Peaceful Pilgrims Series,

Book 4: Hearts Ablaze -

Karen Wiesner 2023-11-30

Peaceful Pilgrims Series is set in Karen Wiesner's fictional town of Peaceful, Wisconsin, a small community with old-fashioned values and friendly people you'll want to get to know and visit often.

Sometimes trying to have it all with no quarter given means losing what matters most...

Riley Levi works hard toward success as a flight attendant and longs for love to set her heart ablaze. In order to speed up the timetable of her career aspirations, she takes an ill-advised shortcut that could have lasting ramifications.

Riley's husband, Liam "Blaze" Blazel, lives in their hometown of Peaceful, Wisconsin, serving as a police officer. Blaze and Riley married six months ago. He believes marriage means a husband and wife live together,

sleep together every night, and eventually raise a family together. The last thing Riley needs is to be in a committed relationship with a man who wants to ground her. Perhaps the most damning thing of all is that they love each other passionately. There's simply no happy medium that could make this thing work...

Her Silhouette - Rohit Bhatia
She juggles around in the circle of self-doubt, And hides her pain in mask of shyness, She keeps running away from the crowd, And puts a fake smile on her gloomy face She isn't a wallflower, my love, She is a deity with a fiery heart. She is the woman fighting with her inner demons. She is a goddess who understands where she stands on the planet; she returns to the sacred ground and roots that nourish her whenever she feels lost. She is a goddess, she who delves into the sensual depths of her body, and she recognizes that no one can define her sexuality and sensuality for her. These are her legal rights. She is a goddess, she who hears the whispering of her intestines; she practices discernment between what rumbles in terror and what is

true. "Her Silhouette" is a book dedicated to the "She" and "Her", with 53 selected writers from the globe, who have contributed their work based on the theme. The book is a collection of heartwarming poems, gratifying stories and touching microtales which utters the life of "She" in the present society. "Her Silhouette" is a free anthology launched by The Little Booktique Publication in which none of the co-authors are charged a single penny throughout the publishing process.

If everyone wants to say I'm trippin', well, that's their problem. . . If you saw my boo Sincere, you'd totally understand why I've dropped everything--even my besties--to be with him 24/7. After all, what girl wouldn't do whatever it takes to show her first-ever boyfriend she's all he could ever want? I know I'm a prize, but relationships are tough enough when you're just a high school senior, so I've really had to up my game to keep a college freshman like Sincere interested. And if that means hacking his cell and following him everywhere, I'm down. Because I just know what we have is for always. And I'm going to prove it, no matter how far I have to go. . . "Hot and poppin' with drama and life lessons. The world of teen lit has never seen anything like this before!"--Ni-Ni Simone Amir Abrams is a regular dude with a dream. Born in Brooklyn, Amir has a thing for fresh kicks, fly whips, and all things Polo. For Amir, writing teen fiction was never

something he imagined himself doing until he started working with Ni-Ni Simone on Hollywood High. Now, he's amped about the endless possibilities. Amir hopes to be an inspiration to others and is determined to make a difference in the lives of teens everywhere.
