Lautaro - Fernando Alegría
1944

"The story of Lautaro, young warrior and hero of the Araucanian Indians of Chile, who, in the sixteenth century, led his people to victory against Don Pedro de Valdivia ... and his Spanish invaders."--
Booklist.

Dreams of the Abandoned Seducer - 1998-01-01

Dreams of the Abandoned Seducer takes place in the new "free market" era of personal choices and relations: a chaotic, sometimes hopeful, often comic world that has supplanted the old order of political terror and clearly demarcated ideological divides. The novel's vaudeville qualities, with characters shuffling on and off the page in

rapid succession, are complemented by its exhilarating air of parody. Dreams draws ingeniously upon the sentimentality and ephemera of popular culture—quoting radio and TV shows, song lyrics, newspaper items, and bits of gossip—while also offering a sterner, more nuanced view of public and private relations. It is in large measure this mix of elements—"popular" and "high" culture, sentimentality and political understanding, vaudeville and arch satire—that makes Dreams an exemplary postmodern novel. *El Fuego de Las Cosas* - Yvonne Ochart 1990
A unique and fascinating collection of thrilling short stories with the most various

and electrifying plots and settings.

Confabulario and Other

Inventions - Juan José Arreola
2010-06-04

This biting commentary on the follies of humankind by a noted Mexican author cuts deeply yet leaves readers laughing—at themselves as well as at others.

With his surgical intelligence, Juan José Arreola exposes the shams and hypocrisies, the false values and vices, the hidden diseases of society.

Confabulario total, 1941-1961, of which this book is a translation, combines three earlier books—*Varia invención* (1949), *Confabulario* (1952), *Punta de plata* (1958)—and numerous later pieces.

Although some of the pieces have a noticeably Mexican orientation, most of them transcend strictly regional themes to interpret the social scene in aspects common to all civilized cultures. Arreola's view is not limited; much of his sophistication comes from his broad, deep, and varied knowledge of present and past, and from his almost casual use

both of this knowledge and of his insight into its meaning for humanity. His familiarity with many little-known arts and sciences, numerous literatures, history, anthropology, and psychology, and his telling allusions to this rich lode of fact, increase the reader's delight in his learned but witty, scalding but poetic, satire.

Amerigo and the New World

- Germán Arciniegas 1978

Gabriel Garcia Marquez -

Gerald Martin 2012-04-02

The first comprehensive biography of the author of *One Hundred Years Solitude* and *Love in a Time of Cholera* - the most popular international novelist of the last fifty years.

'Gabriel García Márquez once remarked that "every self-respecting writer should have an English biographer". He could have asked for none more accomplished than Gerald Martin' *Financial Times* Gabriel García Márquez, author of the modern classic *One Hundred Years of Solitude* and *Love in the Time of Cholera*, is one of the greatest

and most popular writers of the late-twentieth century. As Gerald Martin tells the story of the author's fascinating rise to wealth and international fame, he reveals the tensions in García Márquez's life between celebrity and literary quality, between politics and writing, and between power, solitude and love. Interviewing more than three hundred people including Fidel Castro, Felipe González, Carlos Fuentes and Mario Vargas Llosa, the author's large family as well as 'Gabo' himself, Martin immerses himself in García Márquez's world. This at first 'tolerated' and now 'official' biography is as gripping and revealing as the writer's journalism and as complex and involving as any of his fiction.

The Terror Brigade - David Atlee Phillips 1989-01-01
Rogue CIA operative Perry Allison, now the leader of a fanatical band of death commandos, launches a suicide assault on the nation's capital, and only Sam Pepper--ex-spy, manhunter, and counterterrorist--can stop them

Germans in the Conquest of America - Germán Arciniegas 1943

Steps Under Water - Alicia Kozameh 1996

Steps Under Water is a novel drawn from Alicia Kozameh's experiences as a political prisoner in Argentina during the "Dirty War" of the 1970s.

Cuentos Para Fomentar El Turismo - Emilio S. Belaval
2019-03-15

Don Goyo - Demetrio Aguilera-Malta
2012-12-06

Ashes of Izalco - Claribel Alegra 2015-02-20
A novel that blends politics, history and romance with unfailing gentleness, unforeseeable, explosive events determine the actions of the characters but never interrupt the work's lyrical structure. Carmen Rojas, the heroine, was a child when, in 1932, she witnessed the brutality of the El Salvadoran National Guard, who murdered 30,000 rioting peasants. The tragedy shapes her political consciousness, and, although she marries an American and lives in Washington, D.C., she cannot escape its memory. Thirty years later, she returns home

to attend her mother's funeral and to care for her sickly father, and discovers a diary kept by her mother's American lover in the months before the 1932 uprisings.

The Doubtful Strait - Ernesto Cardenal 1995

The stories of Tata Mundo - Fabián Dobles 1998

Mea Cuba - Guillermo Cabrera Infante 1995-10-31

"Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature." - Publishers Weekly
With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

Writes of Passage - Guillermo Cabrera Infante 1993-01
Fifteen stories about Cuba by a writer who notes in the prologue: "None, for sure went

to jail for imitating Hemingway. I did."

The Collected Poetry - Aim C Saire 1983-10-03

This edition, containing an extensive introduction, notes, the French original, and a new translation of Césaire's poetry--the complex and challenging later works as well as the famous Notebook--will remain the definitive Césaire in English.

Careers in Secret Operations - David Atlee Phillips 1984

Guilty of Dancing the Chachachá - Guillermo Cabrera Infante 2001

"Like the rhythm of the chachacha, the three short stories in this collection are marked by repetition and contrast. They all begin with

the same scene: on a rainy afternoon, a man and woman are having lunch in a restaurant in the center of Havana. Each time, however, this scene is the genesis of a different love story, each corresponding to the vision of three distinct islands: the island of African rites and sacred tambours; the island of luxury hotels and American tourists; and finally, an island of communist utopia and political persecution. In this humorous, ironic and touching work, Cabrera Infante invites the reader on a journey through time, and a quest to discover the many faces of his beloved Cuba."--BOOK JACKET.
