**The Driveway Rules** - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

(take pic) Her: Cool. What's your number? Click on P. 15-20. to see more clever tactics. Step 2: IS SHE DISTANT? SPARK HER INTEREST. Do it with fun, quirky texts that make her look forward to hearing the phone ding. Example: "Do you think naming two puppies Daft and Punk is a little over the top?" Learn the 9 Must-Know Tactics To Texting Girls Who Aren't Showing Much Interest. You'll have her panting for your next text and wanting to hang out with you in no time. It's all on p. 25-36. If the date didn't go well (damn, boy, what did you do—tweet through dinner?!) and you still want to see her then read my chapter on "redemption texting." Don't want another date? (she was so boring at dinner the corn on the cob covered its ears?) See great examples of how to turn her down or turn her into a friend with benefits. Text Your Way Into Her Heart. Or Her Skirt. **The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I

say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**The Playa's Guide on Getting (And Keeping) the Girl** - Xavier King 2013-05-09

About the Book The information provided is for men (and maybe women) who need just a little help getting and/or keeping a girlfriend or just to

entertain people. This book is not intended to create "Players". Player is such an ugly word; I prefer Ladies' Man, Casa Nova, Don Juan, Romeo. From picking up girls at the mall to morning routines to keep yourself looking your best, the guide goes through basic and advanced techniques and preparation skills on how to get girls. No one should be too ashamed or too proud to read this book. Once anyone reads "The Playa's Guide on Getting (and Keeping) The Girl", they should have a better understanding on how to obtain and maintain a significant other in a healthy, happy relationship. Playa!

**Girls Like Funny Boys** - Dave Franklin 2010-01-05

Part coming of age story and part exploration of the maddening nature of dreams, Girls Like Funny Boys is a potent mix of sexual obsession, guilt and fame. 'Gina crouched, resting on her haunches to continue the conversation. Her legs were too far apart. There was a hole in her black tights just above the left knee. Johnny felt a hot urge to poke a finger in it. He wished she'd leave him alone. He wished she wasn't wearing tights. He stared at her lopsided mouth and the way her fat lower lip jutted out. It was so red it bordered on purple, the colour of strawberries on the turn.' Meet Johnny Goodwin. He's grown up in a quiet Brisbane suburb with loving parents, a faithful dog and an unrequited yearning for his teenage sweetheart, Angie Everson. Now in his last year at school, he's finally caught her eye by starring in a teacher-baiting pantomime. Dreams are already taking shape of a career in entertainment, perhaps with Angie by his side. And all he's got to do is pass his exams, get to uni and keep away from Gina Wood, that weird girl who once let him touch her... "Girls Like Funny Boys wasn't what I expected - and that's simply not fair as Dave Franklin's not meant to be writing to a formula. But I really didn't expect to find this as engaging, involving and emotional as I did. I loved Johnny, rode the waves of his life every step of the way. I laughed out loud at points and found myself sniffing back tears at others... Most of all I just loved this book." - Australian Crime Fiction Length: 115,000 words.

**Blundering Blokes (Looking for Sarah Jane Smith, Girls Like Funny Boys & To Dare A Future)** - Dave Franklin 2011-06-03

A three-novel anthology that wallows in dark, twisted humour, sexual obsession and the latent violence of the male animal. Book 1: Looking For Sarah Jane Smith Marty's living in a Welsh town he hates, doing a job he's lost interest in and so bored he can't even be bothered with sex. But a new life beckons in Australia. It's also a chance to get away from his stupid mates, the loveable loser John and the ultra-macho Wasp Boy. Maybe he'll even meet an exquisite girl like his Doctor Who heroine, Sarah Jane Smith, and live happily ever after... Looking for Sarah Jane Smith - For anyone who suspects life's a bit rubbish. Part road trip and part celebration of idiotic male friendship, Looking for Sarah Jane Smith is sure to strike a chord with those who appreciate Withnail & I, Peep Show and Bill Hicks. '...if there's one thing that stands out about this, it's how bloody funny it is. I actually packed Looking for Sarah Jane Smith for a long-haul flight and such a page-turner did it prove to be that I finished it within a couple of hours.' - Living Abroad Magazine '...A bitter, crude, but funny book... These boys are not particularly likeable, but their story is raw, honest, unsophisticated and rooted in bittersweet reality.' - Post Newspapers 'An agreeably raucous novel that touches on Dr Who and men behaving badly. Its strong language and adult scenes make it the perfect Christmas gift for that impressionable nephew.' - The West Australian Book 2: Girls Like Funny Boys Part coming of age story, part exploration of the maddening nature of dreams, Girls Like Funny

From: John Dear Friend, Dating is a game but 95% of the men out there have no idea how to play it. It’s true, dating is a numbers game and most guys’ chances of success are slim. Don’t get me wrong, everyone gets rejected...even the most attractive, hottest, richest most charming guys hear a “no” once in a while. But that’s what dating is all about, it’s a numbers game, a game of chance and... ..You Are About To Increase Your Chances Of Sweeping A Beautiful Woman Off Her Feet Ten Fold! How do I know? Because this used to be my life’s story... It’s funny when I think back to just a few months ago. I remember having no idea, no clue what so ever about what I was doing when trying to meet women. I was truly clueless, and like most men I had no idea why I was constantly getting rejected. But instead of giving up, which was not even an option, I started to learn. I started reading everything on the subject of dating and attracting women I could get my hands on. I’ve spent thousands of dollars on dating courses and tips and got rejected a 100 times over just so I can learn about what I’m doing wrong. And after all that reading, listening to audio tapes and experience I have finally discovered the true methods and techniques to being successful in the dating game! Give Me Just A Few Minutes Of Your Time, And I Will Show You Exactly How You Too Can Have Beautiful Women Asking You For Your Phone Number! Like I said, dating is a numbers game and you are about to turn the odds in your favor! This can easily be accomplished by actually knowing what women look for in a man, what they are attracted to and carrying yourself the right way around girls. Because lets face it, dating is a very important game in your life...you might as well know how to play it! Here is just a small taste of what you are about to discover: - Why online dating is one of the easiest ways to meet beautiful women if you are shy and afraid of face to face rejection (more and more women are choosing the safe environment of online dating sites as a way to meet men). - The qualities every woman no matter the race or age looks for and find absolutely irresistible in men. These qualities are not something you’re born with, in fact they are extremely easy to get! - The absolute most important rules of the art of attraction. If you don't understand this, you are never going to be successful with women, no matter what you look like or how much money you have. - How to easily get rid of your fear of approaching and meeting women! This is something a lot of us guys have a problem with, and yet it is so easy to overcome. - How to become a first date professional. You’ll need to learn this if you are planning on using this guide properly...because you will be going on a lot of first dates! - Everything you need to know about using online dating sites the right way! You wont believe how powerful yet simple this technique is! - How To Honestly Date Multiple Women At The Same Time With No One Getting Hurt In The Process (if you are looking to have fun but at the same time don’t want to hurt anyone this is something you absolutely must know). - Why most women would rather have a “bad boy” instead of a nice caring guy that’s always there for her. And how you can be that “bad boy” without actually being bad. - Why catering to her every need from the moment you meet her will absolutely kill your chances of being anything more than her “talking friend”. - Why compliments will not always get you past the pick up line, and how to really get a woman’s attention when approaching her. - Why what you think girls want and what you have always been told girls want (even by other women) is one of the biggest reasons most men’s chances of sweeping a beautiful woman of her feet are next to nothing. - The 7 or so things a woman is really looking for when she meet a man. This is exactly what 95% of men out there are missing when they are trying to pick up girls. - The 14 essential rules you should always follow when dating. Follow these rules and your troubles with women are sure to disappear. - A list of the hottest online dating websites that will help you get a date every day of the week! - The complete guide to having a successful first date. Women simply want a man who will bring passion, excitement, and strength into their everyday lives. They want someone who does interesting things, is independent and takes care of themselves well.
