

Domination Submission The BdsM Relationship Handbook

Domination & Submission Michael Makai 2014 The definitive handbook on Domination and Submission (D/s) relationships and the BDSM lifestyle. A must-read for anyone considering or curious about non-traditional relationships within a fetish culture context. Funny, insightful, educational, and inspiring. Author Michael Makai goes in-depth on Dominants, submissives, switches, primals, and their relationship dynamics. Learn about BDSM activities, bondage, toys, groups, protocols, and safety. This book even dares to go where others fear to tread: Primal relationships, online BDSM relationships, the Gorean subculture, first meetings, religion vs. kink, and the many ways it can all go wrong. You'll love Michael Makai's irreverent and humorous treatment of this subject as he gives you the benefit of his 35+ years of experience in the D/s and BDSM lifestyles.

62Q Michael Makai 2014 Your prospective Dominant is applying for a job. As far as you should be concerned, that job ought to be treated as the most important job in the world. Choosing the right person can mean a lifetime fulfilled and happy. Choosing the wrong Dom can result in a relationship train wreck, ruined lives, and perhaps even serious injury or death. One way to avoid the potential pitfalls and dangers of ending up in a phony, frustrating, or dangerous BDSM relationship is to learn effective interviewing skills and to ask the right questions while getting to know your prospective Dominant. Make no mistake about it, this process should be treated like a series of interviews for a critical job where only the most qualified individuals need apply. The applicant who gets this job will be placed in a position to potentially make life-or-death decisions with your life hanging in the balance. "62Q: Sixty-two Questions for Your Dominant" gives you the tools you will need to learn

what you must, make good decisions based on facts rather than feelings, and to protect yourself and your loved ones from fakes, phonies, jerks, and predators. Michael Makai has 37 years experience in the BDSM lifestyle and is the best-selling author of *Domination & Submission: The BDSM Relationship Handbook*, *The Warrior Princess Submissive*, and *The BDSM Coloring Book: An Activity Book for Kinksters with Crayons*.

Playing Well With Others Lee Harrington 2012-02-29 Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires
- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the "world at large" without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?!

The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

BDSM the Naked Truth Charley Ferrer 2011-08 America's BDSM Expert, Dr. Charley Ferrer pulls back the leather curtain and exposes the world of Dominance and submission. Whether you're a novice, curious seeker, or have been dabbling in power exchange relationships for some time, *BDSM The Naked Truth* provides valuable information and dispels many of the misconceptions in this often misrepresented and highly erotic lifestyle. Doctor Charley reveals why men and women seek bondage, discipline and sadomasochistic activities; why a submissive yearns to surrender; and why a Dominant nourishes that craving. Discover the affection, respect and love expressed during these interactions. *BDSM--it's not who you love but HOW you love them!*

Bdsm Tamara Edelweiss 2020-02-07 *BDSM Games Explained* Have you ever think of making sex with different types of roleplay with your partner? Have you ever wanted to pleasure your partner while assuming dominance over them, but didn't know where to begin? Are you someone who's been curious about exploring kink, but don't know where to begin? Well, you're in luck, for this book will tell you everything that you need to know to have a basic understanding of BDSM. In "BDSM guide" you will educate yourself about BDSM and in what way it can be used as stress relief for some. You will find numerous types of BDSM, whereby the intensity of pain also may differ. In some kinds of BDSM, the activities involve mild pain or none at all, while others involve serious pain. In cases where the submissive person is experiencing intense pain, they are the ones who have some degree of control over the amount of pain he or she will take. It is not as if the person is being forced to take the pain. With "BDSM guide", you'll be able to understand BDSM for what it is. There are a lot of misconceptions surrounding BDSM and kink culture, and sometimes, it's hard to find the truth, and what you should and shouldn't be doing. But, you're in luck, for this book will tell you everything you need to know about BDSM, and how to pleasure your partner. This guide is more than just a list of

who and what. It is a map that will take you into the heart of the BDSM lifestyle, explore the motivations and expectations, and offer suggestions for the safe and sensual journey you are undertaking. In "BDSM guide", you will discover: What is BDSM? Important things to remember when comes to BDSM How to be a good dominator How to be a good submissive Examples of BDSM and how to do them Bondage and a different type to try Beginner action to try Aftercare and why is it important Exciting sex life can be spiced up immeasurably with the inclusion of BDSM. You don't have to go all out, living it 24/7. That's a choice for the truly committed. If you are interested only in the kink and fetish aspect of it, there is nothing wrong with that. Go at your pace, and do things your way, so long as you and your partner maintain an open, honest and loving relationship throughout. Once things go sour, it ceases to be enjoyable, and trust can erode if either party abuses their position or neglects the wishes of the other. In short, BDSM simply isn't for everyone, but for those who enjoy it, it can be a life-altering experience. If all of this sounds like your ideal book, then hop on over and hit now that buy button! Domination & Submission Michael Makai 2013-09-22 "This book is for those who may be either curious about the Domination/Submission lifestyle, or find themselves suddenly a part of it, and needful of information to fill the gaps in their knowledge and experience. Though written from the admittedly highly subjective perspective of a male heterosexual Dominant with over thirty years of real-life experience in D/s relationships, great pains have been taken to apply a modicum of objectivity to the endeavor."--Preface page 7

[The Big Workbook for Submissives](#) Rebecca E. Blanton 2017-07-10 The Big Workbook for Submissives provides a large number of essays, journaling exercises, research assignments, and play assignments to help explore your submissive side. This book is great both for the person new to submission and for the person who has been practicing for some time and wants to deepen their submission. It is written for all genders and sexual orientations and accommodates both monogamous couple and poly relationships. The workbook is based on the class "Deepening Your Submission" taught by the author around the United States. This book takes you on a journey exploring your idealized version of submission to your practice and helps identify what you desire and need in your submission. This workbook may be used alone or with a partner.

Dominant Women Alexandra Morris 2023-04-28 Dominant Women is a guide for novice and semi-experienced women who are into the FLR-lifestyle. It covers everything from being and acting as a Domina, understanding male sexuality, the importance of communication (and how to do it well), and giving inspirational stories of FLR role-playing sessions, and much more. After reading the book, you will have everything you need to express your desire to be in charge and start dominating your man. Ready to start your Femdom training?

FEMDOM DATING Slave Dragos 2018-06-05 Are you seeking a Dominant woman but are you repeatedly striking out? The bad news is you have competition. LOTS OF IT. The good news is, all YOU have to do is be better than the rest. IT'S NOT DIFFICULT! Lame online messages don't work. Profiles listing your kinks don't work. Pictures of your "junk" don't work! This book shows you what DOES!

The Dominance Playbook Anton Fulmen 2019-04 In *The Dominance Playbook*, kink educator and lifelong power exchange fanatic Anton Fulmen builds on the fundamentals he established in *The Heart of Dominance* to explore beyond the basics of dominance and submission in both scenes and relationships. The Playbook includes inspiration and practical advice for a wide range of power exchange practices: administering effective punishments, providing useful service, navigating the delicate territory of sexual objectification, and other fulfilling but sometimes tricky areas of kink. You'll find invaluable guidance for creating an intense evening of power exchange play, and also for weaving power exchange into the fabric of a long term relationship - in ways that are exciting, fulfilling and sustainable for everyone.

Screw the Roses, Send Me the Thorns Philip Miller 1995 Light-hearted and fun to read, SCREW THE ROSES, SEND IN THE THORNS tells readers everything they need (and want!) to know about sadomasochism. Deeply committed to the blend of trust, fantasy and sensuality that makes S/M an intensely erotic and deeply intimate experience, Miller and Devon here offer everyone - from the complete novice to the well-practised sub or dom - clear explanations, solid advice, safety measures and steamy suggestions. Illustrated with over 225 photos and illustrations, the book also includes a glossary and 30-page resources listing.

Dom's Guide To Submissive Training Elizabeth Cramer 2015-03-06 A Dom/sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to "fit" one another and create a lasting, happy union there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. "Dom's Guide to Submissive Training" was specifically written for doms/masters. It is designed to provide you with a step-by-step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques & tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well-trained sub will not only serve you in the capacity you deserve, but will have built up the two most important elements in any BDSM relationship - trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master, who is in control, experienced and able to guide you both to the best possible life.

requests and direction on many things in your life? Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat? If so, this innovative book, *Leading and Supportive Love, the Truth about Dominant and Submissive Relationships*, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care for. The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you! It's a law of nature for socialized animals and humans to have hierarchical relationships. There are those who answer that call in a more literal, thorough way. The couple has a 'pack leader'; or a dominant leader; and a submissive member. Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals. Read about case illustrations, research insights, relationship help, and surprising details that may make you look at this type of long-term, committed relationship in a whole different way, no matter what gender you are! Do you identify with one of these lists of traits? Most people either do identify or know someone who does. If so, this unprecedented book is for you! S-Type Service to your partner is of great priority to you and you take it very seriously. Decisiveness, direction, and guidance from your partner makes you feel secure and loved. You avoid conflict and are generally non-confrontative in nature in close relationships. You greatly appreciate your partner being clear and direct with communication, so there are no doubts about what the expectations are. You appreciate the freedom that comes from structure, surrender, and personal discipline. L-Type You have natural dominant traits and seem comfortable and confident when using them. You place an importance on follow-

through and follow-up from your partner. You step into your natural abilities to lead, guide, protect and direct. It's important to you that you earn trust from your partner. You will not ask for it or demand it up front. You feel safe, secure and valued when your partner trusts you to lead and make decisions in the areas agreed upon.

The Warrior Princess Submissive Michael Makai 2014-10-03 Ever get the feeling, when you read about all the "classic" categories of submissive, that there must be one missing? You know which one we're talking about. The missing submissive is the one that is the wicked-smart, strong-willed, uber-competent, ultra-competitive, synergistic, switchy, crusader. She's no one's doormat, never a victim. She is a kick-ass submissive for the 21st century. Think: Xena, the Warrior Princess, kneeling at the feet of Hercules. This definitely isn't a woman in a precarious predicament waiting helplessly for her White Knight to arrive and slay a dragon for her. This was a woman who, as she is kicking the dragon's ass, smiles at the White Knight standing on the sidelines and says, "Hey, buddy! Feel free to jump right in and lend your sword to this fight. Otherwise, stay the hell out of my way!" The Warrior Princess doesn't need or want a rescuer. The Warrior Princess needs an ally that she can rely upon in the chaos of battle. She seeks a warrior equal to the tasks that she has already chosen for herself, and is demonstrably capable of accomplishing with, or without, his help. She is willing and able to fight the good fight alone, but welcomes the notion of having a worthy partner, fighting by her side. And yet, when the day's fighting is done, she is perfectly at ease with considering herself entirely His - heart, might, mind, body, and soul. Why is she important? She is important because she just may be the hope and salvation of this lifestyle. There will come a day, in the not too distant future, when the Warrior Princess Submissive will be forced to become a combatant in a highly politicized war on the BDSM lifestyle. It will be a propaganda war that characterizes all Dominants

as abusers and all submissives as victims of abusive and exploitative relationships. When she comes out of the shadows and chooses to fight for this lifestyle instead of against it - as many of her contemporaries will expect her to do - her strong moral compass will reassure those on the sidelines that she is doing what is right and just. Michael Makai is the author of the Amazon best-seller, *Domination & Submission: The BDSM Relationship Handbook*.

The Heart of Dominance Anton Fulmen 2016-07-15 *The Heart of Dominance* is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

Bow Down Lindsay Goldwert 2021-01-19 *One of Glamour’s Best Books of 2020* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it’s from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men’s Feelings*).

Dominant/submissive Contract Belle 2014-03-18 Have you ever wanted to dominate or serve your lover? Whether you're just after something naughty to spice up your love life, or you are entering a devoted BDSM relationship and you'd like to formalise it with a contract, this adaptable deed is for you. Boost your intimacy and sexual repertoire. Use this legal style document to help you negotiate and define your kinky arrangement. This practical guide is ideal for establishing a power exchange experience. Use it to discuss your deepest desires and to keep your love life fresh. It's the perfect way to record your goals, desires and boundaries. Adds a new dynamic to your relationship. This deed covers all the essentials of a power exchange. Suitable for all levels of BDSM (from training to a total power exchange) including Master/slave, Mistress/slave or Dominant/submissive dynamics. Helps you bring up the topic. Some never get the chance to express their desires. This could be from fear of being judged (even by your own partner) or perhaps not knowing how to approach the topic. Filling out a kinky Contract is a light-hearted way to introduce a saucy conversation. Entices you to explore. Going over this document together can be fun and exciting (a real eye opener). The Activity Questionnaire guides you to create, talk about and plan your kinky scenes. Keeps communication open. A main reason any relationship fizzles is lack of communication. A written agreement encourages you to negotiate and communicate with each other. Revise it regularly to stay on track and to keep things fresh. Helps you stick to the arrangement. Having your rules set out in writing makes your roles seem more official. Suitable for: Married couples, partners & lovers looking to explore a kinky lifestyle; and BDSM couples (D/s, M/s) wishing to define the relationship. It's fun and easy to start. Please note: the Dominant/submissive Contract is for entertainment purposes only. It is NOT legally binding

Thinking Kink Catherine Scott 2015-04-17 When the mildly kink-themed trilogy 50 Shades of Grey became popular reading in 2012, the media speculated that feminism was in reverse, as the public went mad over bondage and discipline, domination and submission and sadomasochism (BDSM). The novels provoked academic debate about BDSM and the issues it raises for feminists. Is the female dominant truly powerful or is she just another objectified body? Does lesbian BDSM avoid the problematic nature of heterosexual kink, or is it actually more subject to the "male gaze" of feminist theory? And what is it about kink that has creators of pop culture--from Anne Rice to the producers of Scrubs--using it to attract audiences? Examining the tropes of kink in books, TV shows, film and the music industry, this work addresses these and other questions that depictions of BDSM raise for the feminist audience. The author interweaves her own research and experiences in the BDSM scene with the subculture's portrayal in the media. Instructors considering this book for use in a course may request an examination copy here.

training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.

The Ultimate Guide to Kink Tristan Taormino 2012-03-01 The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing

How to Be a Healthy and Happy Submissive Kate Kinsey 2014-09-06 Beyond any shades of grey, there's an entire kinky world of BDSM, full of real life dominants and submissives enjoying an intimacy and satisfaction in their relationships that vanilla folk only dream of. Whether you want to explore your own submissive fantasies, or you're just curious about what BDSM is really like, this book will answer all your questions, plus some you didn't know you had. Erotic author Kate Kinsey ("Red," and "The Totally Uncensored Kinky Adventures of Chloe St. Claire, Sex Slave") brings over a decade of experience as a submissive and kinky educator to this practical step-by-step guide to being a healthy and happy submissive. Topics covered include: the differences between dominants and masters, submissives and slaves, and tops and bottoms; the different dominant styles; the truth about "training" to be a submissive; how to find like-minded folks in your area; how to negotiate scenes and relationships; what to expect at your first dungeon party; why some people actually enjoy pain; and the warning signs to look out for when talking to potential partners. "Kinsey has written a no-nonsense guide that thoroughly explains the various kinks and fetishes that come under the umbrella of BDSM. Most importantly, she emphasizes the importance of protecting yourself along the way with knowledge, friends and self-awareness." "This is not fiction, but reality. Kate Kinsey has the experience to tell it like it is, not the way some vanilla writer imagines it to be."

stories and poetry is an intriguing insight into the secret world of a truly submissive teenage girl. The tales are a colourful journey of self-exploration and sexual-awakening. Although still a virgin in real life, the model/authoress (pictured on the book's cover) lets her fantasies run wild in her writing. Her obsession with her own body, particularly the perfection of her bottom, and craving for submission, punishment and the wilder side of sexual pleasure are addressed with vulnerable honesty and dizzying imagination. The stunning collection of photographs of the authoress compliments the writing to make this book a verbal and visual feast for both men and women. Dark, beautiful and intensely erotic! *And Fantasies of a Young Submissive* includes images capturing Rosaleen's radiant innocence
