circumstances, eventually seeing that there is a light at the end of whatever dark tunnel you may be traveling.

Love Poems for People Who Don't Like Being in Love Rowen Bridler 2017-02-28 From surviving the discouraging blow of being handed a damp (but clean!) towel from a guy who had enthused about her in his text messages but was incapable of providing adequate facilities for a proper shower, to ranting about getting a yeast infection because guys don't have to consider such irritating consequences, Rowen Bridler explores the good, bad and the hideously ugly aspects of modern dating. Describing the perils of falling for a guy who ends up dumping her via text because she didn't tell him off for one night of lacklustre sex compared to the previous fantastic one, versus the thrills of enjoying one night with a guy who courteously meets those two basic requirements of using protection and getting her off, these clever but poignant poems will provoke uncontrollable laughter or an avalanche of tears depending on the context. Whether you're basking in the memory of the most amazing sex of your life or you've reached the point where you'd prefer a decent hookup to bypass any further mindfuckery because love is just too damned painful, then this book was written for you.

Getting Rid of Yeast Infections Judith Willis 1996

Vulvovaginal Candidosis Werner Mendling 2012-12-06 Fungal infections in the female play an increasingly large role in everyday gynecological practice. This is the first book to deal comprehensively with vulvovaginal candidosis. Following an introduction outlining the incidence of yeasts in man, genital colonization in the female sex, yeast in pregnancy and neonatal mycoses, there is a description of the modes of infection and the known host reactions, as well as of the symptoms for diagnosis and therapy. Some 150 color illustrations depict all known facultative pathogenetic candida species and other potentially pathogenetic yeasts in pure culture and under the microscope. THE HOLY SCRIPTURES OF MOKONVIST Rev. Gabriel Bongo Homem 2021-07-20 The Holy Scriptures Of Mokonvist Do you not know that your body is a temple of the Holy Spirit within you, whom you have from Mokonvist? Kingdomist faith. The Holy Scripture of Mokonvist is inspired by God, through dreams, revelations, visions, prophecies, and parables. Mokonvist reveals his mystery and that the beauty of human beings should be preserved. In this Holy Scripture, Mokonvist will teach you how to maintain that beauty. 1. Angels appear to you as good, because Mokonvist created you and said they are good. You will also learn why Mokonvist wishes that you look nice and how Mokonvist can support you to look after your body. You will also come to understand that this Holy Scripture of Mokonvist involves deep spiritual reflection. Mokonvist, in Heaven, revealed this Holy Scripture to his prophet, Gabriel, through dreams, revelations, visions, prophecies, and parables. These Holy words are presented here for you to study and include considerations of the present and of the future. You must always understand that the secrets of the Holy Scripture of Mokonvist came directly from Mokonvist, in Heaven. It can be confusing for humans to comprehend this. The key to this revelation is to remember that 'time' plays a great role in the life of all human beings. You were born on 'time', you're grown on 'time', work on 'time', and live your entire life, on 'time'. Each vision, dream, revelation, prophecy, and parable from all the prophets of Mokonvist were made at different 'times'. Your life depends on it. Please know and understand that only the wise that have faith can interpret and understand these Holy Scriptures. There are lots of parables also. Now be ready for the day or the hour because no one knows; not the Angels in Heaven; not the prophet Gabriel; only Mokonvist. Be on guard! Be alert! You do not know when that time will come. Mokonvist only wishes that you are a good soldier of the faith and are ready for victory. Visions, dreams, revelations are not always complete and are sometimes cut short. If your faith has been disturbed by noise or from someone, you must avoid that disturbance.
