Black Swan Green David Mitchell 2007-02-27 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest

and most effective achievement to date. Praise for Black Swan Green “[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like.”—The Boston Globe “[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall.”—Time

The End of Absence Michael John Harris 2014-08-07 Soon enough, nobody will remember life before the Internet. What does this unavoidable fact mean? Those of us who have lived both with and without the crowded connectivity of online life have a rare opportunity. We can still recognize the difference between Before and After. We catch ourselves idly reaching for our phones at the bus stop. Or we notice how, midconversation, a fumbling friend dives into the perfect recall of Google. In this eloquent and thought-provoking book, Michael Harris argues that amid all the changes we're experiencing, the most interesting is the end of absence-the loss of lack. The daydreaming silences in our lives are filled; the burning solitudes are extinguished. There's no true "free time" when you carry a smartphone. Today's rarest commodity is the chance to be alone with your thoughts. Michael

Except that the fate of the entire race of Dargonesti sea elves hangs in the balance. How does this piece of kender-coveted jewelry lead the companions and a sea elf princess to ally with the phaethons, creatures with wings of flame? The answer lies with a mysterious mage, a broker of souls, who knows the bracelet's secret and has a hideous plan to rule the Black Robes. *Wanderlust* is the second exciting installment in the *Dragonlance* saga Meetings Sextet by Steve Winter and Mary Kirchoff, author of *Kendermore* and *Flint, the King*.

Late Arcade Nathaniel Mackey 2017-02-28 A new volume of the singular, ongoing, great American jazz novel Nathaniel Mackey's *Late Arcade* opens in Los Angeles. A musician known only as N. writes the first of a series of letters to the enigmatic Angel of Dust. N.'s jazz sextet, Molimo m'Atet, has just rehearsed a new tune: the horn players read from *The Egyptian Book of the Dead* with lips clothespinned shut, while the rest of the band struts and saunters in a cosmic hymn to the sun god Ra. N. ends this breathless session by sending the Angel of Dust a cassette tape of their rehearsal. Over the next nine months, N.'s epistolary narration follows the musical goings-on of the ensemble. N. suffers from what he calls "cowrie shell at-tacks"—oil spills, N.'s memory of his mother's melancholy musical Sundays— which all becomes the source of fresh artistic invention. Here is the newest installment of the National Book Award-winner Nathaniel Mackey's *From a Broken Bottle Traces of Perfume Still Emanate*, the great American jazz novel of "exquisite rhythmic lyricism" (Bookforum).

Freedom Sounds Ingrid Monson 2007-10-18 An insightful examination of the impact of the Civil Rights Movement and African Independence on jazz in the 1950s and 60s, Freedom Sounds traces the complex relationships among music, politics, aesthetics, and activism through the lens of the hot button racial and economic issues of the time. Ingrid Monson illustrates how the contentious and soul-searching debates in the Civil Rights, African Independence, and Black Power movements shaped aesthetic debates and exerted a moral pressure on musicians to take action. Throughout, her arguments show how jazz musicians' quest for self-determination as artists and human beings also led to fascinating and far reaching musical explorations and a lasting ethos of social critique and transcendence. Across a broad body of issues of cultural and political relevance, Freedom Sounds considers the discursive, structural, and practical aspects of life in the jazz world in the 1950s and 1960s. In domestic politics, Monson explores the desegregation of the American Federation of Musicians, the politics of playing to segregated performance venues in the 1950s, the participation

of jazz musicians in benefit concerts, and strategies of economic empowerment. Issues of transatlantic importance such as the effects of anti-colonialism and African nationalism on the politics and aesthetics of the music are also examined, from Paul Robeson's interest in Africa, to the State Department jazz tours, to the interaction of jazz musicians such as Art Blakey and Randy Weston with African and African diasporic aesthetics. Monson deftly explores musicians' aesthetic agency in synthesizing influential forms of musical expression from a multiplicity of stylistic and cultural influences--African American music, popular song, classical music, African diasporic aesthetics, and other world musics--through examples from cool jazz, hard bop, modal jazz, and the avant-garde. By considering the differences between aesthetic and socio-economic mobility, she presents a fresh interpretation of debates over cultural ownership, racism, reverse racism, and authenticity. *Freedom Sounds* will be avidly read by students and academics in musicology, ethnomusicology, anthropology, popular music, African American Studies, and African diasporic studies, as well as fans of jazz, hip hop, and African American music.

The Popol Vuh Lewis Spence 2019-11-13 Transcribed from the original Mayan hieroglyphs, the Popol Vuh relates the mythology and history of the Kiché people of the Guatemalan Highlands of Central America. As is often the case with ancient texts, the Popol Vuh's significance lies in the scarcity of early accounts of Mesoamerican cultures, largely due to the purging of documents by the Spanish conquistadors. Today there remains no document of greater importance to the study of pre-Columbian mythology. This text of the Popol Vuh — which is translated variously as "Book of the Community," "Book of Counsel," or, more literally, "Book of the People" — begins as pure mythology and gradually develops into pure history, progressing from heroic legends to the deeds of authentic historical figures. It tells of the gods who created mankind, as well as a great flood and other stories
