It's a Puzzle - Robert S. Maiden 2023-09-13

It's a puzzle. In an everyday small town in Texas, folks go about their everyday lives base on decisions in which they are placed in or they placed themselves in. Story 1: He fell backward as he came to a rest on the ground. "Ha, that's what you get for not paying attention." "DJ!" Maggie cried for him and jumped off the swing, almost hitting the ground wrong. She caught her balance and ran over to him. "Are you okay, big brother? Please be okay!" Tears were now forming in her eyes as she was being lifted from behind by her father. Story 2: "What's your name?" "Um, Mathew...Mathew Patrick." She wrote his name on a tag in a black magic marker. "Okay, who is your sponsor?" "Sponsor?" He was a bit confused. "Yeah, who invited you?" Before he was about to answer, she started to look him up and down. "You know, based on your looks, we can say that I was the one who invited you?" "Oh, now that you mentioned it. It was Donny." Story 3: He rubbed his arm. "Okay, so whatcha want to do now? Movies, dancing, or..." "Hey, let's go back to the pawnshop." Bobby had a confused look on his face. "But why?" "Because," she responded with attitude, "maybe, just maybe, we can..."

She didn't want to get into explaining the reason. "Just go. You don't have to go in. I just want to see." They pulled into the parking lot, and she immediately got out. Bobby stayed in the car; he knew whatever he had in his head was probably not going to make her happy. After twenty-five minutes had gone by, she came out with a big smile on her face. She got in. "It can be done." He drove off, not sure if he wanted to know what she was talking about, but then again, he had to ask. "Okay, what can be done?" Story 4: "Okay, so I have nothing. I lost everything...screw it! I'm going back to the shelter. If I refuse to leave, then maybe they will call the cops and have me arrested or they will give me a place to stay at least." He thought about it and responded with a nothing-to-lose attitude. "Oh, hell with it, I got nothing to lose." He started to walk back to the shelter. Story 5: She was more confused than before; she had never sleepwalked a day in her life, so and how did she end up in her chair in the living room? She looked up at the clock in the middle of the mantle and noticed the time was 5:00 a.m., just a few more hours before the sun would be coming up. She yelled out for her husband, "Bernie...Bernie!" No answer. She got up, went to the window, and peered out. Regardless of the turnout, it is merely a decision in which we hope will turn out one way; but oftentimes, it turns out in a way we never saw coming. Follow along as these few selected individuals find out that it's a puzzle.

How to Create Sacred Water - Kathryn W. Ravenwood 2012-10-03

A hands-on method to heal the waters of Gaia using powerful elixirs created with a sacred altar and consecrated crystals • Reveals, step by step, the shamanic rituals and techniques to prepare crystal homeopathic elixirs to heal the waters of the Earth • Explains how to create a sacred water altar in your home for elixir preparation as well as program the crystals used with healing intentions • Includes shamanic journey meditations to connect with ancient water spirits and infuse your water-healing work with sacred intention When Hurricane Floyd ravaged the North Carolina coast in 1999, Kathryn Ravenwood--living thousands of miles away in Seattle--was called by Spirit to help heal the toxic waters left behind. Combining her longtime devotion to sacred altars with her newfound connection to crystals, she developed a process to make crystal homeopathic elixirs to cleanse bodies of water both near and far. Sharing her journey of spiritual calling and discovery, Ravenwood explains how to create crystal homeopathic elixirs using a sacred water altar and attuned crystals. Detailing how to create a personal altar in your home, the crystals most suitable for this work (such as amethyst and selenite), as well as how to program them with your healing intentions, she describes the month-long cycle--from full moon to full moon--of ritual and prayer at the core of the process that infuses the elixirs with their cleansing and healing powers. Ravenwood provides shamanic journey meditations based on Native American and Egyptian traditions to help you connect with ancient water spirits and guides and

instill your water-healing work with sacred purpose. She explains how to ceremonially apply an elixir to a body of water and how the remedy will propagate outward to the ocean, bringing healing to the waters it spans as well as to the animals it encounters. Bringing spirituality into physicality and providing a practical application for the work of Dr. Masaru Emoto, this hands-on shamanic method enables each of us to take part in transforming our planet as well as our selves--for the health of Gaia and our own bodies is directly tied to the health of the waters that surround and are within us.

Man-2-Man - Crystal L. Watson 2012-01-09

The fictional stories written by Crystal L. Watson and Grace E. Bryant, take you on a realistic journey into some of the struggles and battles that Christians face. We are not exempt because we are Christians. We were born into a sinful world, and we must fight against the temptations of the enemy (Satan). We uncover and disclose some of the struggles that Christians face in their everyday lives. Problems like fornication, lust, lies, adultery, incest, envy, greed, jealousy, gossip, homosexuality etc., are present in our churches. These issues are openly identified through fictional characters, but they do exist today in some of our lives. The intent is not to disgrace the church but rather to honestly unveil and attempt to deal with some of these issues. We have taken off the big church hats, the suits and ties, the high-heeled shoes, the pounds of make-up, and presented these characters naked in their own environments outside the church building. God sees and knows everything! Through these fictional characters, we identify social problems, temptations and evil persuasions that Satan uses to attack
