But what happens when people stop believing in the true luck of the leprechauns? There is less gold to be stored up each year, which means less luck. If there is no more luck, the leprechaun lose their role in St. Patrick's Day and could mean the end of them all together. Can Brad and Chad help keep the luck going for one leprechaun who has lost his last piece of gold? Will their belief be enough to save all the true leprechaun luck? It's another adventure for the Holiday Heroes!
