The Dirty Girls Book Club - Savanna Fox 2012-09-04

Loved Bared to You by Sylvia Day and Fifty Shades of Grey by E.L. James? Then erotic romance *The Dirty Girls Book Club* by Savanna Fox is definitely the next thing to put on your reading list! Georgia Malone joined a book club to expand her literary horizons. But when they swap serious classics for steamy fiction, she discovers just how much fun reading can be . . . When Georgia is widowed at the age of 25, her world falls apart. Three years on, and she has thrown herself completely into her job, leaving no time for love. But this suits her just fine - she'd prefer to read about fictional romances than face the real thing. But when she discovers that her new client is gorgeous sportsman of the moment, Woody Hanrahan, Georgia finds that her long-buried libido is awakened. Woody is charming and cocky - the sort of man Georgia usually avoids. But while her head is telling her to stay away, her body wants something else. And as her book club explores the tantalizing extremes of fiction, Georgia is exploring the limits of pleasures and beyond. Woody is hers to command in a hundred deliciously wicked ways, but when it comes to writing her own happy ending, this girl doesn't just need his body - she wants his heart. A tale of lust, love and literature with a sexy twist, *The Dirty Girls Book Club* is unputdownable. Savanna Fox splits her time between her homes in Vancouver and Victoria, British Columbia. She has degrees in law and psychology, and has had a variety of careers, including perennial student, computer consultant, and legal editor. Fiction writer is by far her favourite, giving her an outlet to demonstrate her belief in the power of love, friendship, and a sense of humour. Diary of a Dirty Girl - Karen Bailey 2015-05-06

A Note from the Author :Relating my book to makeup was a way to connect the story to a woman's day. Hiding a tired face with a stroke of blush, applying faux confidence with that perfect red lipstick... We conceal our experiences. And we judge a book by its cover. My intention in writing this book was to reveal—things I've shared a chunk at a time until I heard just one indication that I might be judged, or worse, gossiped about. Ugh. But one day we make the decision to un-conceal and remove the 'cover-up' that hides our flaws.

The Dirty Girl's Joke - Karen S. Smith 2005

The second volume of the best-selling Dirty Girl's Joke Book will have you in stitches at the outrageous one-liners, stories and punchlines served up for you and your mates. Packed with provocative, filthy fun for girls with no inhibitions, subject areas run the gamut from romance, chat-ups, one-nighters and dirty talk to foreplay, penis size, orgasms and between-the-sheets mishaps. As all women know, there's nothing dirtier or funnier than men and sex, and this book takes on both to give women the laughs they need in life.

Dirty Girls - Lily White 2020-01-22

They were the boys any good girl knew to avoid. Rich and privileged. Gorgeous and cruel. The poster boys for rebellion...their tongues so sharp they cut to the bone. We worshipped them despite their dangerous games. We laughed even as we cried. It was all fun and games until the first dirty girl died. Now, as the bodies pile up, I believe I can endure their wicked ways. Only time will tell if I'll escape. Because when wealthy boys are accustomed to getting everything they want, not even the lives of those around them are too high an asking price.
