*Jane Eyre (Deluxe Hardbound Edition)* - Charlotte Brontë 2022-10-06

Jane Eyre, first published in 1847 under the pseudonym Currer Bell, exploded into the English literary scene, capturing the hearts of many of the world's most prominent writers, including William Makepeace Thackeray, who called it a work "of extraordinary brilliance." Brontë's masterpiece, widely recognised as a revolutionary novel, exposed the world to a radical new sort of heroine, one whose rebellious integrity and moral courage stood in stark contrast to the more acquiescent and malleable female heroines of the day. Jane Eyre is one of the world's most beloved novels because it is passionate, dramatic, and startlingly modern.

*Your Network Is Your Net Worth* - Porter Gale 2013-06-04

An internationally known public speaker, entrepreneur, and marketing executive shares practical, up-to-date tips for mastering the skills of networking. Networking doesn't have to be that frenzied old-school game of calendars packed with stuffy power lunches and sterile evenings at community business gatherings. We've entered a new era, one in which shifting cultural values and the explosion of digital technology enable us to network in vastly more efficient, more focused, and more enjoyable ways. A fresh take on How to Win Friends and Influence People, *Your Network Is Your Net Worth* is an entertaining, straightforward guide filled with revealing case studies, hands-on advice, and innovative strategies for building your network. Written by sought-after speaker, entrepreneur, and marketing executive Porter Gale, with a foreword by Apple evangelist and bestselling author Guy Kawasaki, this book shows you how to establish, expand, and nurture your connections both online and off. New ways to network are popping up every day—and Gale tells you how to make the most of them—but even traditional networking opportunities are not the same animals that they once were, and we need to shift our attitudes and approaches accordingly. Networking has evolved from a transactional game to a transformational process. Whereas once it was about power plays, now it's about charting your own course, following your passions, and making meaningful connections, which in turn increase your happiness and productivity. In addition to chronicling her own rise from an ad agency intern to an in-demand consultant, Gale also shares the inspiring stories of so many others who live by this networking model: a military wife who connects with social media communities while her husband is deployed overseas, a young woman blog-ger battling leukemia, a dyslexic politician who wins elections by telling stories, and the CEO of a Major League Baseball team who once made a phone call that changed the course of his life. When you focus on your

passions and reorganize your networking around your values and beliefs, you will discover the kind of lasting relationships, personal transformation, and, ultimately, tangible wealth that are the foundation for happiness and success. With a message both timely and important, *Your Network Is Your Net Worth* is the definitive handbook to Networking 2.0.

*Finding Your Thread* - 2022-02

Finding Your Thread is a call to action through storytelling. Using stories told by well-loved fibre artists, we champion the art of finding yourself through creativity. This book features stories and artwork of 20 artists, all who believe in expressing your voice - through both words and the medium of fibre art. In the book, Anne Kempton, fibre artist and founder of Timeless Textiles Gallery, shares intriguing stories that share a similar message in vastly unique ways - that through making and creating, we can find ourselves (again) and tell our own stories. Alongside the stories are beautiful images of artwork that starts a conversation, with the artist and with ourselves.

*Obviously Awesome* - April Dunford 2019-05-14

You know your product is awesome-but does anybody else? Successfully connecting your product with consumers isn't a matter of following trends, comparing yourself to the competition or trying to attract the widest customer base. So what is it? April Dunford, positioning guru and tech exec, is here to enlighten you. *My Lover's Lover* - Maggie O'Farrell 2023-08-15

From the author of *The Marriage Portrait* and New York Times bestseller *Hamnet* comes *My Lover's Lover*, an intense, unnerving and passionate story of betrayal, loss and love, with all the frisson and psychological intensity of Rebecca. When Lily moves into new boyfriend Marcus's apartment and plunges headlong into their relationship, she must contend with an intangible, hostile presence—Marcus's ex-girlfriend, Sinead. As Lily and Marcus become more deeply involved, Lily becomes obsessed with Sinead's fate and thinks she sees her everywhere. She must question not only her sanity, but whether the man she loves is someone she can, or should, be with at all.

**Building Brand Communities** - Carrie Melissa Jones 2020-06-09

An authentic brand community is more than just people buying your product or working alongside one another. This book articulates the critical roles of mutual concern, common values, and shared experiences in creating fiercely loyal customer and collaborator relationships. Smart organizations know that creating communities is the key to unlocking unprecedented outcomes. But too many mistakenly rely on superficial transactional relationships as a foundation for community, when really people want something deeper. Carrie Melissa Jones and Charles Vogl argue that in an authentic and enriching community, members have mutual concern for one another, share personal values, and join together in meaningful shared experiences, whether online or off. On the deepest level, brands must help members grow into who they want to be. Jones and Vogl present practices used by global brands like Yelp, Etsy, Twitch, Harley Davidson, Salesforce, Airbnb, Sephora, and others to connect in a meaningful way with the people critical for their success. They articulate how authentic communities can serve organizational goals in seven different areas: innovation, talent recruitment, customer retention, marketing, customer service, building transformational movements, and creating community forums. They also reveal principles to grow a new brand community to critical mass. This is the first comprehensive guide to a crucial differentiator that gives organizations access to untapped enthusiasm and engagement.

**Grief Works** - Julia Samuel 2017-03-02

JULIA SAMUEL'S LATEST BOOK, EVERY FAMILY HAS A STORY, IS AVAILABLE TO PRE-ORDER NOW A Sunday Times Top 10 Bestseller Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood... In *Grief Works* we hear stories from those who have experienced great love and great loss - and survived. Stories that explain how grief unmasks our greatest fears, strips away our layers of protection and reveals our innermost selves. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. This deeply affecting book is full of psychological insights on how grief, if approached correctly, can heal us. Through

elegant, moving stories, we learn how we can stop feeling awkward and uncertain about death, and not shy away from talking honestly with family and friends. This extraordinary book shows us how to live and learn from great loss.

Americanah - Chimamanda Ngozi Adichie 2023-04-13

SHORTLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION 'A delicious, important novel' The Times 'Alert, alive and gripping' Independent 'Some novels tell a great story and others make you change the way you look at the world. Americanah does both.' Guardian As teenagers in a Lagos secondary school, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. Ifemelu--beautiful, self-assured--departs for America to study. She suffers defeats and triumphs, finds and loses relationships and friendships, all the while feeling the weight of something she never thought of back home: race. Obinze--the quiet, thoughtful son of a professor--had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a writer of an eye-opening blog about race in America. But when Ifemelu returns to Nigeria, and she and Obinze reignite their shared passion--for their homeland and for each other--they will face the toughest decisions of their lives. Fearless, gripping, spanning three continents and numerous lives, Americanah is a richly told story of love and expectation set in today's globalized world.

The Art of Being Human - Michael Wesch 2018-08-07

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

HEY, U UP? (For a Serious Relationship) - Emily Axford 2018-02-13

Humorous dating advice from two married comedians, former CollegeHumor writers and stars of the Hot Date tv series. Who better to write a very humorous manual about evolving modern relationships than two CollegeHumor veterans and viral-video stars who happen to be a real-life husband-and-wife team? With candor, bite, and charm, HEY, U UP? takes readers on an eight-chapter journey through the trials of hooking up to the foibles of marriage, and combines the authors' prescriptive advice with the unfolding story of their own relationship. HEY, U UP? tackles all the milestones of relationships today--both glorious and embarrassing--with sections ranging from "How to Ask Someone Out After You've Slept with Them" all the way to "Establish Your Family as the Christmas Family by Turning Your Significant Other Against Their Own Parents." In addition to the laugh-out-loud essays, lists, questionnaires, and even flowcharts further enliven the pages.

Social Leadership - Julian Stodd 2017

The Storytelling Edge - Shane Snow 2018-02-13

"A terrific and timely book that makes a compelling case for fundamentally rethinking how your business

communicates. Recommended!" —Jay Baer, founder of Convince & Convert and author of Hug Your Haters "Once upon a time, storytelling was confused with talking at people. Not anymore. Shane and Joe are your narrators in a journey that will transform how you talk to other human beings to be more believable, relevant, compelling and unforgettable." —Brian Solis, experience architect, digital anthropologist, best-selling author "Shane Snow and Joe Lazauskas spend the overwhelming majority of their time thinking, writing, and theorizing about brand storytelling - so you don't have to. They're smart and they know this topic inside out (and sideways). Read their book. While I can't guarantee you'll rise to Shane and Joe's ridiculously obsessive level, you will be infinitely better prepared to tell your own brand's story. Promise!" —Rebecca Lieb, Analyst, Author & Advisor "The Contently team understands the power of story, and how to craft and spread a great narrative, like no other. In an era where brand, design, and mission are a competitive advantage for every business, Contently underscores the importance of stories and how they transform companies and industries." —Scott Belsky, Entrepreneur, Investor, & Author (Founder of Behance, bestselling author of Making Ideas Happen) "I can't think of a better way to illustrate the power of story telling than by telling great stories. This book should be required reading not just by those with content in their titles, but by anyone in Marketing AND Sales. Then, when you're done, give it to your CEO to read... but make sure you get it back, because I guarantee you'll refer to it more than once." —Shawna Dennis, Senior Marketing Leader "Neuroscience, algorithms, illustrations, personal anecdotes and good, old-fashioned empathy: This entertaining and informative tome journeys to the core of how we communicate and pushes us, as marketers and humans, to do it better, "speeding the reader through and leaving us wanting more." —Ann Hynek, VP of global content marketing at Morgan Stanley Transform your business through the power of storytelling. Content strategists Joe Lazauskas and Shane Snow offer an insider's guide to transforming your business—and all the relationships that matter to it—through the art and science of telling great stories. Smart businesses today understand the need to use stories to better connect with the people they care about. But few know how to do it well. In The Storytelling Edge, the strategy minds behind Contently, the world renowned content marketing technology company, reveal their secrets that have helped award-winning brands to build relationships with millions of advocates and customers. Join as they dive into the neuroscience of storytelling, the elements of powerful stories, and methodologies to grow businesses through engaging and accountable content. With The Storytelling Edge you will discover how leaders and workers can craft the powerful stories that not only build brands and engage customers, but also build relationships and make people care—in work and in life.
