Brainwashed - Tom Burrell
2010-06

Black people are not dark-skinned white people, says advertising visionary Tom Burrell. In fact, they are a lot more. They are survivors of the Middle Passage and centuries of humiliation and deprivation, who have excelled against the odds, constantly making a way out of no way! At this point in history, the idea of black inferiority sh...

My best friend gave me a voucher to Blissful Times, a controversial women-only spa

where the only employees are half-naked hot men. One of them gave me a massage I would never forget... When I entered the massage studio and saw dark-skinned muscular Deon, I was smitten. He had a smooth wide chest, bulging biceps and sharp facial features that screamed manliness. As the massage progressed, I grew more and more aroused. Little did I know he was getting harder and harder, too... Keywords: Interracial, alpha male, massage sex stories, bmw, white woman black man erotica, urban, black man erotica, black man white

MILF Night In Las Vegas -
R.M. Dexter 2021-07-15
DESCRIPTION: Buxom MILF
Rebecca has always longed to
spend the night with a well-
endowed black stud. When she
meets handsome showbiz
lawyer Oscar in Las Vegas, she
discovers she's hit the jackpot!
EXCERPT: Rebecca checked
herself in the mirror one last
time. Sweeping back a wispy
tendril of honey-blond hair,
she smiled. "Not too bad, girl,
not too bad for 44 at all," she
said to herself before she
puckered her full pouty mouth
to check her lipstick. Twenty
years of marriage and two kids
had done little damage to her
curvy little body although, of
course, things weren't quite as
youthful and toned as they'd
been all those years ago. She'd
added a few extra pounds over
the years to her 5'-4" frame,
but she wasn't too worried as
most of that added weight had
ended up either on her boobs,

her plump backside, or on her full creamy thighs. That little bit of weight was everywhere that just seemed to make her look more sexy, and touchable. Sure, clothes fit a little tighter across her curvy bum and generous bust these days—geesh, she'd even had to go from a 34DD bra to an E-cup over the last year—but she still thought she looked pretty good, even if her husband never seemed to notice. Rebecca lived in Juneau, Alaska, almost 3,000 miles from Las Vegas, where she was right now. It was the middle of March, and sunny Las Vegas was certainly a welcome change from the frigid chill of Alaska. While her husband owned and ran a contracting company in Juneau, Rebecca was a geological engineer with one of the major oil companies. She'd spent the past week attending seminars and exhibitions at a major trade show for the drilling industry in Las Vegas. She'd even given a presentation on drilling techniques they used in cold-climate conditions, which there

was no way to avoid in Alaska. Her presentation seemed to have gone over well, even if she had been as nervous as a cat on a hot tin roof at the start. Thrilled that she'd been selected by the company to attend the conference, Rebecca had chosen to tack on a couple of free days at the end of the week to turn it into a mini-vacation for herself. After all the time she spent on her job and being a soccer and hockey mom to two teenagers, her husband agreed that she should do it. So they'd ponied up for a couple of extra nights at the Palazzo, the newer hotel linked with the Venetian. The firm was fine for her return flight to be delayed until Sunday afternoon, just as long as she was back at her desk Monday morning. Rebecca was thrilled to have those two free days to do as she wished. She told everyone that she'd probably do some sightseeing, maybe use some of the spa facilities at the hotel, do some shopping, whatever. But that scintillating idea had always been there at the back of her

mind, driving her crazy with anticipation: would she be able to work up the courage to satisfy her curiosity, to see what it was like to have sex with a black man. And now, the time she'd been fantasizing about since she'd first heard about the Vegas conference was here. Would she have the fortitude and willpower to go through with what she'd been dreaming about for these last few years? Tonight was probably her only chance!

Critical Pedagogy addresses ~~Coach - Natasha Nightshade~~

the shortcomings of mainstream educational theory and practice and promotes the humanization of teacher and student. Where Critical Pedagogy is often treated as a discourse of academics in universities, this book explores the applications of Critical Pedagogy to actual classroom situations. Written in a straight-forward, concise, and lucid form by an American high school teacher, drawing examples from literature, film, and, above all, the everyday classroom, this book is meant to provoke thought in teachers, students and education activists as we transform our classrooms into democratic sites. From grading to testing, from content area disciplines to curriculum planning and instruction, from the social construction of knowledge to embodied cognition, this book takes the theories behind Critical Pedagogy and illustrates them at work in common classroom environments.

Don's Blaze - Tiffany Patterson 2021-06-11

DonBeing a firefighter is not just a job for me. It's a mission. As soon as that bell rings and I put on my protective gear, I'm all business. One false move could cost a life. Rescue Four is the best in Williamsport. One night a deadly fire almost kills my best friend and squad mate, Corey. A fire I know is the result of arson. As the squad investigator, it's my

Having It Rough With My Black Coach A Short Interracial Sex

Story In The Gym Bmw Naughty Interracial Bmw

responsibility to get to the bottom of what happened that night. When the leading investigator at headquarters shows himself useless, I resort to working with Jocelyn, Corey's twin sister. It's enough figuring out how I'm going to solve this case while also keeping her safe. The biggest challenge is figuring out how to get her to trust that I won't hurt her like the men in her past. Jocelyn Men can't be trusted when it comes to matters of the heart. That's not me being bitter. It's a reality that I've learned from experience. Now, I use my skills as a private investigator to help women find out the truth. I'm happy doing it, and it affords me a good living. While I don't hate all men, I do believe most are unapologetic cheaters. As such, I don't have any false notions of riding off into the sunset with one or getting my happily ever after. It's an easy stance to keep up as long as I stay away from the one man who brings out a longing in me I didn't know was still there. Distance proves

difficult when I discover someone is after Rescue Four, and that same someone is responsible for my brother's injury. Once I step in to help Don, I have to remind myself falling for him is not an option. No matter how many nights he ends up in my bed. Love only leads to heartbreak. Unfortunately, I soon have to contend that Don is not only good at putting out fires. He's adept when it comes to starting them too. The fiery blaze of want and desire he ignites.
