Deadly Things Darrell Schweitzer 2010-12-01 In the tradition of the old "Ace Doubles" two-in-one books, here is the second Wildside Mystery Double: DEADLY THINGS: A COLLECTION OF MYSTERIOUS TALES, by Darrell Schweitzer. Darrell Schweitzer's first mystery collection explores the murderous impulse in a variety of historical settings. Three mysteries are set in ancient Rome, two featuring Pliny the Younger as investigator. Two are Shakespearean mysteries, in one of which King Henry V plays detective, with the other based on The Two Noble Kinsmen. Three Sherlock Holmes tales involve the apparent misapplication of the Great Detective's methods to the supernatural, a revelation of one of Watson's unwritten cases, and a multi-genre record-breaker, an alternate history, vampire cat detective story. THE JUDGMENT OF THE GODS AND OTHER VERDICTS OF HISTORY, by Robert Reginald. Four scintillating tales of detection from ancient and medieval times. In "The Judgment of the Gods," a young Greek trader must solve the murder of Assyrian King Sennacherib. William of Occam, the medieval philosopher, is forced by Pope John XXII in "Occam's Razor" to solve the murders of French King Philip IV and Pope Clement V. Occam returns in "Occam's Treasure," this time unraveling the puzzle surrounding the killing of clergymen in Avignon. In "Occam's Measure," the great thinker must stop a vicious serial killer stalking the night-time streets of the papal city. Great mystery--and fantasy--reading!

cultural clashes, honor-systems within honor-systems, racial tensions, and criminal wheeling-and-dealing in the 50th State. In the end, when Kate and Ka'ala have given up all hope of ever discovering who killed Ace MacKinnon, they stumble on a crucial bit of evidence—a starburst Christmas decoration—that casts a new and blinding light on Ace's shocking past. The answer to the mystery of "Who killed Ace MacKinnon" is not one they would have hoped for, however. Deadly Wager is different from most crime stories both in character and locale. Kate and Ka'ala are both Native Hawaiians. In the course of the investigation we learn a great deal about Hawaiian history and customs, the story of an ancient princess, the Hawaiian sovereignty fight, culture wars, K-bars, police connections to organized crime, illegal gambling, and cockfights. The exotic locale and atmosphere of this detective tale contributes to its fun . . . and suspense. This story is unique, in that (since the Charlie Chan mysteries in the 1930s) there has never been a detective series set in Hawaii. The detectives on the two big TV shows that were produced: Hawaii Five-0 and Tom Selleck's Magnum PI, were Caucasians; Ka'ala is a full-blooded Hawaiian and Kate MacKinnon is a part-Hawaiian (a hapa-haoli) and a Hawaiian sovereignty activist. This book will give you a vivid sense of life in 21st century Hawaii.

Dearly Beloved Lia Habel 2015-02-26 A sharp, slick sequel to zombie adventure debut *Dearly, Departed*. Can the living coexist with the living dead? That's the question that has New Victorian society fiercely divided ever since the mysterious plague known as *The Laz* hit the city of New London and turned thousands into walking corpses. But while some of these zombies are mindless monsters, hungry for human flesh, others can still think, speak, reason, and control their ravenous new appetites. Just ask Nora Dearly, who was nearly kidnapped by a band of sinister zombies but valiantly rescued by a dashing young man . . . who was sadly no longer breathing... Nora and her savior, the young zombie soldier Bram Griswold, fell hopelessly in love. But others feel only fear and loathing for the reanimated dead. Now, as tensions grow between pro- and anti-zombie factions, battle lines are being drawn in the streets. And though Bram is no longer in the New Victorian army, he and his ex-commando zombie comrades are determined to help keep the peace. That means taking a dangerous stand between *The Changed*, a radical group of sentient zombies fighting for survival, and *The Murder*, a masked squad of urban guerrillas hellbent on destroying the living dead. But zombies aren't the only ones in danger: Their living allies are also in *The Murder*'s crosshairs, and for one vengeful zealot, Nora Dearly is the number one target. As paranoia, prejudice, and terrorist attacks threaten to plunge the city into full-scale war, Nora's scientist father and his team continue their desperate race to unlock the secrets of *The Laz* and find a cure. But their efforts may be doomed when a mysterious zombie appears bearing an entirely new strain of the illness—and the nation of New Victoria braces for a new wave of the apocalypse. Lia Habel's spellbinding, suspenseful sequel to *Dearly, Departed* takes her imaginative mash-up of period romance, futuristic thriller, and zombie drama to a whole new level of innovative and irresistible storytelling.

The Dearly Beloved Cara Wall 2019-08-13 "This gentle, gorgeously written book may be one of my favorites ever." —Jenna Bush Hager (A Today show "Read with Jenna" Book Club Selection!) "A thoughtful, beautiful multigenerational novel about love, God, jealousy, and friendship." —Elizabeth Gilbert, author of *Eat, Pray, Love* "A moving portrait of love and friendship set against a backdrop of social change." —The New York Times Book Review (Editor's Choice) "Here is the power of the novel in its simplest, richest form: bearing intimate witness to human beings grappling with their faith and falling in love. That Wall executes it so beautifully? Well, this is exactly why we read literary fiction...The best book about faith in recent memory." —Entertainment Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James's escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church's congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall's *The Dearly Beloved* is a gorgeous, wise, and provocative novel that is destined to become a classic.
