5 Things Every Parent Needs to Know about Their Kids and Sex - Anne Marie Miller 2016-05-17
Real Help for the Toughest Talks Most parents dread talking about sex with their children. Anne Marie Miller loves giving "the talk." As she has shared her personal story and talked about God's gift of sex with almost half a million young people, she's noticed some disturbing patterns: · Google is how kids learn about sex · Kids are learning about sex and viewing pornography earlier than parents think · The sexually abused often don't tell anyone for fear of getting in trouble · Sexual messages are being consumed daily through mainstream and social media · Most parents think their child is the exception Instead of sweeping this topic under the rug, Miller wants to change the narrative. In this immensely practical and well-researched book, she equips parents to have meaningful and age-appropriate conversations with their children about sex, pornography, and sexual abuse. She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears, struggles, and mistakes. Most important, she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God.

Sex Education 101: Approachable Essays on Folklore, Culture, & History - Jeana Jorgensen 2023-11-11

Do you look back at your sex ed classes and wonder WTF?! Are you a parent looking at your kid's curriculum and asking the same question? Sex Education 101 is less of a how-to of sex education and more of a why. Why does abstinence-only sex ed receive so much federal funding? Why do instructors show gross images of STIs to scare students? And the answers, believe it or not, have a lot to do with folklore. Folklore—informally transmitted traditional culture—has a lot to say about sex. And it is often people's first point of contact with information and messages about sex. Folklore encompasses urban legends, moral panics, and rumors, which influenced early U.S. policies around sex, and also includes jokes, raunchy folk songs, and beliefs and slang about menstruation or STIs. And thus, folklore shapes sex ed classrooms and school sex ed policies. This book is a series of essays for anyone interested in folklore about sex, the history of sex education, and how we keep repeating history from 100 years ago in our approaches today. Whether you are a scholar of books or a scholar of life (or both), you'll find something satisfying between the sheets of Sex Education 101.

Trans Sex - Lucie Fielding 2021-05-23

Finalist, 2022 Lambda Literary Awards (Trans-Non-fiction Category) Winner, of the 2022 AASECT Book Awards (Book for Sexuality Professionals) Despite the increasing visibility of trans and non-binary folk in media, political representation, and popular culture, their sexual lives and erotic embodiments are woefully under-attended-to in both scholarship and clinical practice. The aim of this book is to equip providers with both conceptual frameworks and concrete tools for better engaging their trans, non-binary, and gender expansive clients in pleasure-centered discussions of sexual health. Challenging the dominant images of trans sexualities that appear in the existing literature, such as an emphasis on avoiding gender dysphoria, the preservation of sexual function, or on sexual losses that may arise as a result of transition pathways, Trans Sex offers a pleasure-positive approach to working with trans clients. Providing concrete clinical practices and practical activities that utilize social justice, intersectional trans feminism, and radical queer theory as key conceptual frameworks, this groundbreaking text is designed to be accessible to a wide range of providers. This book draws on Fielding's experiences as both a trans client/patient and as a therapist to shift and expand the conversation and includes contributions from other trans and non-binary providers working at the intersection of gender-affirmative care and sexuality. Trans Sex seeks to move trans sexualities from the margins of gender-affirmative clinical practice, to center pleasure, and to spark creativity and empathic attunement within the client-provider relationship. Whether they be mental health or medical providers, trainees, or seasoned practitioners in gender-affirmative work or sexualities, readers

will be able harness creative strategies to enhance their practice and become more imaginative providers.

Sex is a Funny Word - Cory Silverberg 2015-07-28

2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

For Goodness Sex - Al Vernacchio 2014-09-16

A progressive, effective, and responsible approach to sex education for parents and teens that challenges traditional teaching models and instead embraces 21st century realities by promoting healthy sexuality, values, and body image in young people. Sex education today generally falls into one of two categories: abstinence-only or abstinence-based education—both of which tend to withhold important, factual information and leave young adults ill-equipped to make safe decisions. Al Vernacchio, a high school sexuality educator who holds a Master's degree in Human Sexuality from the University of Pennsylvania, has created a new category: sex-positive education. In For Goodness Sex, he refutes the "disaster prevention" model of sex ed, offering a progressive and realistic approach: Sexuality is a natural part of life, and healthy sexuality can only develop from a sex-positive, affirming appreciation. Curious yet fearful of being judged, young people turn to peers, the Internet, and the media, where they receive problematic messages about sex: boys are studs, girls are sluts; real sex should be like porn; hookups are better than relationships. Without a broader understanding to offset these damaging perceptions, teenagers are dangerously unprepared intellectually and emotionally to grow and develop as sexual beings. For Goodness Sex offers the tools and insights adults need to talk young people and help them develop healthy values and safe habits. With real-life examples from the classroom, exercises and quizzes, and a wealth of sample discussions and crucial information, Vernacchio offers a guide to sex education for the twenty-first century.

For Goodness Sex - Al Vernacchio 2023-04-18

"A breath of much-needed fresh air around a very charged subject."—Christiane Northrup, M.D., OB/GYN physician and author of the New York Times bestsellers Women's Bodies, Women's Wisdom and The Wisdom of Menopause "Vernacchio's no-blame, no-shame approach will inspire parents to drop their fears, judgments, and inhibitions in order to help their kids navigate the teen years."—Publishers Weekly A progressive approach to sexuality education that challenges commonly-held beliefs about how we talk to young people about sex and offers a controversial yet proven alternative to the standard conversations taking place in schools and homes across America. Sex education today generally falls into one of two categories: abstinence-only or abstinence-based education—both of which tend to withhold important, factual information and leave young adults ill-equipped to make safe decisions. Al Vernacchio, a high school sexuality educator who holds a Master's degree in Human Sexuality from the University of Pennsylvania, has created a new category: sex-positive education. In For Goodness Sex, he refutes the "disaster prevention" model of sex ed, offering a progressive and realistic approach: Sexuality is a natural part of life, and healthy sexuality can only develop from a sex-positive, affirming appreciation. Curious yet fearful of being judged, young people turn to peers, the Internet, and the media, where they receive problematic messages about sex: boys are studs, girls are sluts; real sex should be like porn; hookups are better than relationships. Without a broader understanding to offset these damaging perceptions, teenagers are

dangerously unprepared intellectually and emotionally to grow and develop as sexual beings. For Goodness Sex offers the tools and insights adults need to talk young people and help them develop healthy values and safe habits. With real-life examples from the classroom, exercises and quizzes, and a wealth of sample discussions and crucial information, Vernacchio offers a guide to sex education for the twenty-first century.

Sex, College, and Social Media - Cindy Pierce 2016-10-04

Sex in college has never been simple. And with modern technology, the rising rates of sexual assault and STDs, and an increasingly ambiguous hookup culture, it is getting ever more complex. *Sex, College, and Social Media: A Commonsense Guide to Navigating the Hookup Culture* is a compassionate, funny, and well-researched primer for the modern college student, both male and female. It covers a range of topics, including: * How improved communication can make sex better for everyone * Ways that porn and the media have warped our expectations * Trustworthy information about STDs and contraception * How to have a healthy relationship with alcohol and drugs * What terminology is appropriate and respectful to use for all things LGBTQ * The facts about sexual assault on campus, and what to do if you or someone you know is assaulted * Consent * and much more Based on author Cindy Pierce's experience talking to college students and on extensive social and medical research, *Sex, College, and Social Media* provides trustworthy answers for pressing questions about all aspects of the college social scene. It will prepare entering freshmen for their new environment and continue to provide helpful and supportive guidance through senior year and beyond.

Sexploitation - Cindy Pierce 2016-10-04

As surprising as it may be to parents, young people today are immersed in porn culture everywhere they look. Through Internet porn, gaming, social media, marketing, and advertising, kids today have a much broader view of social and sexual possibilities, which makes it difficult for them to establish appropriate expectations or to feel adequate in their own sexuality. Even more important, no one is talking to kids directly about the problem. Parents tend to convince themselves that their children are immune to cultural influences, wait until it comes up, or hope schools and pediatricians will address the issues. Educators and doctors may be able to start the conversation but it is fundamentally a parent's job to provide information about sex and relationships early and often to help young people find their way through their social and sexual lives. Delaying the necessary but awkward conversations with their kids leaves them vulnerable. The media, marketers, and porn and gaming industries are eager to step in anywhere parents choose to hold back. *Sexploitation* exposes the truth to parents, kids, educators, and the medical profession about the seen and unseen influences affecting children, inspiring parents to take the role as the primary sexuality educator. With more information, parents will gain conviction to discuss and develop values, expectations, boundaries, and rules with their kids. Kids who enter their teens with accurate information and truths stand a better chance of developing an "inner compass" when it comes to sex and relationships, which sets them up for a healthy adulthood. In her comic and straightforward style, Pierce brings together the latest research with anecdotal stories shared with her by high school and college students in the thick of it. Above all else, her goal is to get people to develop more comfort around those difficult conversations so that kids gain more confidence and courage about drawing boundaries based on their own values not those put upon them.

Glittering Vices - Rebecca Konyndyk DeYoung 2020-06-02

Drawing on centuries of wisdom from the Christian ethical tradition, this book takes readers on a journey of self-examination, exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness. The first edition sold 35,000 copies and was a C. S. Lewis Book Prize award winner. Now updated and revised throughout, the second edition includes a new chapter on grace and growth through the spiritual disciplines. Questions for discussion and study are included at the end of each chapter.

After Marriage Equality - Carlos A. Ball 2019-05-01

What does marriage equality mean for the future of LGBT rights? In persuading the Supreme Court that same-sex couples have a constitutional right to marry, the LGBT rights movement has achieved its most important objective of the last few decades. Throughout its history, the marriage equality movement has been criticized by those who believe marriage rights were a conservative cause overshadowing a host of

more important issues. Now that nationwide marriage equality is a reality, everyone who cares about LGBT rights must grapple with how best to promote the interests of sexual and gender identity minorities in a society that permits same-sex couples to marry. This book brings together 12 original essays by leading scholars of law, politics, and society to address the most important question facing the LGBT movement today: What does marriage equality mean for the future of LGBT rights? *After Marriage Equality* explores crucial and wide-ranging social, political, and legal issues confronting the LGBT movement, including the impact of marriage equality on political activism and mobilization, antidiscrimination laws, transgender rights, LGBT elders, parenting laws and policies, religious liberty, sexual autonomy, and gender and race differences. The book also looks at how LGBT movements in other nations have responded to the recognition of same-sex marriages, and what we might emulate or adjust in our own advocacy. Aiming to spark discussion and further debate regarding the challenges and possibilities of the LGBT movement's future, *After Marriage Equality* will be of interest to anyone who cares about the future of sexual equality.

The Principles of Pleasure - Laura Rademacher 2017-04-21

There are tremendous benefits to discussing the subject of sexual and emotional pleasure with clients, and this book addresses the challenges and misconceptions of doing just that. Laura Rademacher and Lindsey Hoskins teach the skills necessary for mental health professionals and sex educators to build competence in this work with their clients. Readers get techniques to implement in therapeutic, clinical, and educational settings, and learn how to examine pleasure in ways that are currently lacking from academic work on sexual health. This book covers skills for working with populations of all orientations and gender expressions. Language and phrasing for addressing pleasure issues in a wide variety of educational or therapeutic settings is also provided. Information about sexual lubrication and sex toys that is rarely taught in professional training programs is included, as well as how to appropriately incorporate information about these important sexual tools into your work. Issues such as abstinence, sexual orientation, couple therapy, and sexual education will be discussed outside of the standard medical model of sex therapy. *The Principles of Pleasure* will help you feel relaxed and confident while moving clients and students closer to their pleasure goals, and provides the evidence to back up the importance of talking and teaching about pleasure, should you need to justify this work.

Beyond Birds and Bees - Bonnie J. Rough 2018-08-21

A provocative inquiry into how we teach our children about bodies, sex, relationships and equality -- with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed -- and our society -- for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development -- and overall wellbeing -- from birth onward at home, in schools, and across our evolving culture.

La trampa del sexo digital - Jorge Gutiérrez Berlinches 2021-09-07

¿Sabías que la pornografía afecta al cerebro de un modo similar a otras sustancias? ¿Conoces la fórmula para salir de esta adicción? ¿Qué hago si descubro a mi hijo viendo este material? ¿Qué señales ayudan a

detectar el problema antes de que suceda? Si eres adicto al sexo o crees que estás en proceso de serlo, este libro te ayudará. Si tienes un hijo o una hija, te formará... Si eres de los que quiere saber cómo nos afecta el consumo de pornografía, te interesará. La pornografía no es lo que era. El sexo, tampoco. Niños con doce años que acceden a vídeos eróticos, chicos de veintidós con disfunciones sexuales, mujeres en la treintena con la autoestima destruida por la adicción de su pareja. ¿Qué nos está pasando? ¿Necesitamos recuperar una visión más enriquecedora y global de la sexualidad? Este libro te dará las claves para educar sin miedo, sin tabúes, con claridad y respeto. No hay preguntas difíciles, solo hay respuestas en las que no has pensado. Estas páginas te ayudarán a descubrir las. Madres y padres, no descuidéis algo importante: una educación afectiva y sexual de calidad. Enseñar a vuestros hijos a amar es la principal actividad extraescolar. «Ver porno de forma constante modifica tu cerebro, tu sistema de recompensa y, a la larga, tu capacidad concentrarte pudiendo derivar a una sensación de vacío y frustración. Recomiendo este libro a aquellos que quieran saber más sobre la pornografía y sus efectos sobre en el mundo emocional». Marian Rojas Estapé, psiquiatra y autora de «Cómo hacer que te pasen cosas buenas.»

Talk to Me First - Deborah Roffman 2012-07-31

We live in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do? With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. Talk to Me First is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives.

Building Boys - Jennifer L. W. Fink 2023-04-04

Offers parents tips and tools to help boys move beyond persistent gender stereotypes to full humanity. We want to raise well-rounded human beings—we're just not quite sure how best to do it. Confounded by rapidly changing gender norms, today's parents are attempting to raise kind, compassionate, emotionally sensitive boys in a society that simultaneously rewards stereotypical masculinity and is increasingly hostile to boys. Surrounded by messages of female empowerment, young boys ask their parents, "Why don't they ever say that boys can be anything they want to be?" Teaching boys to respect others will help them in the future—but can make life awfully difficult in the here and now. Making the world a safer place for women and girls is not the only reason to rethink our boy raising practices. Current culture harms our boys too—and they need (and deserve) as much support as girls and women. Building Boys is written by an in-the-trenches #boymom who intimately understands male development and the challenges currently facing boys and their families. Fink offers ten rules that parents can use to guide their parenting choices throughout their sons' lives—guidelines that are as relevant to parenting toddlers as they are to parenting teenagers. These rules range from emphasizing emotional intelligence to letting your son struggle and ultimately accepting him as he is. Fink explains both the science and research behind each rule as well as stories and anecdotes from families, including her own. Parents are taught how to apply the rule to a variety of common parenting challenges. And because these rules are broad, they are as applicable to boys with ADHD, autism and learning challenges as they are to neurotypical boys.

Dating and Sex - Andrew P. Smiler 2016-09-05

Bronze Medal Winner for Young Adult Nonfiction, 2016 Foreword INDIES Book Awards Silver award winner in the Eureka! Children's Nonfiction Awards 2017 National Indie Excellence Award Winner for Young Adult Nonfiction Best Typographic Cover and Best in Show in Washington Book Publisher's Design and Effectiveness Awards "There's a good chance you've had the "sex talk" with your parents. Or not. Or learned about human reproduction in health class. Or maybe you've heard a lot about dating, sex, and relationships from friends, movies, and surfing online. So you are all set, right? Maybe.... But everything you think you know and everything you really want to know is inside this book." Written for teen boys, Dating and Sex provides them with the knowledge they need to understand dating, relationships, and sex. It

goes beyond basic descriptions of biological processes with a progressive, practical approach that relies on secular ethics and emphasizes sexual health and personal responsibility. The book addresses common questions like: What's a hook-up? How do I know if someone likes me? Can I masturbate too much? How do I know if I am ready for sex? How do I know what my sexual orientation is? Why is it important to get and give consent? How can I make a relationship last for more than a couple days? The perfect book for helping teen boys understand both themselves and the complexity of the sexual world around them.

Yes, Your Kid - Debby Herbenick, PhD 2023-11-14

Parents of teenagers and young adults have enormous catching up to do to understand how sexting, internet porn, TikTok, and more have shaped sex for young people. Too often, parents wear blinders when it comes to the sex lives of their children. They hear the statistics—how 80% of college students have engaged in rough sex or how one in four teens have sent or received a sext—and think, "Not my kid." Yes, Your Kid is the reality check parents need about what sex is like today—so they can better educate and support their tweens, teens, and college students. Combining insights from cutting-edge research, conversations with real students, and on-the-ground legal experience, Yes, Your Kid provides: An overview of key topics in sexuality, from communication and consent to pornography and rough sex, describing how things have changed Real-world legal stories illustrating today's consensual sex pitfalls and clear tips for how to help your child avoid them Age-appropriate tools to talk with tweens and teens about bodies, puberty, technology, birth control, and consent Concrete advice parents can share directly with their children so that—if and when their children become sexually active with partners—they are more likely to have safer, consensual sex Inclusive sexuality education tips for parents of young people on the autism spectrum Authoritative, supportive, sex-positive, and facts-forward, Yes, Your Kid provides parents with the frank, accurate information they and their children need to safely navigate today's sexual landscape.

These Are Our Bodies, Foundation Book - Leslie Choplin 2016-08

Sexuality and faith—formation for a lifetime

Good Sexual Citizenship - Ellen Friedrichs 2019-09-24

Most of us want to be decent people in the world. Yet when it comes to sex, we so often stumble and contribute to sexual injustice. Think about it: are we really still blaming victims of sexual assaults? Can it truly be that there is a gender based orgasm gap? Are we actually labeling people based on the kind of sex they do or don't have? Why do we insist on questioning if sex is consensual when someone's passed out drunk? Our society is undergoing an evolution, and we should take this as a call to action to ensure that all people, regardless of gender identity, sexual orientation, ability, age, ethnicity, race, religion, or social class, are treated as humans worthy of respect. Good Sexual Citizenship asks us all to break down sexual hostility and build up something better. To promote understanding and empathy, Friedrichs includes a factual and historical backdrop covering gender disparities, women's rights, sexual violence, prevention, and sex education, and challenges readers to use this insight, along with guided exercises, to examine their own potential for "good sexual citizenship." Covering topics like consent, sexual assault, pleasure, double standards, casual sex, hook-up culture, and teen sex, she provides us with tools to navigate societal messages, sexually hostile climates, stereotypes, and outdated mentalities.

The V-Word - Amber J. Keyser 2016-02-02

Losing it. Popping your cherry. Handing in your V-card. First time sex is a big unknown. Will it be candlelight and rose petals or quick and uncomfortable? Is it about love or about lust? Deciding to have sex for the first time is a choice that's often fraught with anxiety and joy. But do you have anyone telling you what sex is really like? In The V-Word seventeen writers (including Christa Desir, Justina Ireland, Sara Ryan, Carrie Mesrobian, Erica Lorraine Scheidt, and Jamia Wilson) pull back the sheets and tell all, covering everything from straight sex to queer sex, diving-in versus waiting, and even the exhilaration and disappointment that blankets it all. Some of their experiences happened too soon, some at just the right time, but all paint a broad picture of what first-time sex is really like.
