Loving Sports When They Don't Love You

Back - Jessica Luther 2020-09-01

Triumphant wins, gut-wrenching losses, last-second shots, underdogs, competition, and loyalty—it's fun to be a fan. But when a football player takes a hit to the head after yet another study has warned of the dangers of CTE, or when a team whose mascot was born in an era of racism and bigotry takes the field, or when a relief pitcher accused of domestic violence saves the game, how is one to cheer? Welcome to the club for sports fans who care too much. In *Loving Sports When They Don't Love You Back*, acclaimed sports writers Jessica Luther and Kavitha A. Davidson tackle the most pressing issues in sports, why they matter, and how we can do better. For the authors, "sticking to sports" is not an option—not when our taxes are paying for the stadiums, and college athletes aren't getting paid at all. But simply quitting a favorite team won't change corrupt and deplorable practices, and the root causes of many of these problems are endemic in our wider society. An essential read for modern fans, *Loving Sports When They Don't Love You Back* challenges the status quo and explores how we might begin to reconcile our conscience with our fandom.

Not You It's Me - Julie Johnson 2015-07-07

Gemma Summers is unlucky in love. She's known it since third grade, when her first crush blew a spitball into her hair, and a decade-long string of bad dates, boring sex, and abysmal morning-afters has done nothing to improve her prospects. But when a random radio call-in contest lands her courtside tickets to the hottest playoff game of the season, Gemma's luck may finally be on the upswing - even if it doesn't exactly seem like it when the dreaded jumbotron kiss-cam lands on her and her date, who's too busy ignoring her to notice... Chase Croft doesn't date. Despite ample opportunity as Boston's most eligible bachelor, the reformed bad-boy would rather put his energy into taking over the family business than weed through a world of gold-

diggers to find an honest woman. But when the beautiful girl in the seat next to him becomes a courtside spectacle at the hands of her loser boyfriend, he can't help but step in and save the day. One kiss. Two strangers. No strings attached. The only problem is, Chase is used to getting whatever he wants. And after kissing Gemma once, he knows one thing... He wants more. *NOT YOU IT'S ME* is a full-length, standalone contemporary romance about a girl who doesn't believe in love... and the man who changes her mind. Due to sexy-times and strong language, it is intended for readers 17 and up.

Samson's Diary - Bob Arnone 2014-08-19

In an effort to protect her child from the harsh realities of her impending death, Mary pours her heart into a diary, her legacy to her challenged ten-year-old son, Samson. After her passing, the grief-stricken child writes longingly to his lost momma, in the hopes that his fervent words might reach her in the great beyond. Born with extraordinary powers found only in the primate world, he is a mystery to the medical world. His doctors know of a progressive tumor on his thyroid, but even that can't explain his gigantism. At ten, he is 69 and weighs 175 pounds. Nora, his devoted nanny, loves him as if he was her own flesh and blood, and she does her best to encourage the boy. When his mental abilities also begin to grow beyond expectations, only his father believes that it is the work of Mary, his dead wife. At sixteen, 76, and 275 pounds, he's on the verge of harnessing his true potential. Soon, he's on his way to glory in professional sports and folk-hero status, but there's a powerful emptiness to his life. Tragedy follows him everywhere. He continues to write to his momma, desperate to know why he keeps losing the ones he loves. At nineteen, undaunted by his doctors' fears that physical exertion will kill him, he experiences a mystical transformation, with his momma and a phalanx of angels to guide him. When his body betrays him, can they or should they save him?

Courtside Crush - Kayla Tirrell 2019-02-02

So much for senior year being the best part of high school. It all started when I caught my boyfriend cheating on me. I did what any girl would do--I got revenge. Of course, it didn't stop there. Thanks to a condemning video, I also got

eight weeks of community service and athletic probation right before basketball season is supposed to start. (There goes my spot as captain!) Thankfully, there's a guy at Marlowe Junction's Helping Hands who makes passing the time more enjoyable. He's gorgeous, funny, and a huge basketball fan. Too bad he's also my brother's biggest enemy... *Courtside Crush* is a modern-day retelling of *Romeo and Juliet*, perfect for anyone who likes their sweet romance with a dash of drama. It is the first book in the *Varsity Girlfriends* series.
