Love & Relationship Quotes - Aidy Thomas 2021-05-18

Leaders are appointed by God. He does not usually call the qualified but He qualifies the called- the ones He has called. In this book, you will discover how unpredictable God's ways are in relation to who He calls for a particular assignment. Man could call to suit self but God calls to suit all. The condition, circumstances and demands of every call depends on the need of the moment. There is no doubt that His Excellency, Udom Emmanuel is a man of destiny, with a unique call for a unique service, especially when he sacrificed a highly rewarding career in banking as an Executive Director to answer the 'call'. There is a hint of good parenting, self- motivation, hard work, loyalty, divine orchestration and the people's overwhelming support for a noble cause: which makes this publication an interesting read and a complete package for the inspiration of future leaders.

God, Money, and Power - Ricky Johnson 2017-12-22

The Beginning and the End that is who God is as stated in Revelation 22:13, "I am the Alpha and the Omega, the First and the Last, the Beginning and the End." That reasoning is why I put the Old Testament quotes and New Testament quotes for the first quarter and fourth quarter. First quarter are quotes that has helped me learn about God and how important he is in my life. There are verses of knowledge, wisdom, hope and understanding that are beneficial for everyday living. Fourth quarter are quotes from Jesus and how we should act like Him. We say we are Christians but are we really acting like Christ? This quarter teaches you about love, good deeds, prayer, receiving your blessings, and how the ultimate goal is to make it into Heaven and have eternal life. When you reach halftime I will give you some of my favorite quotes that I hold dear to my heart that didn't make it to the quarters. I will open up about a few and explain why they are important to my life. The Second and Third quarters are about money and power. Money is one form of power. The more you obtain, the more powerful you can be on Earth. I wrote this book of quotes to teach you about God, Jesus, how to obtain financial freedom, and how to understand the realm of power, the good side and the bad. The more knowledgeable you are the more success and more wealth you will have. The greatest investment you can make is to educate yourself. This book will teach you things you don't learn in school. This is just the starting point, the rest you have to do on your own.

God's Grace for Couples - B&H Editorial Staff 2018-08-01

If God's grace could talk . . . Actually, it already has. And is. And does. And here's what it sounds like. It sounds like hope for days when life feels absolutely overwhelming. It sounds like promise that speaks into every relationship, no matter how desperately in need or how dear to your heart. It sounds like sufficiency in all those places where none of us is ever good enough. It sounds like confidence that would make no sense at all except the full weight of God is steadfastly behind it. If God's grace could talk, it would sound exactly like what this book says in every Scripture on every page. And it wouldn't sound nearly as old as it actually is, because it's new every morning and within instant reach at every moment. It would sound like God, talking directly to you. Because He is. And does. And always does it with grace.

The Meaning of Marriage - Timothy Keller 2011-11-24

In previous books respected New York pastor and bestselling author Timothy Keller has looked at such diverse and topical subjects as the existence of God, our need to do justice, the meaning of Jesus' life, and the human temptation to make idols - all through the twin lenses of a biblical framework and an engagement with contemporary culture. In this new book, co-authored with his wife, Kathy, he turns his attention to that most complex of matters: our need for love, and its expression in marriage. Beginning with the biblical narrative, and its pictures of marriage that span the original ideal to the broken to the redemptive, he looks at themes of friendship and commitment; the completion of men and women in each other; singleness, sex and divorce; and ministry and discipleship within the context of marriage. This is a profound and engaging work that will challenge and inspire people in all stages of life - single, newlywed and married.

Heaven & Hell - David Deslauriers 2016-10-13

This is by no means, nor could it ever be, an exhaustive or authoritative book on the subject of "Heaven & Hell" or "A Right Relationship with our Heavenly Father." I have used credible and authoritative sources, relied heavily on various Holy Scriptures and applied sanctified common sense to back up what I have written, much of which is contrary to popular teachings and mainstream Church doctrine. I will challenge your beliefs. I will also encourage you to properly handle God's word, not the letter but the spirit of what He is saying through the Scriptures, which lies beneath the written surface. I want you to know that what I have written and shared was done with the purest of intentions and to encourage you to continue to grow in your faith. And God willing, I hope to do exactly that. I also want you to know that a human being (i.e. me) who has been so close to the brink of death has no time, energy or patience to lie, no hidden motives, no desire to cause unnecessary divisions or no ambition to write fictional stories to appease the flesh. I was motivated to write this book for two reasons: 1) LOVE; and 2) To encourage you to enjoy "A Right Relationship with Our Heavenly Father," which just happens to be the sub-title of this book....
